What Others Think of

Sherman, Clay & Co.

"OFTEN has the name SHERMAN, CLAY & COMPANY been referred to as the high water mark in piano selling, just as the name STEINWAY is looked upon in the manufacturing end of the trade. This Company has always carried the best line of pianos obtainable and has always maintained a dignified attitude that has commanded the respect of the entire commercial world. If there were more houses like SHERMAN, CLAY & COMPANY in the piano trade it would be better for the entire industry."—*Editorial, New York Musical Courier, October 15, 1910.*

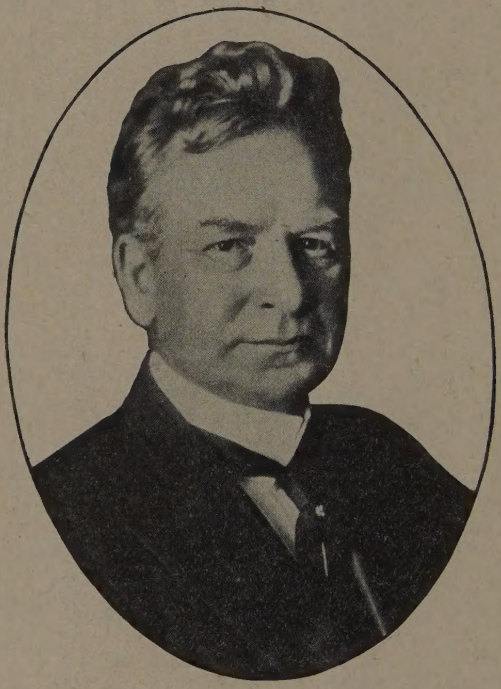

¶If the Pastor needs a piano or organ in his home, if his church needs either, if members of his congregation want pianos and confidence is placed in us, we will prove ourselves worthy of it and the instruments we sell will prove worthy of any claims we make for them.

FOREWORD

1. The arrangement of the Minutes this year is to conform to the request of Dr. Joseph B. Hingeley, Secretary of the General Conference, that the same order in printing be observed throughout the connection, this being the arrangement suggested.

2. The list of Former Members, the Conference Roll and the Chronological Roll have been thoroughly revised and brought down to date by John Evans.

3. There are not many errors and omissions in these pages due to faulty proof-reading. They arise mainly from defective information furnished the Secretary. He will esteem it a favor if you will call his attention to all errors that you observe, as soon as you see them. A postal card will do the work. Suggestions for the improvement of the book will be cordially welcomed.

4. The advertisers herein are all reliable and worthy of your confidence and patronage. If you do business with any of them, by mail or in person, kindly mention the fact that you saw their advertisement in the Columbia River Conference Minutes. This will make our advertising space more valuable, and you will thus do the Conference and yourself a favor.

5. Attention is called to the new map of the Conference, revised by the Rev. Arnold Owen.

6. The care of the preparation of this book for the press has largely fallen upon the Rev. W. L. Airheart. The Rev. J. O. Johnson has rendered efficient help in proof reading on the statistics. Mr. George E. Dyer, the printer, has been helpful in many ways, and diligent in getting the book out promptly.

CLARENCE O. KIMBALL, Secretary,

The Voice of Experience

I once heard a very wise man say that he had learned in life more from his mistakes than anything else. If that be true of all, then some of us who have lived a good while must be very wise, for we have made so many mistakes. To some of the younger men of this conference let me say two or three things about some of the common mistakes of Methodist Preachers.

The greatest mistake I ever made was in leaving the Conference where I was at work, when the hardships and difficulties which beset my path I can now see were the call of God to duty. So if any brother here is thinking of changing his conference relation in any way, I beg of him to pause and make sure. Further, brethren, remember this wonderful text: "Watching over one another in love." If you see a brother tempted or bereaved or discouraged or thinking of changing his work, go to him and pray with him and help him and save him.

(From the testimony of Father W. J. White at the Conference Love-feast, Sunday Sept. 1, 1912)

THE REV. WILLIAM J. WHITE

Fifty years a Pioneer Minister in California, Nevada, Washington and Idaho. Lovingly called "Father White" by his colleagues in the Columbia River Conference

Organization

RULES OF ORDER

I. The Conference shall open its session at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services, under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless, for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.

VI. No person shall speak more than twice on the same question, nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. On the first day of the session, each preacher who has been in charge shall submit his statistical and financial reports.
The publication of reports handed in later than the second day is not required, unless so ordered by the Conference.

VIII. The Secretary shall keep a journal of the proceedings, and, when approved and printed, the minutes shall be the official record of the Conference. He shall take charge of the journals and all other Conference papers, preserve them with care, suffer no person to take a copy of any papers, except with consent of Conference, and bring or send them to the place of the Conference session.

IX. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

X. The Board of Conference Stewards shall report upon an apportionment to the Conference for the Conference Claimants' Fund, giving the basis on which this shall be apportioned to the districts in charges.

XI. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

XII. No person shall be admitted on trial in the Conference, who is past thirty-five years of age.

XIII. No person shall be admitted on trial who can not furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

XIV. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

XV. The District Superintendents shall constitute the committee for making the Missionary Appropriations, with the approval of the Bishop presiding. They shall nominate the Standing Committees, and cause the list to be published in

the PACIFIC CHRISTIAN ADVOCATE at least one month before the Conference convenes.

XVI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the district, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XVII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.

XVIII. At each session of Conference, a publisher shall be elected to publish the minutes of the next session, who shall be authorized to make arrangements and enter into a contract for the publication in advance of the sessions. He shall also be authorized to make provisions by assessment or otherwise, for meeting this expense and all other expenses incident to conference work.

XIX. The Board of Stewards shall consist of ten members, each of whom shall serve five years—two being appointed at each session of the Conference on recommendation of the Board. The Board shall organize by appointment of a President, Secretary and Treasurer, whose names shall be published, and who shall serve one year.

XX. All candidates for recognition of orders shall, unless excused by vote of the Conference, be examined in the same manner as candidates for ordination, and the Committee on Conference Relations shall inquire into the character and fitness for the traveling connection of each candidate for admission on trial, for admission into full connection, or for re-admission into the Conference. The same Committee shall report on supernumerary preachers, who desire to remain in that relation.

XXI. There shall be a meeting of the Statistical Secretaries with the Conference Treasurer at 8 o'clock on Saturday morning, for the purpose of comparing the money reported in the statistical tables.

XXII. Each District Superintendent at the close of his term shall prepare a report of his district, not to exceed one thousand words, for publication in the minutes.

XXIII. The Stewards are authorized to take annually from the pro rata due the claimants from the Book Concern a sum according to their discretion, not to exceed 25 per cent of their indebtedness to the Book Concern, until it shall be paid in full.

XXIV. It shall require two-thirds of those present and voting to change or suspend any of these rules.

XXV. Memorial Service shall be held on the first day of the Conference session each year, immediately following the administration of the sacrament of the Lord's Supper. At each session of the Conference a standing committee on memoirs shall be appointed by the Bishop, to be in charge of the Memorial Service at the succeeding Conference session. The chairman of this committee shall be responsible for the preparation of a brief memoir of each member of the Conference, or wife of a member of Conference, deceased during the year, which memoir shall be read at the Memorial Service. At each session the Bishop shall appoint a member of the Conference to prepare a suitable Memorial Address of not more than fifteen minutes in length, to be delivered at the Memorial Service of the following session.

XXVI. All members of the Conference in the effective relation, and all ministers who are changing their relation to effective, and taking appointments, all superannuates, all preachers on trial, and all supplies, who attend the sessions of the Columbia River Annual Conference must file with the Secretary on or before noon of the second day of the session a statement showing the name of the person, the name of the charge from which he came, the fare paid each railroad, stage or other conveyance in coming to the seat of the Annual Conference, on a blank provided for that purpose.

The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay to the Secretary an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the Secretary shall pay to those who have paid more than the average fare an amount equal to twice the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the Conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

XXVII. The Conference shall consider in executive session all personal matters regarding the character of its members, or the character of any who are proposed for membership.

XXVIII. Roberts' Rules of Order shall be the standard of parliamentary usage.

Appointments

1

LIST OF APPOINTMENTS

The names of undergraduates are printed in **Black**, the names of supplies are enclosed in Parenthesis (). The figures in the first column indicate the number of the charge, those in the second column show the amount of missionary money apportioned to the charge, and the figures in the third column give the year of service in the charge entered upon by the pastor appointed. For P. O. addresses see Conference Roll. All charges in Washington, unless otherwise indicated.

A copy of this Official Journal, with these Appointments, is deposited with the Clergy Ticket Bureau in Chicago, and the applicant may refer to his number and page without sending other evidence.

Since every superannuated Preacher is held in honor as Pastor Emeritus of every Charge he ever served, in his enforced retirement he is to be given the place of honored precedence. By law, as a retired soldier of the Cross, he has a seat and vote in the Quarterly Conference of his residence, and the whole Church plans his comfortable pension as

RESOLUTOINS AND REPORTS

1
Resolutions

We, your Committee on Resolutions, beg to submit the following report:

We are grateful to the Superintendent of this District, and to the Pastor of this Church, who have so thoroughly arranged for our entertainment, to the splendid people of the city who have opened their homes to us, to the sister Churches who have placed their buildings at our disposal, to the Y. M. C. A. for the use of their magnificent plant, to the ladies for their abundant provision for the inner man, and to the Chamber of Commerce and Press of the city, for the gracious courtesies shown us during this session of our Conference.

We highly appreciate the presence and helpful addresses of the representatives of our various connectional interests.

We desire to extend our heartiest thanks to Prof. N. F. Coleman for the lucid and powerful presentation of vital Truth in his afternoon lectures, to Prof. R. W. Thatcher for his splendid address, and to Dr. Benjamin Young for his masterly lecture, "The Value of a Boy," and the inspirational spiritual addresses during the morning devotional services.

We congratulate ourselves on our great good fortune, in the coming of Bishop Cooke to be our Resident Superintendent. His presidency during the session has been a rare combination of administrative strength and brotherly kindness. His sermon on "The Blessings of Discontent" will long influence us by its masterful thought, and inspirational power. We pledge him our heartiest co-operation in all his plans for the Pacific Northwest, and pray that he may preside over many of our sessions.

CHAS. MACCAUGHEY.

MINISTERIAL RECRUITS

In view of the urgent and increasing need of more men for the Christian ministry at home and abroad, be it

Resolved, That the last Sunday in January be observed throughout the Conference as a day of prayer for ministerial recruits; that each pastor preach on that day on the work of the ministry, and the needs, especially of our own denomination and of our own Conference, in regard to ministerial supply; that the call to the ministry be a subject of frequent mention in public prayer, and constant petition in private prayer.

CLARENCE O. KIMBALL.

LABOR RESOLUTION

Your committee, appointed at the last session of this Conference by

Bishop Smith to "define the relation between the Church and the industrial problem," herewith submits its report:

Resolved, That in view of the legislation of the last General Conference favoring the abolition of child labor, the protection of women toilers, and the fair distribution of the products of labor, all of which makes necessary the closer relations of this Church and the toiler, we invite the Washington State Federation of Labor to send a fraternal delegate to the next session of our Annual Conference, and promise to extend to him all the courtesies and consideration usually accorded such a representative.

Resolved further, That should the Executive Committee of the State Federation of Labor so desire the Spokane Methodist Ministers' Union be requested to elect a fraternal delegate from among the members of this conference to the next session of the State Federation of Labor.

Resolved, That we sympathize with the efforts of the laboring people of this State to secure an adequate minimum compensation law, to abolish child labor, and to properly protect the rights of the women who are compelled to toil away from their homes.

L. N. B. ANDERSON.

RESOLUTION OF APPRECIATION

Resolved by the Columbia River Conference of the Methodist Episcopal Church now in session in the City of Ellensburg, State of Washington, That we indorse, in the strongest possible terms His Excellency, Oswald West, Governor of Oregon, in his moral crusade against vice, and the fearless manner in which he pursues evil-doers, and pledge him our moral support. And be it further

Resolved, That a copy of these resolutions be forwarded by wire to His Excellency, the Governor.

L. N. B. ANDERSON.

Whereas, Our churches and our benevolent enterprises of official standing need proper protection from the ever increasing multiplicity of non-official appeals; therefore, be it

Resolved, That this Annual Conference, in harmony with the recommendations of the Commission on Finance, created by the recent General Conference, appoint a Commission on "Non-Connectional Enterprises," consisting of a representative from each District of the Conference, the duty of which shall be to consider such non-connectional causes as may desire to appeal to the several churches of this Conference for financial aid.

Resolved, That it is the judgment of this Conference that no cause not recommended by the said Conference Commission be admitted to the pulpits of our churches for presentation and financial appeal.

Resolved, That no local appeals for financial aid be admitted to our pulpits until such appeals receive the approval of the Official Board of the Church.

TELEGRAM FROM BISHOP BOWMAN

New York, Aug. 30, 1912.

Love and best wishes to all members Columbia River Conference.

THOS. BOWMAN.

REPLY TO BISHOP BOWMAN

To Bishop Thomas Bowman:

Your gracious words received with deep satisfaction. Thanks to God for your long and useful life. We pray His richest blessings on you, and may it yet be light while it is evening. Eight present were here when you presided in this city in '89.

CLARENCE O. KIMBALL, Secretary.

BIBLE CAUSE

Your committee most heartily endorses the work of the American Bible Society, as fundamental to the best interests of our work in all lands. The Society has nine Agencies in the Homeland, and twelve in the Foreign Field, where the Word, in all written languages, may be obtained, so that no person, in any land, need be without God's Word.

The necessity of the work is in the fact the Pacific Agency, including Oregon, Washington, California and Navada, circulates the Bible in 55 languages. In this agency alone 28 persons were employed in the field, besides visiting churches, Sunday Schools, jails, etc., and giving away $11.281.06 worth of Bibles to 33,235 homes.

We agree to co-operate with this Society, to admit their authorized representatives to our pulpits and to take a collection annually for its support.

L. N. B. ANDERSON, Chairman.

BOOKS AND PERIODICALS

We express our appreciation of the consideration given by the Book Concern to this Conference for the excellent supply of well chosen books on display.

We recommend that our pastors seek to place a copy of the new Discipline in every Methodist home.

We recommend that all of our congregations as far as possible use the Methodist Hymnal and the excellent Sunday School Hymnal that our Book Concern now offers the Church.

We regret that our Tract Society has been discontinued and recommend that a supply of tracts suitable for all classes be published which can be secured by our pastors for distribution among all the people.

We rejoice in the excellent management of the Pacific Christian Advocate and congratulate Editor Hughes on the success he has achieved, we also pledge our hearty support of this periodical published in the interest of the Church in the Pacific Northwest.

FREEDMAN'S AID SOCIETY.

The Board of Freedman's Aid has apportioned to this Conference $2,086.00 for the support of its 22 schools wisely distributed throughout the Southland. In view of its past history, the success of the present, the training annually of some 7,000 students for noble life service in the highest elements of manhood and womanhood, we recommend that Lincoln Day or Sunday be observed as a day for raising the said apportionment.

Further, That in accordance with the action of the General Conference, we urge the observance of the Semi-Centennial Jubilee of Emancipation in the United States, by the churches of our Conference during the year following, 1913.

J. A. SMITH, Secretary.

EPWORTH LEAGUE

The Epworth League is an organization for the young people of the Methodist Church bodies. It should in a general way have the foresight and experience of Christian leaders ripe with years; but locally should be managed by the young people. It is their training school for service. Through the devotional services the Christian life of the young people should be deepened. It should be a life-saving station to rescue the young men and young women who are being carried out into the depths of sin.

Your committee desires to express appreciation of the work done by the General Secretary of the Epworth League and the Editor of the Epworth Herald, who were retired at the last session of the General Conference; and to express our approval of the selection of Wilber F. Sheridan, D. D., for General Secretary, and Dan Brummitt, D. D., for Editor of the Epworth Herald. We believe these men will lead the League forward to greater efficiency.

Your committee recommends that District and Sub-District conventions be held in each of the five districts.

We recommend that the pastors co-operate with the Chapters in such a way as to lead the Leaguers into more active and aggressive service.

We believe that one cause which has led to a dearth in Christian activity among the young people of some churches is, that the people who were charter members of the League have not realized the fact that they are no longer young and therefore should not be the leaders of the chapters of which they are members, but should drop out of League activity and crowd the young people into office and leadership. They should not usurp the hour given to testimony but be silent that the young people may speak and testify. We have learned by experience that the young people are timid and will not take an active part in the presence of people who have had the experience of years. Without taking an active part they fail to develop into efficient workers, lose what interest they may have had, and eventually absent themselves from the League service. If the older people wish a service

at the Epworth League hour, we would recommend for them either a class meting or an older Epworth League.

The great need of the Epworth League today is efficiency. No field is more productive of character power along the lines of prayer and testimony, of public speaking, of social leadership, of Bible study, and of spiritual life than the League may become. However, if this is to be accomplished the young people must be taught in these elements, they must be prepared for public speaking, they must receive plans for social life, for Bible study, mission study, giving and social service. The avenues for spiritual life of fellowship with God in sacrifice must be opened. This kind of training is amply provided for by the Epworth League Institute held at Liberty Lake, Washington. The person who is privileged to share the instruction and the inspiration of the Institute week will receive an uplift and vision that will last throughout life. Any church sending its young people there will surely receive a great impetus. The Epworth League Institute is a priceless opportunity for instruction and inspiration. Therefore, we pledge to it our support and will do all we can to get our young people to attend.

Respectfully, your committee,

CLOFFORD W. WILLIAMS, Chairman.
JOHN G. LAW, Secretary.

REPORT OF COMMITTEE ON EPISCOPAL FUND

Your Committee on Episcopal Fund finds that the amount raised this year is $1,397.00, which is $35.00 less than last year, and $445.00 less than the apportionment.

We recommend that the pro rating required be complied with and a greater effort made to reach the apportionment in full.

CHAS. W. MONSON, Chairman.
H. S. RANDALL, Secretary.

REPORT OF THE WOMAN'S HOME MISSIONARY SOCIETY

Recognizing the vast opportunities open to our Church and that every agency is to the utmost to meet the needs and that the Woman's Home Missionary Society has made it possible for work and workers to continue when other agencies were exhausted, and that many a home would have suffered and many a heart would have been crushed had not this organization come to their assistance, and in view of the fact that the Columbia River Conference Board of the W. H. M. S. have planned to ask the Board of Managers which meets in Des Moines, Iowa, October 16-18 to allow them to originate a fund in this Conference that has been used in some other conferences called the Sustentation Fund for the assistance of needy fields, and pastors, therefore we urge that every church open its doors and every pastor co-operate with this organization in its effort to build up its work that the needy fields may be more adequately supplied.

We urge that all funds as far as possible be applied to work within the bounds of the Conference.

R. D. SNYDER.

STATE OF THE CHURCH

The victories won, the souls awakened and the large number of persons added to the Church, reported at this Conference, mark the past year as a fruittul one. Such news warms the heart, brightens the hope for future conquests, and gives renewed confidence in the resurrection power of the Lord.

The increased interest in intelligent work in our Sunday Schools is to be commended, and will yield results.

The efforts being put forth by the District Superintendents and some of the pastors to care for the neglected portions of our Conference is certainly to be commended.

The outlook is full of hope. Some dark clouds may be seen on the horizon, but look closely, and the beautiful tints of the rainbow or promise are to be seen even on the darkest cloud. It is the rays of the Sun of Righteousness shining through the dissolving cloud, and the promise is, "Never shall the cloud overwhelm the inhabitants of the earth again."

Everywhere to the awakened soul our Lord is to be seen manifesting Himself.

S. M. NICKLE, Chairman.

CHARITIES AND REFORMS

Whereas, There is an alarming amount of drunkenness, poverty, divorce, and immorality, causing an increasing number of homeless, abused and neglected children in the State of Washington, Idaho, and Oregon, and

Whereas, The Washington, Oregon, and Idaho Children's Home Societies have been investigating and caring for such children in an efficient and painstaking manner, and

Whereas, The Washington Children's Home Society have been in operation more than fifteen years, and placed in Christian homes five hundred twenty-six homeless and dependent children during the past year, and the Oregon and Idaho Societies having done a proportionate work in those states, and since this work is in true and hearty accord with the spirit and teaching of Christ and the Methodist Episcopal Church, therefore be it

Resolved, That we do hereby pledge our undivided support and cooperation to the Washington, Idaho, and Oregon Children's Home Societies; be it further

Resolved, That we most heartily commend the work of Governor West of the State of Oregon in his campaign of law enforcement, and promise every assistance within our power.

WILLIS A. LUCE.

AUDITING COMMITTEE

The Auditing Committee has examined the accounts of the District Superintendents, Secretary, and Treasurer and find them correct. There is a deficit of $140.00 on Conference Claimants, and $423.00 deficit on the Episcopal Fund.

J. D. BIRD, Secretary.

TEMPERANCE COMMITTEE

We recognize the liquor traffic as one of the gigantic evils of this age. It destroys manhood and womanhood, is a foe to good government and its interests are antagonistic to the Church. We pledge increasing hostility to it.

We rejoice that it has been banished from many cities, counties, and states. We recognize the Temperance Society of our Church, the Woman's Christian Union, the Anti-Saloon League, and other Christian agencies as organizations working with us for its banishment from this and other lands.

We exhort all Christians to exert their influence as citizens, and vote only for those whom we know are for righteousness and clean government.

J. D. BIRD, Secretary.
A. A. CALLENDER.

REPORT OF COMMITTEE ON METHODIST BROTHERHOOD.

We regret that the report of last year calling for a place on the program of this Conference to represent the need for the establishing of Methodist Brotherhoods has not been carried out.

We regard modern Christian brotherhoods in general as the saving of the Church, and rejoice greatly at the impetus given them by the Men and Religion Forward Movement. In particular we regard the Methodist Brotherhood as an evangelistic and faith strengthening agency that no Methodist preacher can afford to disregard. We submit the following as prominent reasons why a Methodist Brotherhood should be established in every church where possible:

First—It produces among the laymen a feeling of co-operative responsibility which makes possible better "team work" in solving the problems of the Church.

Second—It furnishes the means through which the Church shall largely profit in the expenditure of that masculine energy which is too often almost wholly lost to the kingdom in temporal concerns.

Third—It is the most effective means by which the fathers of Methodism can teach the sons of Methodism that the Church, above any other human institution which can claim the service of a man, is entitled to their love, their loyalty, and their lifetime endeavor.

We recommend that the Men's Bible Class be made the nucleus of brotherhood work in the church as Bible study furnishes a continuous objective program.

We recommend that a place on the program of next year's Conference be reserved to the subject of the Methodist Brotherhood, and that a member of this Conference be appointed to make an address at that hour, and that the appointment be made by the chair before the close of this session of the Conference.

JNO. M. HUGGINS, Chairman.

DEACONESS BOARD

The property of the "Maria Beard Deaconess Home" consists of the following in Spokane, with others throughout the Conference:

Deaconess Home and Hospital Building.

The Old People's Home, Rest Home, and a site for a new Old People's Home.

The finances of these institutions is being put on a strictly business basis. The medical work in the hospital is directed by a staff of physicians not excelled in the Northwest. A modern X-ray machine has recently been installed, and the surgical and operating rooms have excellent equipment. Of the $40,000.00 of work done yearly by the Hospital, $5.000.00 is free work. Twelve persons are in the Old People's Home. In both institutions the spirit is sincerely Christian.

Among the general needs of the Deaconess work is a home for the nurses, a new wing to the hospital. A new Old People's Home building, and endowment for hospital free work and for the Old People's Home.

Immediate needs are fruit and vegetables and $5,000.00 for supplies for winter.

We hereby certify that we have renewed the licenses of the following deaconesses according to the recommendations of their respective quarterly conferences:

Alice R. Denno	Myrtle Berkey
Ethel H. Butts	Mary A. Curnick
Carrie Giles	Elva Yocum
Stella Alexander	Ruth Graham
Alma Swanson	Clara Brown
Dollie E. LaDuke	Elizabeth Black
Daisy Whipple	Fannie Wattam

We recommend for consecration Ethel H. Butts.

Minnie Baker is transferred to the Wisconsin and Jennie Sergeant to the Missouri Conference. Daisy Whipple has been received by transfer to this Conference from the Newark Conference; Elva Yocum and Alice R. Denno from the Rock River Conference.

We confirm the assignments of the Deaconesses as made by the Local Board. We recommend that Stella Alexander be granted six months' sick leave. We recommend that Carrie Giles be granted a year's leave of absence.

No recommendations have come to us for the renewal of the licenses of the following Deaconesses:

Mary Stevenson and Ella May Harris.

We commend Miss Alice R. Denno in her management of the Old People's Home during the past year.

We desire to express our appreciation of the faithful labors of Miss Myrtle M. Berkey, the retiring Superintendent of the Hospital, and of Rev. M. H. Marvin, the Field Secretary.

We commend to our people the new Superintendent, Miss Ethel H. Butts.

The Board of Management has appointed Mr. Floyd L. Daggett Financial Agent of the Deaconess work, and has instructed him to develop and install an up-to-date business system in every department of the association, and this action we most heartily commend.

We desire to express our most hearty approval of the plan to so amend the Articles of Incorporation of the Maria Beard Deaconess Home that the Church will be more directly concerned in the Deaconess work of our Conference, and we would recommend that the amended articles:

1st. State definitely that this is an Association of the Methodist Episcopal Church.

2nd. That the Board of Trustees be increased to twenty-five, and

that the Columbia River Conference nominate five of them; one for three years, two for two years, and two for three years, and thereafter fill vacancies as the terms expire; and that the Pacific German Conference nominate one Trustee each year; and that the resident Bishop be a member ex-officio of this Board of Trustees.

3rd. That the following ministers serve as Trustees from the time of the adoption of the amended Articles of Incorporation until the next session of the Columbia River and Pacific German Conferences:

C. E. Gibson, B. E. Koontz, Will A. Betts; C. A. Wentsch Pastor of the German Methodist Church of Spokane; R. D. Snyder, J. O. Johnson.

4th. That the above constitute a committee to act in conjunction with the existing committee from the local Board in drafting the amended Articles of Incorporation.

Our entire Conference last year contributed only $600.00 to the Deaconess work. This year, with field representative, Dr. M. H. Marvin, who has visited eighty-five charges, there has been contributed over $5,000.00 in cash and supplies.

We recommend that an agent be appointed to represent the Deaconess work in our Conference for the coming year.

2nd. That the collections be taken at the Communion Service and forwarded to the Deaconess Association.

3rd. That the District Superintendents of each Quarterly Conference under the heading of "Other Business" shall inquire if this collection has been taken.

4th. That a column be opened in the minutes to report all moneys collected for Deaconess work.

We urgently advise our ministers and laymen to patronize the Methodist Hospital.

We commend the action of the Laymen's Association in assuming $10,000.00 for Deaconess work in our Conference, and pledge them our co-operation in raising the same.

We recommend the following as the Conference Deaconess Board:

First year—J. O. Johnson, R. D. Snyder, Mrs. R. K. Keen.
Second year—W. L. Airheart, J. G. Law, Mrs. C. E. Gibson.
Third year—W. H. H. Forsyth, W. S. Turner, Mrs. W. D. Ellis.

REPORT OF COMMITTEE ON EDUCATION

Methodism, the child of the university and the patron of higher education has under her care about 400 schools and colleges in this and foreign lands, and stands now, as always, for the highest Christian culture.

Our Church feels justly proud of the army of men and women who have gone from these halls to bless humanity, adorn society and honor the state.

This splendid record we recognize as the fruitage of the consecrated wealth of our laymen and the wise and far-reaching planning of our Board of Education.

Board of Education

We are in hearty accord with the action of our late General Conference in federating the former General Educational Collections, the collections for Southern white schools, and the Conference Educational Collection into one called "Public Educational Collection." Of this

latter 80 per cent will go to the local institutions approved and patronized by the Conference and 20 per cent will come to the Board of Education. In Conferences where there is no local institution under definite charge of the Conference, the entire Public Educational Collection should be sent to the Board of Education.

Here are three subdivisions of the educational collections:

1. Children's Day Fund taken in the Sunday School on the second Sunday of June. This is for student aid and belongs to the Board of Education and is apportioned at 10 per cent of the foreign missionary collection. This remains unchanged whether you work under the old order or the new. The new Discipline leaves that, as it always has been, and the money should be sent to New York City. The Children's Day collection cannot be divided with any other fund. It is legally for the Student Loan Fund and for no other purpose.

2. The collection taken in the church congregation as an addition to the Conference or Public Educational Collection which has been usually denominated "General Educational Collection." This is apportioned for the Board of Education in an amount equal to 3 per cent of the apportionment for foreign mission—that is for the aid of schools for people of the white race in the South. Where the provisions of the new Discipline have not been in force, the proceeds of this collection should be sent to the Board of Education at New York.

3. The Conference Educational Collection taken at whatever time your Conference orders. This is for the aid of the denominational college or colleges in your own territory and should be sent to the president of such institutions as your Conference directs or paid over to the Conference Treasurer for these local institutions. As noted above, where there is no designated local institution, this collection also should be forwarded to the Board in New York for the aid of institutions.

There are, therefore, three headings for the present: Children's Day Fund, Local Educational Interest (sometimes designated Conference Educational Collection), White Schools of the South, more frequently denominated in statistical blanks General Education. Next year, under the new order there will simply be two: Children's Day Fund and Public Educational Collection. And there will be a column headed "Conference Educational Collection" in which may be entered any special endowment gifts, building fund gifts, or anything of that sort, authorized by your Conference for your local college. So far as the General Church is concerned there will be but the two: Children's Day Fund and Public Education; the Public Educational Collection to be divided 80 and 20 per cent as indicated.

American University

Our American University at Washington, D. C., with its growing endowment of two and three-fourths millions, inspires our grateful appreciation. We shall expect to see this grow to five millions within the quadrennium. This greatest of Methodist educational enterprises, is big with promise. Located at the nation's capital, its students will have full access to the vast and splendid equipment for the pursuit of true learning aggregated at the Smithsonian Institute, the Carnegie foundation, the libraries of Congress, and the various sundry Government Departments. Such an equipment cannot be found elsewhere and could not be bought for many millions of money.

Properly supported in confidence, prayer and sacrifice, American

University is destined to rank among the world's first institutions of universal learning, the joy of all Methodism, the pride of all Protestantism, and the admiration of all Christendom.

Willamette University

We gladly take notice of the greatly increased strength and commanding position to which Willamette University has come. Men of large wealth are now showing interest in this institution of learning. Frends of Christian education were made glad when last March Mr. Peter Severson of Portland, Oregon, gave to this old school of the Northwest $100,000 in cash. And under the plans of President Homan over $400,000 have been secured during the last three years for endowment, while in addition to that splendid sum $50,000 has been raised toward the erection of a new building that shall cost not less than $100,00 and may cost double that amount. The student roll for the past year shows an increase of 35 per cent in the College of Liberal Arts, 25 per cent in the Academy and added members in all the different departments. With this miraculous increase in its finances with its superior faculty, the strategic location and its present campaign for $100,000 or more in the next year, surely the future of Willamette University is assured, and is bright with the promise of an enlarged usefulness. We nominate as Trustee of Willamette University for three years: Walton Skipworth; as Conference visitors we nominate W. B. Young, M. J. Perdue, and William DeWeese.

Kimball College of Theology

Kimball College of Theology was founded to supply a growing need for a ministry adequately prepared and trained. It has completed six years of its history. Sixteen men have graduated, four of whom took the degree of Bachelor of Divinity, and another of the sixteen will soon be entitled to the same degree. Altogether over seventy men have, 1or a term longer or shorter, received instruction in its classrooms, and gone forth to their work. Its importance to Methodism in this Northwest country as a strategic center for the training and equipment of our young men for their ministerial life work, is universally conceded. Each member of the faculty has demonstrated his fitness for and devotion to the work of his particular department. The school will enter the next year without a dollar's indebtedness. Thirty students are pledged to enter the year and others are hoping to enter. With the loval suport of every member of this Conference and our common Methodism in the Pacific Northwest, Kimball College of Theology will continue to exert a wise and beneficent influence.

The University of Puget Sound

Prosperity is the note of the University of Puget Sound. Increase in the College of Liberal Arts, substantial additions amounting to about $1,000.00 in the Science Laboratories, and five hundred new volumes placed in the library, indicate the healthy condition and progress of the University. The Trustees and faculty are greatly encouraged also in the endowment campaign now under way, and pledges already secured aggregate $75,000; this being a part of the $250,000 to be raised for endowment. The Department of Religious Education now offers a full two years' college course for the training of Sunday School teachers and other Christian workers. This course is the equal of any similar

course offered by any school in the land, and among its special features will be lectures by specialists on the Bible as a book of authority. These addresses will be delivered in connection with the Sunday Vesper Service. The School of Law will register its first students September the 16th. This school is also prepared to announce progressive Y. M. C. A. and Y. W. C. A. organizations. We submit the following nominations: Trustees—Ministers, Will A. Betts, one year; U. F. Hawk, two years; Andrew Warner, three years. Laymen, Mrs. Robert MacReady, Sunnyside, Wash., one year; Frank Babcock, Cheney, Wash., two years; David H. Cox, Walla Walla, Wash., three years. Conference Visitors, John W. Caughlan, Robert Brumblay, and Paul Little.

Conference Board of Education.

Complying with the order of the General Conference, that each Annual Conference organize a Conference Board of Education, we submit the following nominations for your approval:

Coeur d'Alene District—Rev. C. A. Wells, A. W. Bronson.
Columbia District—Rev. H. C. Kohr, L. V. Wells.
Spokane District—Rev. W. L. Airheart, Robt. Hanke.
The Dalles District—Rev. H. J. Wood, J. L. Hughes.
Walla Walla District—Rev. Paul Little, G. W. Graham.

The purpose of this Board and its duties will be found in the Discipline of 1912.

Montana Deaconess School

We call your attention to a new field of educational endeavor, to-wit, the Montana Deaconess School of Helena, Montana, which is caring for about forty boys and girls of the primary and secondary grades, many of them homeless and orphaned, thus fostering and protecting them by furnishing them with high ideals and fitting them for noble living and the best citizenship. This school has a fine large building and campus, and deserves our hearty endorsement.

We recommend the same division of funds to Willamette University, the University of Puget Sound, and Kimball School of Theology, as last year. Also that twenty cents per member be apportioned to the various charges of the Conference. We welcome to our respective pulpits the representatives of these institutions.

Respectfully submitted,

PAUL LITTLE, Chairman.
O. W. MINTZER, Secretary.

BOARD OF SUNDAY SCHOOLS

The Conference Board of Sunday Schools is pleased to note the labors bestowed by Bro. T. H. Fertig in the interest of Sunday School work within the bounds of this Conference. In looking forward to the new year and its work we would emphasize the following things:

We would recommend that the Secretary of the Inland Empire take Methodist Sunday School statistics from official minutes of this Conference.

Out of a total enrollment of over 4 000,000 in our Methodist Episcopal Sunday Schools nearly 3,500,000 are children and youths under eighteen years of age. Five-sixths of all our conversions occur during this period. Fully 80 per cent of our accessions to the Church come from the Sunday Schools.

We note with pleasure the "four years of progress" which the Board of Sunday Schools has made. Its achievements have been as wide as the nation.

By action of the General Conference the Board of Sunday Schools is entitled to an annual offering from every Methodist Episcopal Church and from every Sunday School. The General Conference has also said that no offerings for Sunday School work should be diverted to other organizations until the claims of the Board of Sunday Schools have been fully met.

Rally Day is the great opportunity of the year, and every Sunday School should be urged to observe it.

We recommend the use of Rally Day program prepared by our Parent Board.

C. C. CURRY.

RECOMMENDATIONS

1. We would suggest that greater care be taken in reporting the collections for Conference Claimants, as many mistakes were made this year by the pastors and some failed to bring up their apportionment.

2. We regret that we find it necessary to reduce the annuity this year from $8.00 to $7.00 per year and urge upon the brethren the sacredness of this claim, while we would again call attention to the necessity of the benevolent side of this work and commend the wisdom of complying with the request of our Board in taking a collection on each charge amounting to, at least, 1 per cent of the pastor's salary in addition to the 3½ per cent for our old claimants.

3. We rejoice in the fact that the Book Concern was able this year to increase the amount of our dividends.

4. Again we renew our recommendation that the Conference press toward the mark of a full annuity which would be $12.00 per year of effective service.

A. MONROE, Secretary.

Minutes of the Laymen's Association

ELLENSBURG, WASHINGTON, AUGUST 30, 1912

The meeting was called to order by John Sarginson, twenty Laymen being present. The hymn, "A Charge to Keep I Have," was sung and I. C. Libby, of Spokane, led in prayer.

The Secretary reported that President Foster was in the East and unable to attend, but sent greetings. I. C. Libby was elected to preside.

On motion it was unanimously determined that the constitution be changed so as to read Secretary-Treasurer instead of Treasurer.

It was moved and carried that the assessment of the Home Missions Council on the Methodist Episcopal Church in the Columbia River Conference for the neglected field's survey be assumed by this Association, and that the Secretary-Treasurer be authorized to solicit funds and pay the same.

On motion the following was adopted:

Resolved, That we, the Laymen of the Columbia River Annual Conference, arouse ourselves to the support of the Deaconess Hospital and Old People's Home, and that we adopt the slogan: "Ten Thousand Dollars for the Deaconess Work this Conference Year," and that we pledge ourselves to aid the Field Agent in raising this amount.

It was moved and carried that we ask the Conference for a "Laymen's Day," on which to present this claim for the Deaconess work, and the Executive Committee were authorized to make plans for the Laymen to assist the Pastors on that day.

President Zeller, University of Puget Sound, addressed the meeting on the educational interests of the Church. Rev. F. L. Hart, of Chicago, told of the value of insuring church and parsonage buildings in the National Mutual Insurance Company of Chicago, our connectional company. Prof. N. C. Coleman, of the Reed Institute, Portland, Oregon, delivered an address on the work of the Men and Religion Forward Movement.

Rev. M. H. Marvin and Floyd L. Daggett presented the work of the Deaconess Hospital and Old People's Home.

The Methodist Book Concern *and* Dividends

Since dividends were resumed in 1864 the Church has been aroused as never in the past, to the larger patronage of a more generously supplied catalogue of the best literature; there has also been the underlying feeling that to patronize the Book Concern meant, in a certain sense, to help the deserving veterans of the Church. Our dividends have resulted, for a number of years, in increasing cash payments each year to the Conferences.

No matter what race the Methodist preacher belongs to, or under what sky or in what continent he does his work, wherever there is a Methodist preacher in full membership in a Conference he is taken into the accounting when the division is made, and whether he be in one hemisphere or another, North or South, East or West, each man is entitled to his share in the division.

This year $250,000 is the amount which the Book Concern considers it wise and safe to set aside for the Conferences, and it means $13.53 per man to all the members of all the Conferences in all the Methodist world.

The Book Concern has this relation to the Church then: that it hopes and confidently expects to be able to give increasing amounts annually as the years go by.

THE AMERICAN STANDARD BIBLE

Edited by the American Revision Committee

¶The International Lesson Committee and the new Graded Lessons use this version in the Sunday-school Lessons because it is more true to the original and requires less explanation than any other. It is also used by the Sunday-school periodicals published by the great denominational publishing houses and the Sunday School Times.

The American Standard Bible has now been before the public for ten years, and it continues to grow in popular favor, as no other translation before it ever did. The demand is so great that the publishers have made this version in all sizes of type and all sizes of binding so as to meet every want.

FOREWARD

To all into whose hands this book will come.

I am sending out the Journal of the 40th Session of the Columbia River Annual Conference. No pains have been spared to make it accurate. However, it is likely that mistakes, Typographical and Grammatical, can be found. Also mistakes arising from the lack of information and from misinformation. However, I shall be very glad to receive any corrections which you think need be made.

I am already making plans for the Journal of the next session and invite your co-operation and suggestions.

I want to express my appreciation of the service rendered by Bros. Paul Little and Geo. W. Bradley, who wrote the Journal. Also of the work of Brother J. A. Smith in the matter of the Transportation and Minute Funds as well as to all others who have aided in any way.

If the Brethren will kindly observe the RULES OF ORGANIZATION already adopted it would save the Conference much valuable time as well as relieve it from confusion.

Very truly yours,
JOHN EVANS,
Secretary.

1. The Conference shall open its session at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services, under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless, for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.

VI. No person shall speak more than twice on the same question, nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. On the first day of the session, each preacher who has been in charge shall submit his statistical and financial reports.

The publication of reports handed in later than the second day is not required, unless so ordered by the Conference.

VIII. The Secretary shall keep a journal of the proceedings, and, when approved and printed, the minutes shall be the official record of the Conference. He shall take charge of the journals and all other Conference papers, preserve them with care, suffer no person to take a copy of any papers, except with consent of Conference, and bring or send them to the place of the Conference session.

IX. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

X. The Board of Conference Stewards shall report upon an apportionment to the Conference for the Conference Claimants' Fund, giving the basis on which this shall be apportioned to the districts in charges.

XI. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

XII. No person shall be admitted on trial in the Conference, who is past thirty-five years of age.

XIII. No person shall be admitted on trial who can not furnish to the Board of Examiners statisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

XIV. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

XV. The District Superintendents shall constitute the committee for making the Missionary Appropriations, with the approval of the Bishop presiding. They shall nominate the Standing Committees, and cause the list to be published in the PACIFIC CHRISTIAN ADVOCATE at least one month before the Conference convenes.

XVI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the district, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XVII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.

XVIII. At each session of Conference, a publisher shall be elected to publish the minutes of the next session, who shall be authorized to make arrangements and enter into a contract for the publication in advance of the sessions. He shall also be authorized to make provisions by assessment or otherwise, for meeting this expense and all other expenses incident to conference work.

XIX. The Board of Stewards shall consist of ten members, each of whom shall serve five years—two being appointed at each session of the Conference on recommendation of the Board. The Board shall organize by appointment of a President, Secretary and Treasurer, whose names shall be published, and who shall serve one year.

XX. All candidates for recognition of orders shall, unless excused by vote of the Conference, be examined in the same manner as candidates for ordination, and the Committee on Conference Relations shall inquire into the character and fitness for the traveling connection of each candidate for admission on trial, for admission into full connection, or for re-admission into the Conference. The same Committee shall report on supernumerary preachers, who desire to remain in that relation.

XXI. There shall be a meeting of the Statistical Secretaries with the Conference Treasurer at 8 o'clock on Saturday morning, for the purpose of comparing the money reported in the statistical tables.

XXIII. The Stewards are authorized to take annually from the pro rata due the claimants from the Book Concern a sum according to their discretion, not to exceed 25 per cent of their indebtedness to the Book Concern, until it shall be paid in full.

At each session of the Conference a standing committee on memoirs shall be appointed by the Bishop, to be in charge of the Memorial Service at the succeeding Conference session. The chairman of this committee shall be responsible for the preparation of a brief memoir of each member of the Conference, or wife of a member of Conference, deceased during the year, which memoir shall be read at the Memorial Service. At each session the Bishop shall appoint a member of the Conference to prepare a suitable Memorial Address of not more than fifteen minutes in length, to be delivered at the Memorial Service of the following session.

XXVI. All members of the Conference in the effective relation, and all ministers who are changing their relation to effective, and taking appointments, all superannuates, all preachers on trial, all candidates for admission or trial, and all supplies, who attend the session of the Columbia River Annual Conference must file with the Secretary on or before noon of the second day of the session a statement showing the name of the person, the name of the charge from which he came, the fare paid each railroad, stage or other conveyance in coming to the seat of the Annual Conference, on a blank provided for that purpose.

The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay to the Secretary an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the Secretary shall pay to those who have paid more than the average fare an amount equal to twice the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the Conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

CHARITIES AND REFORMS

Because of the alarming and ever increasing amount of immorality, drunkenness and diveroce, there is an increasing number of homeless and uncared for children. And as 85 per cent of these cases are the direct result of abuse, neglect and insufficient parental care, and since the Washington, Idaho and Oregon Children's Home Societies have been doing efficient work among these abused, neglected and dependent children, caring for them and placing them in Christian homes.

And, as the Church is to a great degree the teacher of moral advancement and this work is in Harmony with the Spirit of Christ and the teaching of the Methodist Episcopal Church,

We Recommend, That we as a church, emphasize the teaching of morality and parental discipline, both in pulpit and pastoral work, and that we hereby pledge our continued support and co-operation to the Washington, Idaho and Oregon Children's Home Societies.

GEO. F. PINKHAM,
N. SHERMAN HAWK, Sec.

PRISON MISSION WORK

During the past year a beautiful Chapel at the Penitentiary has been built, which seats 1,200 men, which cannot be well surpassed and is of great utility. There is connected with the plant a library, which includes a revised Encyclopedia and about 3,000 volumes. A book is given to each man if he wants one. A Bible is also given to every man who will take one.

A donation from the American Bible Society was made to the Penitentiary. The lock step, and the stripes are a thing of the past in that institution.

The Hospital department is up to date so the sick are well cared for. Oother improvements are being made by the efficient Warden Drum.

JOHN LeCORNU,
FRED E. WHITE, Sec.

REPORTS

Resolved, That in view of the exacting and arduous work required of our Statistical Secretaries and Treasuries, much of which is the result of our dilatoriness and inaccuracy in the preparation of Statistical Reports, we pledge ourselves to greater care in preparation and will do our utmost to have the reports in on the first day of the next Canference session.

M. H. Marvin.

WOMAN'S HOME MISSIONARY SOCIETY.

This society has done splendid work this Conference year. In addition to the usual supply work from their sustentation fund, they have given $344.55 in cash to the Conference in equal distribution to the various districts. We recognize the value of this organizatioin and thank them for their generosity.

Assuring them of our co-operation, we wish for them the coming year success in the Masters name.

O. W. MINTZER,
CHAS. E. GIBSON.

METHODIST BROTHERHOOD

We regard Brotherhoods one of the cardinal teachings of Christ. We believe that it would solve all the great questions, social and economical, that are pressing down upon us for solution.

We regret that the Conference has not seen fit to give a place on the program to the subject of Methodist Brotherhood, and that

a member of the Conference was not appointed to make an address on the subject, as recommended by the Committee on Methodist Brotherhood in its report last year.

Therefore we urge the Conference to take steps towards the encouragement of the Brotherhoods now existing within its bounds and the organizing of new Brotherhoods wherever the conditions warrant.

JOHN E. GARVER.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS

We desire again to express our gratitude to the Book Concern for the supply of excellent books sent to the seat of this Conference.

We are exceedingly pleased with the report of the Book Committee, showing the rapid growth of our Publishing House until it is now a greater producer and greater distributer than any other publishing establishment in the world. This must result in a broader education of our people as well as a larger support for our retired ministers.

We are gratified at the wonderful growth of our Sunday School publications and recommend that, as far as possible, the graded lessons be introduced, and that our own publications be used in our Sunday Schools.

We rejoice that the reduction of the price of our Advocates to $1.00 a year has resulted in such a marked increase in circulation. We are proud of the fact that the Pacific Advocate leads in its circulation per capita among the members of our church in its territory. We would adopt the slogan, The Pacific Advocate in every Methodist home.

P. C. MONEY, Chairman.
A. H. MORTON, Secretary.

STATE OF THE CHURCH

Almost everywhere we hear the complaint of a lack of intense spiritual interest in the work of the Church and the kingdom of God. There is not the attendance at the weekly prayer meeting (so essential to spiritual growth) that we could desire; the class meeting is rarely held and sparsely attended while, too often, the public service does not attract even a fair proportion of those who have taken the vows of church membership, and there is in many instances a lamentable absence of children and youth in our public meetings. Sabbath excursions, picnics, picture shows, theatres, ball games and the like, attract crowds, while, in many localities, the work of the kingdom God languishes.

We believe that the causes of these unsatisfactory conditions are not wholly outside the Church and are so within our reach to correct.

A disposition to narrow the borders of Zion by discontinuing country preaching places has deprived many in rural communities of convenient church privileges.

While great emphasis is being placed on the educational phase of Sunday School work, the vital connection between the Church and the Sunday School is often lost sight of, with the result that, as the boys and girls grow up, they disappear from church life and activity unless, as is sometimes the case, the Epworth League is able to tide them over and conduct them into the activities of the Church.

We are profoundly impressed that the solution of many of the problems pertaining to the spiritual conditions in the Church will be found in placing more emphasis on certain things which are vital to the real prosperity of Zion.

We advise comity and the encouragement of the spirit of fraternity among the various churches of the community and rejoice in the manifestations of increasing good fellowship among the various denominations; nevertheless, we believe that in many localities, where our right to exist as a Church is disputed, we have nevertheless, a mission in the community, to the end that community may not be deprived of the privileges of an evangelical gospel.

We most earnestly call upon all our ministers to give greater attention to the spiritual instruction of the children, endeavoring to bring them to a saving knowledge of Jesus as their personal savior and to induce them to build their lives to His service; to emphasize the importance of real, evangelical conversion as the vital condition of individual salvation and membership in the Church of Jesus Christ, always making use of our probationary system as a test of fitness for full membership.

We admonish each other to emphasize in our preaching, the doctrine of evangelical conversion, including repentance, faith, pardon. justification, regeneration, adoption, and the witness of the Spirit, not forgetting or neglecting the Wesleyan and Scriptural doctrine of the baptism of the Spirit as an essential to Christian service.

We call upon all loyal Methodists to co-operate with their minister in discouraging and opposing by all wise means, everywhere, all those forms of worldliness which draw the people away from God and the Church and tend to destroy their relish for better things; and we urge them to most earnestly pray that the Spirit of the Most High may inspire and direct us so that the coming year may witness a great revival of spiritual life in the Church, resulting in a great ingathering of such as are being saved.

ALBERT W. LUCE, Chairman.

REPORT OF SOCIAL SERVICE COMMITTEE

In view of the inflow of immigration expected upon the opening of the Panama Canal, we recommend the observance of an Immigration Sunday in March, in order that we may arouse in our people a demand for a better control of immigration companies in the matter of European advertising; for a better inspection service, that we develop a demand for the prevention of the crowding of immigrants in the city slums and for the protection of our laborers from hurtful competition of such men, and that we demand the proper distribution of immigrant arrivals; the Social Service Commission to aid in furnishing information for the observance of this day.

We appreciate the presence of Mr. E. P. Marsh, President of the Washington State Federation of Labor, at our Conference and we recommend the appointment by the Bishop of a fraternal delegate to the annual meeting of the State Federation of Labor.

We recommend the appointment of a Commission of five men on social service.

JOHN G. LAW, Secy.

REPORT OF CONFERENCE DEACONESS BOARD

At the beginning of the Conference year the financial condition of the Maria Beard Deaconess Association was carefully investigated and it was found that the Hospital owed in current accounts $7,000.00, with assets represented by $12,000.00 of book accounts, some of them of long standing, most of them uncollectable. By careful financing the bills payable have been reduced to $4,500.00. The receipts of the Hospital for the year were $35,652 00; expenditures $35,046.13.

The total resources of the Association amount to $122,000.00. The liabilities are $15,900.00.

During the year one thousand patients have been cared for with splendid results, as is shown by the fact that out of 103 operations for appendicitis there was but one death. The hospital has a splendid medical staff and an excellent nurses' training school from which during the year eight nurses were graduated. Out of 24 nurses passing the State Board summer examination, nine were from our hospital, none receiving grades below 90 per cent. All the nurses are professing Christians and the magnificent service they render is shown by the enthusiastic commendation of patients and by the large number of conversions. We heartily commend the work of the Superintendent, Miss Butts, and of this magnificent institution as a whole.

We commend the splendid management of the Old People's Home under Miss Alice R. Denno. In view of the desperate need arising from $400.00 current expense indebtedness and $500.00 on city improvments, we recommend the observance of an Old People's Day during the year.

We recommend the work of the Field Agent, Rev. Chas. MacCaughey. Co-operating with pastors of the Conference with fine enthusiasm he has brought in $6,000.00 in cash and supplies, with $1,000.00 in good subscriptions. We ask his re-appointment.

We commend the efficient work of Mr. Robert F. Hanke, President of the Board of Trustees.

We heartily commend to the Conference the new Articles of Incorporation and By-Laws which have been prepared by co-operation of the Trustees and Conference Board and which place the control of the institutions under the Conference.

TEMPERANCE COMMITTEE

We believe the liquor traffic is the greatest evil of our land. A great statesman has said, "The accursed liquor traffic has destroyed more victims than war, famine, and pestilence combined." Yet we, as a nation, have been so deceived as to become exceedingly stirred over the cruelty and horrors of war, tremendously benovelent in regard to famines, and have contributed largely to the cause of sanitation and health; but have been apparently blind to the result of a business which is sending hundreds of thousands annually to the grave and to perdition, not to mention the untold misery left in its train.

We recognize and congratulate our Church Temperance Society for the great work accomplished by them in the past year with Rev. Clarence True Wilson as its secretary.

We also recognize the excellent work done by the W. C. T. U., the Anti-Saloon League, and all other Christian Temperance organizations, and recommend the hearty co-operation of our Church and people where there is a chance to deal a telling blow to the liquor traffic.

It is our sincere desire that all people in favor of state wide prohibition will not only wish and pray for it, but will work and vote for it.

THOMAS LAWSON, Chairman.
J. W. WRIGHT, Secretary.

STATE-WIDE PROHIBITION

Whereas, The next logical step in proceeding against the liquor traffic in the states of Washington and Idaho is state-wide prohibition, and,

Whereas, The Anti-Saloon League and other temperance organizations are preparing to have the question submitted to the people of Washington on November 3d, 1914, and at as early a date as practicable

to attain the same end through statutory enactments in Idaho, therefore be it

Resolved by the members of the Columbia River Annual Conference and by the representatives of the Laymens' Association in joint assembly, representing a membership of 20,000 and a constituency of 60,000 in the above mentioned states, that we register our hearty approval of this movement to secure prohibition, and pledge our undivided support to the organizations promoting it.

ROBERT BRUMBLAY.

REPORT OF THE COMMITTEE ON WOMEN'S FOREIGN MISSIONARY SOCIETY

The Women's Foreign Missionary Society is unique in its spirit, methods and results. Its missionaries and institutions ably supplement the world-encircling labors of our Board of Foreign Missions. No agency of our church is more efficient in its work.

We rejoice in the success of the home forces of this Society within the bounds of this conference, gratefully recognizing that no small measure of this success is due to the faithful, diligent and devoted work of the secretary, Mrs. Henry Brown, who for twenty-one years has served in this capacity.

We commend the Society to all our Churches, and urge that our pastors secure the formation of new auxiliaries wherever and whenever possible. A half-billion women and girls not yet brought to our Lord constitute an appeal that should arouse our Christian women and girls to the utmost limit of constraining love.

D. L. CLARK,
T. D. MOORE,
ALBERT E. AYERS.

REPORT OF COMMITTEE ON EDUCATION

Your Committee on Education beg leave to report: As in her beginning and her past Methodism has regarded mental culture as second only to spiritual experience, so in the present struggle for the future conquest of our land and the world, still greater must be her care for thorough education. We, therefore, gladly present the successes of our Institutions.

I.

Board of Education

We most heartily commend the excellent work in higher education which is being accomplished in the Church through the Board of Education, which now directs and supports the Mission Schools among the mountaineers of the South, a work certainly worthy of the liberality of our people. In addition the Board is striving to aid our Methodist Colleges, Universities and secondary schools to meet the ever increasing financial burdens incident to maintaining the higher degree of educational efficiency demanded by modern conditions.

We recommend that Children's Day be observed and a collection taken in every Charge according to the Discipline. We also recommend the plan of unifying the public educational collection and directing 80

per cent to the local Institutions and 20 per cent to the Board of Education should remain effective. And we recommend that the 80 per cent under the direction of this Conference be distributed among the three local institutions on the same basis as formerly, the minimum apportionment for the ensuing year being fixed at 15 cents per member as formerly.

II.

Willamette University

We rejoice in the completion of the half-million dollar Endowment Campaign, so that now Willamette University enjoys the unique position of being the best endowed Christian College in the Pacific Northwest. The attendance in the Liberal Arts department has had a fine increase every year for the last four years and the prospect for next year is flattering. A delightful Christian atmosphere prevails among the students and they are very active in Christian work. The Faculty is composed of Christian men and women of splendid ability, who take a vital interest in the Christian development of the students. Willamette University possesses every facility for educating our Methodist young people and we urge our people to send their sons and daughters where they will receive earnest Christian training as well as intellectual inspiration and development. For Trustees of Willamette University

Term to expire in 1914—M. H. Marvin.
1915—F. B. Short.
1916—Paul Little.

As visitors we nominate W. B. Young, Nathan Evans and Walter L. Airheart.

III.

Kimball College of Theology

The friends of this institution will be pleased to know that it has enjoyed a prosperous year under the able leadership of Dean H. D. Kimball, an honored member of this Conference. Deep in spirtuality, higher ideals of Christian character, broadened views of responsibility and needed equipment of the minister are among the evidences of student growth and the uplifting influence of the instructions given.

We nominate Rev. M. H. Marvin and S. Heath as Trustees, and as visitors William DeWeese and C. D. Rarey.

IV.

University of Puget Sound

We rejoice in the excellent work being done in the University of Puget Sound, and we renew our allegience to the school. We recognize in the courses of study a strong and well balanced curriculum offering to the young people of our communities rare opportunities for Christian culture.

The past year has been marked by a deep spiritual life among the students. For ten days there were conducted by a member of this Conference special services which were exceeding helpful. From the Student Volunteer Band we have today six members in South America, three in China, two in Japan, one in the Philippine Islands and two among the foreigners in San Francisco. Four of our young men

during the last year have won scholarships for advanced work in Harvard, Cornell and the University of Chicago.

We believe the faculty to be the equal in ability, preparation and efficiency to that of any school of higher education in the Northwest. We have confidence in their Christian character and we feel that we can trust our young people to their care.

We are highly pleased with the loyalty and service of our Board endowment and pledge our co-operation to their agents.

We recognize in J. C. Zeller, the President, a strong and well equipped leader and commend him for his high ideals, and most excellent service dominated by his manly Christian character.

We make the following nomination as Trustees:

Term to expire 1914—U. F. Hawk and Logan H. Roberts.
1915—Rev. Andrew Warner and D. H. Cox.
1916—Rev. H. O. Perry and Fred Kemp.

As Provisional Trustees: Rev H. C. Kohr, Zachary Stewert, Rev. B. E. Koontz and A. V. Bradrick.

As Visitors: Rev. N. M. Jones, Rev. H. J. Wood and Rev. W. H. H. Forsythe.

V.

Conference Board of Education

Complying with paragraph 452 of the Discipline we submit for your approval the following nomination for the Conference Board of Education:

Coeur d'Alene District—Rev. G. A. Wells and H. E. Burnett.
Columbia District—Rev. H. C. Kohr and C. W. Jarvis, Jr.
Spokane District—Rev. Walter L. Airheart and Robert Hanke.
The Dalles District—Rev. H. J. Wood and J. L. Hughes.
Walla Walla District—Rev. Paul Little and Hugh Martin.

We heartily welcome to our pulpits the representatives of these institutions and pledge them our loyal support.

Respectfully submitted,
N. M. JONES, Chairman.
PAUL LITTLE, Secretary.

Obituaries

ANNA M. PORTER

Anna M. Murphy was born at Elm Springs, Arkansas, on Sept. 3, 1860, and died in Portland, Oregon, April 26, 1913, aged 52 years 7 mo. and 23 days. At the age of 6 months, owing to the stormy political situation, her parents removed from Arkansas to Springfield, Missouri. where they remained during the civil war. Her mother died in Springfield when Anna was but 3 years of age, at which place she remained until 25 years of age, at which time she was married to Rev. Charles H. Porter, now a superannuated member of the Columbia River Conference, on the 10th day of January, 1886. She was brightly converted at the age of 16, but owing to the wild environments of her home, she lost her experience, but was reclaimed during the early summer of 1885. Together with her husband she entered upon the duties of a pastor's wife in the fall of 1888 and continued in that relation until her husband's broken health compelled them to give up the work. Together they served charges in Missouri, Texas, Oregon and Washington. To them were born four sons one only having survived her, Edwin J. Porter, now of Spokane, Wish., the other three having preceeded her to that happy land where Saints immortal dwell. They died in infancy and early childhood. As a pastor's wife she made many friends.

Her end was one of great peace and triumph. She witnessed daily for months to the power of Jesus to save. Her patience impressed all who saw her. While in the sanatorium at Salem she was active in work among the patients, exhortation and counsel and distributing tracts, writing home almost daily of her conscious knowledge of salvation. From the time she was brought home to die, February 9, last to a few minutes of the time when she breathed her last April 26th, she witnessed daily of her knowledge of acceptance and readiness to go. Much as she desired to mee the many loved ones gone before, her desire to see Him, her Savior, face to face far transcended her desire to meet her friends and kindred. On Friday night before her death on Saturday she opened her eyes and fastening them on her husband said, "Don't you never worry about my being saved, I am saved." At 9 o'clock the next morning she said in reply to her husbands inquiring if Jesus was with her, she nodded her head and said, "Yes, Jesus, Jesus, Jesus!" and just a few minutes before she breathed her last she fixed her eyes on her husband and gave the signal agreed upon that she saw in passing that all was well and closed her eyes, never to open them again. She requested that the old song, "I Would Not Live Always," also, "Then I Shall See Him Face to Face" be sung at her funeral and that the text; John 14:1-3 be used in preaching the funeral sermon.

Thus she rejoiced in eternal love of that home and we believe her now at rest.

REV. H. N. ROUNDS

Rev. Hezekiah N. Rounds was born in Corvalis, Ore., Nov. 16, 1885, and went home to be with God Oct. 27, 1912, age 56 years 11 months 11 days. His death resulted from injuries received a few days previous.

He was married to Miss Ocia Campbell of Astoria, Ore., in July 1895. Two sons, Wallace and Clifton, came to bless and brighten their home. They and their mother mourned with his two brothers, two sisters and many friends the unexpected death of our brother. They mourned not as those who have no hope, but showed strong faith in God in those hours of sorrow.

Rev Rounds was converted early in life, united with the Methodist Episcopal Church and received his call to the ministry when a young man. After selling his homestead, he entered Willamette University where he remained 10 years, completing both the college and theological courses. He commenced his ministry in 1894 in the Oregon Conference and served the following charges: University Park, Portland, 1 yr.; St. John, 1 yr.; Cornelius, 1 yr.; Junction City, 1 yr.; Medford, 1 yr.; Monroe, 2 yrs., and The Dalles, 2 yrs. In 1903 he transferred to the Columbia River Conference and served acceptably at Davenport, 3 yrs.; Sprague, 1 yr.; Lind, 1 yr.! Prosser, 1 yr., and Finley, 2 yrs. 2 mo.

His work in the ministry was blessed of God and his walk among men influenced many toward righteousness. His life was a benediction in the communities where he lived. His work truly follows him and his influence will live on. When he slipped out from us, we were reminded of the words of the poet:

When a good man dies, far beyond our keen;
The light of life falls across the path of men.

MRS. LOUISE CUYLER SPOOR

Mrs. Louise Cuyler Spoor was born in Canada July 4th, 1856. She became wife of William M. Spoor, a Methodist Minister and member of the North Dakota Conference, on December 27th, 1887. She and her husband labored in that Conference for the next thirteen years, when in 1900, they were transferred to the Columbia River Conference, where they continued their work of extending the Kingdom, until the death of her husband, when she and her son and daughter moved to Salem, Oregon, to take advantage of the educational advantages offered by the Willamette University.

In a short time her son, Charles, never rugged, and weakened by the shock of his father's death, sickened and died before his father had departed a year, thus doubly bereaving the widow and mother.

She rallied however, and was elected superintendent of the Methodist Old People's Home, which position she held acceptably until failing health made it necessary for her to resign, and she calmly waited the summons for her translation, which summons came on her birthday, July 4th, 1913.

In all that goes to make up a Christian life as near ideal as can be in this world, Sister Spoor was preeminent. She was interested

in all the activities of the Church, but especially the Woman's Home Missionary Society, which society received her loving care and consideration to the last.

The Columbia River Conference extends its deepest sympathy to Ruth, her only surviving child, and commends her to that Christ who was the friend of the father, mother and brother.

L. N. B. HENDERSON.

WILLIAM HENRY ZELLER

William Henry Zeller was born in Clarion, Pa., Feb. 17th, 1845, and died in his home in Walla Walla, Wash., May 31st, 1913, being 68 years 2 months and 14 days of age. All of the days of childhood were spent in the vicinity of his birth and all earlist recollections centered around the home in Pennsylvania. At 25 years of age he was married to Miss Frances Morgan and two little girls were born to them. Laura died when but two years of age, and when Maggie was eleven she was thrown from a horse and was killed. While yet in Pennsylvania he was licensed to preach and filled several points as a supply. In 1870 he removed to the then far west and entered the Kansas Conference on trial. One of his class mates was Rev. John LeCornu, so well known and so beloved in the Columbia River Conference. His first appointment was Wichita, and the first church was a very modest one. 1871 was spent at Meridian, and in 1872 was discontinued and returned to Pennsylvania, where he served as a local preacher. In 1879, with his family, he removed to Texas and entered the Austin Conference. His first appointment was Wichita Falls and in 1881 was received with full connection and appointed to Chico. In the fall of 1883 he was transferred to the Oregon Conference and stationed at Montesano, where he remained one year. In 1884, by division of the Conference, he fell into territory of the Puget Sound Conference and was stationed at Whitley. The succeeding appointments in the above Conference were Skagit and Blain, each one year. In 1887 he transferred to the Idaho Conference and served Emmett, Shoshone, Enterprise, Weiser and Canyon City. In 1892 he took the Supernumerary relation but in 1894 was again made effective, serving Willow Creek one year. In 1895 he was transferred to Columbia River Conference and served one year the Joseph charge and again took Supernumerary relation until 1898. He was then made effective and served one year each, Endicott, Kennewick, Patha, Adams and Walla Walla. Being in very poor health he took the Supernumerary relation and in 1909 retired. After the death of his first wife he married Miss Kate Burleigh and to them three children were born. One little boy died in infancy and the other two, with their mother remain to mourn the loss of father and husband. Bro Zeller was sick almost two years, but through it all he felt the nearness of his Lord, and his faith never wavered. He was a good gospel preacher and was always ready to give account of his stewardship. Faithfulness was a cherished virtue with him and upon his departure, he said his pastor, I have tried to serve as becometh a disciple of Christ. His itinerant traveling is done, his labor ended and he is crowned.

JOHN F. ROBINSON.

GRACE BURRELL KOHR

Grace Burrell Kohr was born January 29, 1882, at Dundee, Ohio. She was converted in early youth, united with the Methodist Episcopal Church and at once assumed active church work. After her graduation from the High School she was engaged in teaching and attending school at the University of Wooster, Wooster, Ohio.

On August 1, 1907, she was united in marriage to Rev. H. C. Kohr at Madison, New Jersey, by Dr. Henry A. Buttz, President of Drew Theological Seminary, where her husband had graduated the previous spring. After the expiration of about a month she came as a bride to the 34th session of the Columbia River Conference, arriving in Spokane, with her husband, Sept. 4, 1907, the opening morning of the Conference. At the close of the Conference Mr. and Mrs. Kohr were stationed at Garfield and during the three years of their pastorate there she was actively engaged in every phase of church work and a teacher in the Sunday School all that time. During those three years she did not miss a service of the Sunday School, League or Church unless out of town.

Efficient as were her services outside the home, here was her sphere. Her home was her joy and pride; here she presided as a queen, and to all who came and went, her home distinctive for cleanliness, orderliness and good taste were an inspiration to higher ideals of living.

During the last two years she did not enjoy good health and was not able to follow her former active life. On Sept. 22, 1912, she was taken seriously ill and after a heroic struggle for life, on Saturday, Sept. 28, at 5 o'clock in the morning, God called her home. The funeral services were held in Cheney, conducted by Dr. U. F. Hawk of Spokane. The body was taken to her old home in Ohio, where another service was conducted by Rev. James F. Hoffman of Bridgeport, Ohio.

We miss you, dear sister. You are missed in our Conference session. You are missed by your darling little baby boy. But in some glad day we hope to meet you in our Father's home on High.

ULYSSES F. HAWK.

REPORT OF THE COMMITTEE ON EPISCOPAL FUND

The Committee on Episcopal Fund finds that the amount raised this year from the Columbia River Conference is $1,693, or $240 less than the apportionment. We recommend that this claim be presented early in the Conference year, and this apportionment be forwarded immediately to the Treasurer.

J. D. BIRD.

REPORT OF COMMITTEE ON RESOLUTIONS

Whereas, We, the members of the Columbia River Conference, have been permitted to once more assemble in our annual Conference session under such favorable circumstances, therefore, with gratitude in our hearts toward God, as the giver of all good, be it resolved that we express our heartfelt thanks to Andrew Warner, Supt. of the Walla Walla District; Dr. J. F. Robinson, Pastor of this Church; J. S. Bell, Pastor of Wilber Memorial, and all their kind people for their painstaking hospitality to us during our stay among them; to the press for their faithful reports of the Conference work; to the Y. M. C. A. for the use of their splendid plant, and to the banks and railroads for their courtesies and to all others who have contributed to our comfort and pleasure while here.

Resolved, Second, That we hold in high esteem our honored Bishop. R. J. Cooke, D. D., L. L. D., that we express our high appreciation of his spiritual and inspiring sermon, his practical address to young men, for Elder's orders and the brotherly and business like manner in which he has presided over this body. We also extend our hearty thanks to Doctor Henry Ostrom for his inspirational spiritual addresses at the morning and afternoon devotional, to our Secretaries, Treasurer and Assistants, Board of Stewards, and our Postmaster, Lyle Robinson, for faithful and pains taking work.

Respectfully submitted,

A. A. CALLENDER,
WILLIS A. LUCE.

REPORT OF CONFERENCE SUNDAY SCHOOL BOARD

We, your Conference Sunday School Board, beg to make the following report:

We find that within the bounds of our Conference there are now 234 Sunday Schools under our control. These schools have a total enrollment of 23,734. We rejoice in the fact that the year has seen 1,234 conversions in our Sunday Schools. Our schools have contributed to the expenses of the Board of Sunday Schools the sum of $1,052.

We heartily endorse the class of work done by our Conference Sunday School Supt. Bro. T. H. Fertig, and consider that the results of his educational campaign are very apparent in the increased efficiency of our schools, as is shown by the fact that in spite of a decrease in the total enrollment of 524 the average attendance shows an increase, due to better organization, of 854.

EPWORTH LEAGUE REPORT

The Epworth League within the bounds of our Conference needs greater attention than has been paid to it. While in some places it is doing efficient work, in other places it is a League in name and not in fact. It fails to grip the life of young people and train them to be loyal, spiritual Methodist young folk.

We commend the work being done by the Institutes as a solution of the difficulties which confront us.

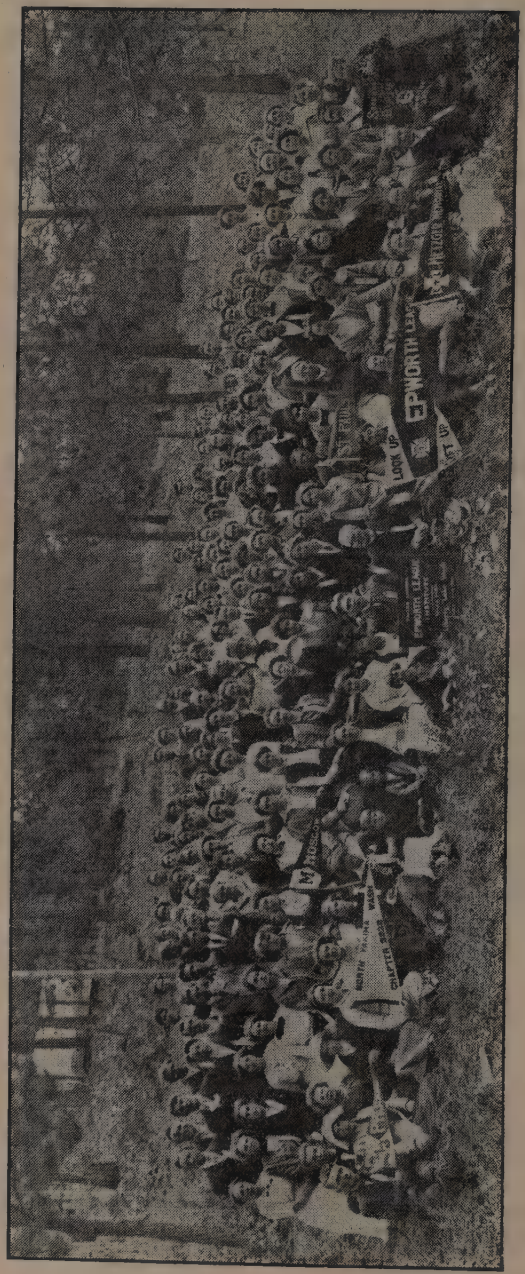

The Liberty Lake Institute, under the supervision of the Central Office, has had a remarkable growth. Beginning with a registration of 125 in 1911, it had 186 in 1912 and 255 in 1913. A very significant feature of the institute work has been the number of young people who decided to undertake Christian work. In 1911 there were seven, in 1912 there were four and in 1913 there were 24.

During the past year beside the Institute at Liberty Lake there was held a very successful institute at Lake Chelan, with an enrollment of 146. At this institute several were converted and seven decided for special Christian work. Besides these Institutes Distric and Sub-District Conventions were held with good results. Many Bible and Mission study classes have been conducted. Money has been contributed to assist the local churches, support the Deaconess Hospital and Home and Foreign Missions.

We urge every League to send one or more delegates to attend our Institutes. We recommend the "Parish Abroad" plan and urge our Leagues to assist when possible in this field of labor. We regret the small number of Junior Leagues throughout the Conference and recommend their organization.

Respectfully submitted,

CHAS. W. MONSON, Sec.
M. J. PERDUE,

Epworth League Institute, Liberty Lake 1913

GEORGE WATTERS' (INDIAN) TESTIMONY

Bishop, and the Conference. I am glad that I am here with you in this, our Annual Conference. Many of you don't know me, who I am, and now I am going to show you who I am. I am full blood North American Indian and I had been educated by Rev. J. H. Wilbur in 1859, and he teach me about Jesus Christ, who came down from heaven to save poor sinners like me, and then I had been converted and joined in Church in 1862, and I praise the Lord, he had saved me. And after that, in five or six years, he gave me license to preach, some time before that, he used to put his hand on my head and say, I want you to be a good boy and I want you to be a preacher, I get ashamed, because I don't know nothing but still he had prayed to God for me to be a preacher, his prayer has been answered and I became a preacher and he take me to Oregon Conference and there the Bishop Janes he Ordained me in August 11th, 1871.

When Bishop Janes put his hands on my head and prayed and today I feel as if his hands are on my head yet. O, wonderful the Lord has saved me, and told me, go and preach the gospel and so I did. I am telling my people that Christ Jesus came down from heaven to save poor sinners like we are, and now, my people are standing behind me, 460 men and women who have been joined in Brotherhood of North American Indians, and ready to fight against—Saloon. And I am telling to my people we want to be clean inside and outside, Christian men and women not to smoke tobacco or play cards, no! and so we are, I an my wife she always likes to come to attend our Colffumbia River Conference, but this time my wife she did not come, the reason, our short expenses, so she told me, you go! and I stay, and you bring me some good news and so I am here, enjoying myself with you brothers and I ask you all, I need your prayers for me, that I may be faithful until death come, and I thank you for your attention.

I am yours,

GEORGE WATERS, Toppenish, Washington.

Minutes of the Laymen's Association

WALLA WALLA WASHINGTON, SEPTEMBER 6, 1913

In the absence of the President meeting called to order by John Sarginson.

Hymn, "A Charge to Keep I Have," was sung, and R. F. Hanke engaged in prayer.

Floyd L. Daggett was elected Chairman. Minutes of the meeting at Ellensburg were read and approved. Treasurer reported the Assessment of Fifty Dollars of the Home Mission Council on the Columbia River Conference of the Methodist Episcopal Church for Neglected Fields Survey had been paid.

R. F. Hanke, President of the Deaconess Hospital and Old People's Home, Spokane, addressed the meeting and reported the institutions in a flourishing condition. He estimated the property worth more than One Hundred Thousand Dollars and no mortgage except balances on purchases of new sites. Current indebtedness had been reduced from Seven Thousand Dollars to Four Thousand Five Hunderd Dollars.

The following Resolutions were adopted by rising vote:

1. That this Association, having listened with much pleasure and profit to the report of our Deaconess work, congratulate them on their success.

2. That we endorse the re-incorporation of the Institution.

3. That we re-adopt the slogan, Ten Thousand Dollars this Conference year for the Deaconess work, and we again pledge ourselves to assist the Field Agent in raising this amount.

4. That we recommend during the year the holding of Laymen's meetings and banquets to plan for up-building and endowment, these meetings to be held in every District and at them perfect the Association by creating enthusiasm for the cause.

5. That we ask for a Laymen's Day, the Executive Committee to make arrangements to assist the Pastors in presenting the claims of the Institution.

Rev. J. C. Zellar, D. D., President of the University of Puget Sound, delivered an address on the Educational Interests of Our Church, and predicted a great future and teeming millions on the shores of Puget Sound when the Panama Canal is opened. He asked for the prayers and co-operation of the Methodists of the Columbia River Conference in raising the quarter of a million dollar endowment for the University of Puget Sound.

Hon. John Wallace of Olympia spoke on social subjects pertaining to the welfare of the Church and the community.

Floyd L. Daggett presented a paper on the Moral Phase of the Workmen's Compensation Law.

It was resolved that the paper be sent to the Pacific Christian Advocate with a request for its publication.

Regret was expressed that no provision had been made on the program for a joint session of the Conference and the Association and it was agreed that the Chairman appoint a committee, in addition to himself and the Secretary, to wait on the Conference and express greetings and ask for the assistance of the ministers in the interests of the Deaconess Association.

The Chairman appointed R. F. Hanke, Spokane; L. J. Campbell, Walla Walla, and L. F. Rosser, North Yakima.

Officers elected for the Conference Year 1913-1914:
Floyd L. Daggett, President.
John Sarginson, Secretary-Treasurer.
R. F. Hanke, Vice President, Spokane District.
L. J. Campbell, Vice President, Walla Walla District.
John Young, Vice President, Coeur d'Alene District.
L. F. Rosser, Vice President, The Dalles District.

Foreword

The following pages contain the Journal of the Forty-first Session of the Columbia River Annual Conference. I hope that it may meet with the approval of all who have occasion to use it, and I hereby request the co-operation of all who are interested in making the Journal of this Conference as complete as any in our Church. If any into whose hands this volume may come will be good enough to write me offering any suggestions, I am sure that they will be of value in the future, and will be gladly received by me.

The highest praise is due Assistants, J. O. Johnson, Walter L. Airheart, John Law, E. H. Longbrake, and A. A. Callander for their diligence and care in compiling the Journal, and their assistance in prepairng the same for publication. Credit is also due those who so promptly paid their share of the Minute Fund, and we hope that all who have not yet done so will recognize the fact that no brother aught to attempt to escape his just obligation, and act accordingly.

In conclusion, I assure you that we have done everything we could to make this volume an accurate source of information, and ask the indulgence of our readers for anything contained herein that may not meet with their approval.

Paul Little

Secretary,
Waitsburg, Washington.

RULES OF ORDER

I. The Conference shall open its session at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services, under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless, for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.

VI. No person shall speak more than twice on the same question, nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. On the first day of the session, each preacher who has been in charge shall submit his statistical and financial reports.

The publication of reports handed in later than the second day is not required, unless so ordered by the Conference.

VIII. The Secretary shall keep a journal of the proceedings, and, when approved and printed, the minutes shall be the official record of the Conference. He shall take charge of the journals and all other Conference papers, preserve them with care, suffer no person to take a copy of any papers, except with consent of Conference, and bring or send them to the place of the Conference session.

IX. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

X. The Board of Conference Stewards shall report upon an apportionment to the Conference for the Conference Claimants' Fund, giving the basis on which this shall be apportioned to the districts in charges.

XI. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

XII. No person shall be admitted on trial in the Conference, who is past thirty-five years of age.

XIII. No person shall be admitted on trial who can not furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

XIV. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

XV. The District Superintendents shall constitute the committee for making the Missionary Appropriations, with the approval of the Bishop presiding. They shall nominate the Standing Committees, and cause the list to be published in the PACIFIC CHRISTIAN ADVOCATE at least one month before the Conference convenes.

XVI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the district, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XVII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.

XVIII. At each session of Conference, a publisher shall be elected to publish the minutes of the next session, who shall be authorized to make arrangements and enter into a contract for the publication in advance of the sessions. He shall also be authorized to make provisions by assessment or otherwise, for meeting this expense and all other expenses incident to conference work.

XIX. The Board of Stewards shall consist of ten members, each of whom shall serve five years—two being appointed at each session of the Conference on recommendation of the Board. The Board shall organize by appointment of a President, Secretary and Treasurer, whose names shall be published, and who shall serve one year.

XX. All candidates for recognition of orders shall, unless excused by vote of the Conference, be examined in the same manner as candidates for ordination, and the Committee on Conference Relations shall inquire into the character and fitness for the traveling connection of each candidate for admission on trial, for re-admission into full connection, or for re-admission into the Conference. The same Committee shall report on supernumerary preachers, who desire to remain in that relation.

XXI. Each District Superintendent at the close of his term shall prepare a report of his district, not to exceed one thousand words, for publication in the minutes.

XXII. The Stewards are authorized to take annually from the pro rata due the claimants from the Book Concern a sum according to their discretion, not to exceed 25 per cent of their indebtedness to the Book Concern, until it shall be paid in full.

XXIII. It shall require two-thirds of those present and voting to change or suspend any of these rules.

XXIV. Memorial Service shall be held on the first day of the Conference session each year, immediately following the administration of the sacrament of the Lord's Supper. At each session of the Conference a standing committee on memoirs shall be appointed by the Bishop, to be in charge of the Memorial Service at the succeeding Conference session. The chairman of this committee shall be responsible for the preparation of a brief memoir of each member of the Conference, or wife of a member of Conference, deceased during the year, which memoir shall be read at the Memorial Service. At each session the Bishop shall appoint a member of the Conference to prepare a suitable Memorial Address of not more than fifteen minutes in length, to be delivered at the Memorial Service of the following session.

XXV. All members of the Conference in the effective relation, and all ministers who are changing their relation to effective, and taking appointments, all superannuates, all preachers on trial, all candidates for admission or trial, and all supplies, who attend the session of the Columbia River Annual Conference must file with the Secretary on or before noon of the second day of the session a statement showing the name of the person, the name of the charge from which

he came, the fare paid each railroad, stage or other conveyance in coming to the seat of the Annual Conference, on a blank provided for that purpose.

The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay to the Secretary an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the Secretary shall pay to those who have paid more than the average fare an amount equal to twice the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the Conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

XXVI. The Conference shall consider in executive session all personal matters regarding the character of its members, or the character of any who are proposed for membership.

XXVII. Roberts' Rules of Order shall be the standard of parliamentary usage.

XXVIII. The Conference Deaconess Board shall nominate the Trustees for the Maria Beard Deaconess Association of the Methodist Episcopal Church.

Whereas, The year just closed has been one of richly crowned labors, including the conversion of hundreds of souls, and,

Whereas, the session has been one unsurpassed in brotherly love, and seldom equalled in illuminating and inspiring addresses, therefore,

Resolved, That we hereby express our appreciation of the faithful and untiring efforts of our host, J. W. Caughlan, in providing for the comfort and convenience of the members of the Conference, and also to his cogregation for so hospitably opening their homes to us, and to the pastors and members of other churches for opening their churches and homes for our use and entertainment.

Resolved, That we tender our thanks to President Bryan of the Washington State College, and to the Mayor of the City for their words of welcome, and to the friends of the city for the use of their automobiles in the sight-seeing trip.

To our General Secretaries, Drs. Ward Platt, J. A. Mulfinger, H. J. Coker, P. J. Maveety, also to our Book Agent, Dr. John H. Race, and Editor R. H. Hughes, for their helpful addresses.

To the Secretary of the Bureau of Labor, H. L. Hughes; and Supt. L. R. Horton of the Anti-Saloon League, for their excellent services, and to our beloved Governor, Hon. Ernest Lister, whom we thank for his presence and address, and endorse not only as a statesman, but also as a Christian gentleman.

Resolved, That we submit to the Laymen our congratulations for their successful Conference, and our thanks for the banquet and addresses prepared for our entertainment.

That we will long remember the presence and spirit-filled addresses of Dean L. J. Birney of the Boston School of Theology, and that we hereby tender our thanks not only to Dean Birney, but also to Bishop J. W. Robinson for his masterful address on India and her needs.

Resolved, also, That as a Conference, we express our sympathy for our beloved Presiding Bishop, R. J. Cooke, in his late bereavement, praying God to sustain him with never-failing grace.

That we have thoroughly enjoyed the brotherly spirit that has characterized his administration, and his truly wonderful sermon, in which we were shown by the Life of Jesus, the sympathy of God for all.

In conclusion, we are not unmindful of the services of our Conference Secretaries, Treasurers, and all other servants of the Conference who have rendered such faithful service, and to whom we tender our thanks, as well as to the railroads for their unfailing courtesy, and to all others who in any way have contributed to the success of the Conference session.

REPORT OF THE BOARD OF STEWARDS

We record our appreciation of the increased amounts placed in our hands this year for distribution to our claimants: a draft from the Book Concern, four hundred dollars larger than ever before; an increased amount from the Board of Conference Claimants, a dividend of eighty dollars from our own Columbia River Conference Claimants' Endowment Association, and receipts from Conference collections one hundred and eighty dollars in excess of last year.

But the increasing demands upon this fund, the dire need of many necessitous cases which it has been impossible adequately to provide for, the sacred rights of helpless ones who have no other support, deepens our sense of the unescapable obligation of the Conference to immediately advance toward our full responsibility.

To this end we hail with delight the plan to raise the Conference

Endowment Fund to one hundred thousand dollars, and we recommend that the Conference immediately push forward to that goal.

We recommend the following apportionment to the charges for the ensuing year: To charges paying nine hundred dollars or less, an amount equal to two and one-half per cent of pastor's cash salary; charges paying from one thousand to fourteen hundred dollars salary, three and one-half per cent; charges paying fifteen hundred dollars and above, five per cent.

We would also remind the pastors and the charges that there is no honorable escape from the pro rata division of ministerial support required by the Discipline.

A. MONROE,
Secretary Board of Stewards.

REPORT OF COMMITTEE ON EDUCATION

Your Committee on Education begs to submit the following report:

Methodism has always regarded mental culture as second only to spiritual experience. She has not changed front, but is more careful than ever in equipping her people with a thorough education. We, therefore, present our institutions.

1.

Board of Education

We recognize the excellent work that is being done in higher education, through the direction of the Board of Education.

We recommend that Children's Day be observed, and a collection taken in every charge in accordance with the directions of the Discipline. We also recommend that one public educational collection, as ordered by the General Conference of 1912, be taken. Eighty per cent of this collection in each Annual Conference goes to the maintenance of the local institutions; the remaining 20 per cent goes to the Board of Education, for its Aid of Institutions Fund.

We further recommend that 20 per cent of the remainder go to the Kimball School of Theology, and the balance to the College of Puget Sound.

2.

Willamette University

The University is about to begin another year of educational activity, with Dr. G. H. Alden, Dean.

October 1st, 1913, E. H. Todd, D.D., who was Vice President of Willamette University, resigned to accept the Presidency of the College of Puget Sound. At the close of the school year, President Fletcher Homan tendered his resignation, having completed a great financial campaign in which Willamette University was placed on a solid financial basis. Backed by a half million dollars of endowment, the University is forging ahead in equipment and adding new members to its faculty, and the outlook for this coming year is indeed very gratifying.

For Trustees we nominate the following:

Term to expire 1915—F. B. Short.

Term to expire 1916—Paul Little.

Term to expire 1917—W. H. Selleck.

As Visitors we nominate: R. D. Snyder, W. B. Young, and Chas. MacCaughey.

3.

Kimball School of Theology

This is the only institution in the Northwest under the patronage of the Methodist Episcopal Church, devoted to the training of young men for the ministry. It was founded by the Rev. H. D. Kimball, D.D., LL.D., and his devoted wife. To the work of this school Dr. Kimball has given eight years of service without compensation. He has now reached the place where he feels that he must retire, and let others bear the burden, and accordingly he has resigned from the Presidency.

Therefore, be it Resolved: That we express our high regard for Dr. and Mrs. Kimball, who have brought us this School of the Prophets. We assure them of our confidence and prayers, and trust that they may see the continued success of their labors.

To the Presidency has come the Rev. J. H. Talbott, of the Indiana Conference, a graduate of DePauw University, from which he received his Master's Degree, and in 1891 the Degree of Doctor of Divinity. Last June the University of Denver conferred on him a similar honor. He comes with a deep sense of his responsibility, and believes that in coming to us he is Divinely led. We welcome him, and pray God's blessing on him and his work.

We nominate the following Trustees: S. Heath and Rev. J. K. Cecil. As Conference Visitors, we recommend Rev. H. J. Wood, Rev. E. H. Longbraek, and Joseph O. Johnson.

4.

THE COLLEGE OF PUGET SOUND

The College of Puget Sound presents an educational opportunity to the Methodism of the State of Washington. The stress of debt and discouragement has been relieved. Provision for the immediate future is made. The endowment campaign for $250,000 promises well. The College is now organized in harmony with present day standards to do college preparatory work in the academy, and regular college work. The Department of Education is accredited in its normal work—as are the Academy and the College—and its opportunity for training teachers for the grades is equal to the best. This department will have for its head R. T. Holland, a member of this Conference. We bespeak for him success in his new field.

Edward Howard Todd, M.S.D.D., elected President last September, is proving himself the right man for the place. Dr. Todd is a Western man, with a clear insight into Western conditions and life. With a large vision and a splendid program he is leading the citizens of Tacoma and the Methodists of the state in a great campaign for this school.

5.

Endowment

More than two years ago Mr. James J. Hill offered to give $50,000 on endowment to the College of Puget Sound, on condition that $200,000 more be raised in cash by October 1, 1914. In twenty-five days the President must report to Mr. Hill. There is about $125,000

yet to be provided. Under existing conditions it will be next to the impossible for the conditions to be met. Your Committee on Education recommend:

First, that the Columbia River Conference request Mr. Hill to extend the time, assuring him of our loyal and hearty support to the school.

Second, that this Conference join with the Puget Sound Conference in asking the General Board of Education in New York to consider favorably the College of Puget Sound as a beneficiary.

Third, that we request our own Board of Education to continue its financial support of the institution.

We nominate the following as Conference Visitors: N. M. Jones, C. A. Hodshire, and W. F. Ineson.

6.

Public and Higher Education

We are pleased with the great interest manifested by the State in education, and the advancement being made. But, with all true educators, we frankly acknowledge that the great weakness of our present system is in regard to the moral and spiritual attainments of many of our students. We therefore recommend that in every honorable way we insist that the teachers in our public schools, and the heads and professors in our State educational institutions, be men and women of positive religious life.

We recommend that this Conference petition our Board of Education to furnish the Church, at the earliest possible moment, the facts in regard to the number of Methodist young people in State institutions of higher learning, and in regard to what is being done for them in the way of religious instruction and pastoral care.

We recommend that the pastors of our Churches at the seat of location of the five State educational institutions within the bounds of our Conference, meet as soon as possible after the opening of the schools to consider the needs of our Conference situation.

We recommend that all pastors send the names of any students from their community attending State institutions to the pastor at that locality.

H. C. KOHR.

METHODIST BROTHERHOOD

One of the cheering things that has in it a note of Christian triumph, is the returning interest that men are taking in the Church of Christ our Lord. Christ was the most vigorous, manly spirit that ever trod our earth and should have all that is masculine under His control.

The Church can never achieve the great work to which she is called, namely, to take the world for God, until the noblest manhood that constitutes this age of brawn of flesh and might of thought is brought into loving and enthusiastic obedience to Christ.

The Methodist Episcopal Church should line up her men for the critical hour that is just before us, and is even now at hand. Out of the boil and heave that is everywhere so widespread, and in some parts of the earth is a belching volcano, we need the utmost manhood that the Church affords marshalled for the overthrow of all evil and the extension of all that belongs to God.

The Methodist Brotherhood ought to be a tremendous factor in

every church to win men to Christ and to the service of mankind. We recommend to the Churches of Columbia River Conference that, wherever it can be consistently done, Brotherhoods be organized and set to work with a whole-hearted service for the greatest good.

For the Committee,
W. F. INESON.

REPORT OF THE BOARD OF SUNDAY SCHOOLS

Your Sunday School Board desires to submit the following report: There are within the bounds of our Conference at the present time 238 Sunday Schools under the control of our Church. These schools have enrolled in their classes a great army numbering 30,816 students, a net gain of 7,000 over last year, a condition which affords us great gratification, and, we believe, is indicative of the increasing interest throughout our Conference in this, the greatest branch of our Church.

We express our hearty approval of the work done in the five Institutes held in our Conference during the past year, under the auspices of the General Board, and heartily endorse the beginning made in Group Institutes by the Wenatchee District. We urge the other Districts to at once take up the matter of holding similar Group Insitutes wherever and whenever practicable.

We deplore the meager contribution made this year by this Conference to our General Board, the entire sum being only $808, whereas it cost the Board about $2,000 to maintain our work during the year. We urge that the second Sunday of October be observed as Rally Day, that our schools use the official program, the "Bugle Call," and that an offering be taken on that occasion for the Sunday School Board. We recommend that each pastor preach on the subject of Sunday Schools on the first Sunday of October.

We commend in the highest terms the work of our Conference Superintendent, Wm. E. Thompson, who, with indefatiguable energy, has traveled the vast territory embraced by our Conference. During the year he has organized thirty new schools, from which have grown five churches, one of which has erected a commodious building for religious purposes. We hereby solicit for our Superintendent, the heartiest co-operation of our pastors and people, in his program of organization and standardization for the coming year. We urge his reappointment.

We recommend that the pastors instruct the Secretaries of their Sunday School Boards, to remit to the Secretary of the Conference Sunday School Board, on the 10th day of August, a report, answering the following questions:

(1) Is your Sunday School up to the standard required by the Discipline, page 463, paragraph 3? If not, in what particular is it below standard?

(2) What is your total enrollment? Net loss or gain, and reason for same?

(3) How many of your students have been converted during the year

(4) Have you met your apportionment for the expenses of the General Board?

Finally, we pray that our God may come upon us as a Spirit of diligence and wisdom, in all our work in connection with our Sunday Schools, in order that the lambs of Christ may be fed.

CHARLES MACCAUGHEY.

STATE OF THE CHURCH

While encouraging reports come to us from many places, of the faithful efficiency of our people who are led from victory to victory by faithful and true prophets of God, and we rejoice in the tidings of splendid revivals in many places the results of which are being conserved by a faithful employment of the social means of grace, we are, nevertheless, pained to note some conditions among many of our Churches which call for the most prayerful consideration and earnest effort to correct.

We learn with regret that in a few of our Churches, the mid-week prayer meeting is in decay, and that in but comparatively few is the attendance at this most important service all that it should be, and that in very few of our Churches the class meeting is observed. Sabbath excursions, picnics, picture shows, ball games, and the pernicious Sunday newspaper attract great numbers, while too often the Church is neglected or forgotten. In some quarters there seems to be a drifting away from the old land-marks of truth and a loss of the note of divine victory in the experiences of our people.

We believe that the solution of many of the problems of our work will be found in placing more emphasis on certain things which are of vital importance to the prosperity of Zion and the salvation of the people.

To this end we call upon all our ministers to most earnestly declare our faith in the Holy Scriptures as the revealed word of God, and to meet in a most decided manner all attacks of skepticism and unbelief under whatever name they may appear, always remembering that the best scholarship increasingly accord to the Bible divine inspiration and historical credibility, and that the preaching of doubts resulting from immature thinking is always pernicious in its effect upon both preacher and people. We wish to declare anew, our faith in the virgin birth and deity of Jesus, and the necessity and efficacy of the atonement for sin. We will not shun to declare the whole counsel of God, and we regard as particularly important the presentation in a sane, sensible manner, the Wesleyan and scriptural doctrine of holiness.

We deem it the duty of our ministers, to wisely and carefully inform our people as to the real nature of various "isms" that have sprung up here and there, claiming to be the only true way of salvation, but which are, in many cases, the outgrowth of disgruntled feelings or disordered mind.

We think that greater care should be exercised in receiving members into our Churches, to the end that our people may be well instructed and live in a genuine experience of real and full salvation.

We call upon all our ministers and people to most earnestly pray that the spirit of the Most High God may inspire and direct us during the coming year, to His glory and the salvation of many souls.

TEMPERANCE

"Temperance" ordinarily means, "A right use of helpful things, and absolute abstnance from hurtful things"; but in Idaho, Oregon, and Washington, this fall, it has but one meaning: "The destruction of the liquor traffic.

Our people are appalled at the reports of savagery on European battlefields, where not only non-combatants, but helpless women and children have been killed without mercy; but this monstrous traffic, "the sum of all villainies," not only kills unnumbered thousands of men every year, but transforms other thousands of kind, clean men into murderers, libertines, wifebeaters, and criminals of every sort; changes pure women into prostitutes; joyous children into hungry beggars; and happy homes into abodes of wretchedness. It is a menace without morals, a craven without a conscience, a demon that deals in death. As our Church has well said, "It cannot be licensed without sin."

To the thinking man, on this question there is no neutral ground. To the man who delights in the ruin of others, if only he may gain wealth, it would be logical that he should vote for a wet state. But when one claims to stand for right things, and the uplift of humanity, **and then votes wet**, he must be actuated by cruelty that is unspeakable, or else on this subject must be stark mad.

The liquor party proposes to live at any cost. They have supporters that are longheaded, unscrupulous, and skilled in crooked politics; they have millions of money; are intrenched in the business and social customs of these states; and every loyal wet voter can be relied upon to be at the polls, AND VOTE HIS PRINCIPLES.

The Temperance voters largely outnumber the liquor forces. They are working for civic righteousness in our commonwealth, and moral integrity for its citizens; they OUGHT to succeed. But confidence in our larger forces may defeat us. We must make even the indifferent man feel that it is not dry VOTERS, but dry BALLOTS that are counted in an election; and that the failure of a few dry voters in each voting precinct, to cast their ballots, may mean defeat.

Therefore, Resolved, That we, the members of the Columbia River Conference of the Methodist Episcopal Church, realizing that success for prohibition in these states depends, in a large measure, upon the zeal and activity of the Methodist pastors, pledge our best efforts to reach and interest every dry voter; set them after the doubtful ones, co-operate with the Women's Christian Temperance Union, support the Anti-Saloon League, and continue this battle until the polls are closed on the night of November 3rd, and may God Almighty direct us to victory.

REPORT OF THE CONFERENCE DEACONESS BOARD

The Conference Deaconess Board is pleased to report a year of splendid success in the Maria Beard Deaconess Association. Our hospital has, this year, paid all expenses, amounting to over $36,000, it has done $3000 of free work, applied about $4500 on old obligations, as well as installing some new and valuable equipment. All property

is fully insured. Our institutions enjoy the confidence and credit of all business concerns, and the hearty and sympathetic support of the physicians of the city.

We pray Almighty God to give us a larger vision and an earnest desire to upbuild this work on a scale that shall be in keeping with our need and opportunity, and we recommend that this Conference hereby pledge its unqualified support to the Deaconess Institutions, and endorse such institution as the definite, practical work of the Conference, and that we commend it to the laymen for the investment of their means.

The hospital is greatly cramped for room, the present capacity being only 50 beds, while there are often 75 patients, and many are turned away for lack of further accommodations. Expansion is absolutely necessary, and we therefore recommend that the Board of Trustees and the Conference Deaconess Board be authorized to proceed at once to create a building fund, and that the actual work of construction begin at any time that in their judgment it can be done successfully.

The white Christmas is the Christlike Christmas, and we recommend that every Sunday School in the Conference observe it, and that at least 25 cents per member be contributed to the Deaconess work at that time.

We recommend that no Deaconess be brought into the Conference for any work except through the Superintendent of the Deaconess Home.

The hospital staff, Mr. R. F. Hanke, President of the Board of Trustees; Miss Ethel Butts, Superintendent of the Hospital; Miss Alice Denno, Superintendent of the Old People's Home; and the Rev. Chas. MacCaughey, have been untiring in their efforts, and are deserving of the highest praise, and we recommend a rising vote of appreciation from this body.

The donations from churches turned in this year through the Field Secretary have amounted to about $6000, with nearly $2000 in good subscriptions not yet due, and we join with the Board of Trustees in recommending the reappointment of Rev. Chas. MacCaughey to his present work.

We certify that we have renewed the licenses of the following Deaconesses: Stella Alexander, Ethel Butts, Elizabeth Black, Edith Bird, Minnie Brown, Alice Denno, Dollie La Duke, Mary Stevenson, Alma Swanson, Daisy Whipple, and Frankie York.

On recommendation of the Vincent Quarterly Conference we have granted Bessie F. Daws a license as Deaconess in the Methodist Episcopal Church, and recommend that she be consecrated as a Deaconess at the next session of the Puget Sound Conference.

We recommend that Stella Alexander and Elizabeth Black be granted a year's leave of absence.

We certify that Daisy Whipple has been transferred to the Oregon Conference, and recommend that the license of Mary A. Curnick be left for future consideration by the Conference Deaconess Board.

For Trustees for the three years' term, we recommend B. E. Koontz, H. O. Perry, and Andrew Warner; the other years to remain

as per previous election.

The following shall be the Conference Deaconess Board: First year: W. H. H. Forsyth, W. S. Turner, Mrs. W. D. Ellis. Second year: J. O. Johnson, R. D. Snyder, Mrs. R. K. Keene. Third year: W. L. Airheart, John G. Law, Mrs. C. E. Gibson.

ON THE WOMAN'S FOREIGN MISSIONARY SOCIETY

Seated on the "Crystal throne" in the palace of Delhi, observing the progress of the trial of a rebel prince of India, after the close of the Sepoy rebellion, Dr. Butler, our first missionary to India, began to cast about in his mind for some plan to care for the widows and orphans of that unhappy heathen land.

Presently, like an inspiration straight from heaven's throne, came the thought: **the women of Methodism will take care of them**; and the Woman's Foreign Missionary Society of the Methodist Episcopal Church was born of that inspiration.

The magnificent work which it has done, is doing, and promises to continue to do, abundantly justifies the wisdom of those who founded it, and irresistibly appeals to us for our hearty and church-wide support. It has not only established itself in India, and China, and other pagan lands, but it has gone into "the eternal city," and is shedding the radiance of a pure gospel amid the spiritual gloom that surrounds the Vatican.

We are glad to report that the Society has had a prosperous year in the Columbia River Conference, under the careful guidance and wise supervision of the Corresponding Secretary, Mrs. Robert Brumblay, and we most heartily commend it to our people, and bespeak for it the most favorable consideration of our pastors, and increasingly liberal contributions from our churches.

REPORT OF THE COMMITTEE ON BIBLE

As to this "Book that made England great" we are profoundly impressed and deeply gratified to note its great increase in circulation. The American Bible Society, in 1913, circulated over 5,000,000 copies, an increase of 1,200,000 over the previous year, while the British House circulated 8,000,000. A total of 27,000,000 copies of the Scriptures were distributed last year in 534 languages.

In view of a renaissance in the Orient and an increasing demand for the Book everywhere, and in view of the fact that a Testament can be purchased for 3½ cents and placed in a Chinese home for 5 cents:

We recommend, First: That we continue to increase our support of the American Bible Society.

Second: That we endeavor to help place in all our schools this greatest text-book in literature, ethics, and sacred history.

H. T. ROBINSON,
Chairman.

COMMISSION ON FINANCES

Policy of the Conference Adopted at the Annual Conference, 1914

1. We approve the summons of our leaders for an advance of 10 per cent upon the present membership of our Churches during this year; and we renew our covenant to labor continuously and plan for its achievement. We call upon our laymen to do house-to-house, hand-to-hand work to bring the people of their communities to a decision to begin the Christian life.

2. We heartily endorse the new Financial Plan, and urge its adoption in every Church, that it may become the uniform system throughout the Conference for next year.

3. We recommend a complete educational campaign as to the methods and merits of the Plan in every Church during the next six months:

1. That the District Superintendents give instruction in and support to the Plan, to which all the officials shall be especially urged to come, and seek to make each set of officials thoroughly acquainted with it.

2. That the Charges in each District be grouped around some Church that has adopted the Plan, so as to utilize that as a centre for laymen's co-operation.

3. That a team of laymen be sent to Churches in their group to recommend and explain the Plan. These visits to be made on week-day evenings, or on Sunday afternoons.

4. We recommend that there be designated some particular day to be known as "The Field-Day of the Conference." Annually, upon that day, let the "Every-Member Canvass" be made in EVERY Church in the Conference.

5. We suggest that the following preparatory work be done:

1. That each Quarterly Conference adopt the Plan for this year, and commit the whole Charge to it.

2. That the Constituency list be made for each Church.

3. That the Budgets be estimated, the Subscription lists prepared, and the Supplies secured.

4. That the Canvassing Teams be selected and their training begun.

6. Immediately upon the opening of the Conference year let an educational campaign be put on in each Charge, continuing up to the Field Day, and by judicious advertising seek to awaken a community interest in the work of the Field Day.

MEMORIAL

The following "Memorial" was ordered printed and action to be taken at the next session of the Conference:

A Memorial From the Vermont Conference to the General Conference of the Methodist Episcopal Church in 1916, Relating to the Support of Conference Claimants

Whereas, Those Local Preachers who are used continuously as pastoral supplies have, according to the Discipline, no provision made for their temporal needs when their time of retirement arrives, and,

Whereas, Their claims, upon moral grounds, are as valid as the claims of members of an Annual Conference; therefore,

The Vermont Annual Conference memorializes the General Conference which is to be held in May, 1916, to add Sections Three and Four to paragraph 323 of the Discipline, which shall read as follows:

Section Three. Local Preachers who have served in the same Annual Conference as pastoral supplies for at least ten (10) consecutive years, may become beneficiaries of the Funds of the Conference when the said Annual Conference shall so vote; provided, that all moneys distributed to such beneficiaries shall be drawn exclusively from the income of such Permanent Funds as the said Annual Conference may have secured.

The names of all such beneficiaries shall appear in a list by themselves, whether retained by the Conference itself or forwarded to the General Confrence Board of Conference Claimants.

Section Four. The widows and dependent children of such Local Preachers as are specified in Section 3 may become beneficiaries of the same funds of the Annual Conference when the said Annual Conference shall so vote; and the same rules concerning the tabulation of names shall apply to widows and children as those relating to Local Preachers.

The Secretary of the Conference is herewith instructed to forward a copy of the Memorial relating to the support of Conference Claimants to the Secretaries of all the Annual Conferences, with the request that similar action be taken by all the Annual Conferences before the next session of the General Conference.

Adopted at Hardwick, Vt., April 24th, 1914.

F. W. LEWIS,
Secretary, Groton, Vt.

PRISON REFORM

Your Committee reports progress at Walla Walla. The removal of the stripes and lock step, and the enlargement of the library facilities, have proven to be a great benefit. The Bible class, conducted by the chaplain, is developing teachers. The teaching and preaching of the gospel of love and kindness has, as a part of its work, produced the honor class. Much credit is due Warden Drumm and Chaplain Sheafe.

M. R. BROWN, Chairman,
U. S. CROWDER.

EPWORTH LEAGUE

Whereas, Methodism is continually calling for consecrated youth with which to recruit its ministry and laity, and

Whereas, The youth more readily yields to Godliness and Christian service,

Be it resolved:

(1) That we recognize the Epworth League as the most effective auxiliary of the Church in leading our young people into the highest New Testament standards of life and in preparing them for religious activity.

(2) That we pledge ourselves to give the most prayerful attention to the organization.

(3) That we regret to note that forty-nine pastoral charges last year reported no Senior chapters and that one hundred and twenty-three pastoral charges reported no Junior Chapters.

(4) That we urge the necessity of both Senior and Junior chapters in every charge in the Conference.

(5) That we commend the work that has been done by the two Institutes within our Conference.

(6) We rejoice that the attendance at both the Liberty Lake and the Lake Chelan Institutes this year was a large increase over that of last year.

(7) And we thank God that in each Institute a number of young people were converted and that many others consecrated themselves to God anew for some definite Christian service.

CHAS. E. MILLER,
Chairman.

FREEDMEN'S AID SOCIETY

Your Committee on the Freedmen's Aid Society submit the following:

The work of the Freedmen's Aid Society during the past year has gone on with marked success. Students are coming in such large numbers to our schools that it is impossible to accommodate them.

Whereas, Our church is furnishing Christian training, through its 22 schools, and 400 teachers, to 7,000 pupils who are in attendance in the institutions of the Freedmen's Aid Society; therefore, be it

Resolved, That this Conference heartily endorses the work of the Society and requests each pastor to observe Lincoln Sunday, and that at least once during the year one address or sermon be delivered to each congregation in the interests of this cause.

U. C. SMOTHERS, Chairman.
THOMAS LAWSON, Secretary.

WOMEN'S HOME MISSIONARY SOCIETY

The Women's Home Missionary Society has become a great factor in the world's uplift and one of the noblest benevolent organizations of our church.

Their work in the South, in Alaska, among our own Indians, and

wherever the flag floats, is proving a great blessing. Their help in schools, orphanages and hospitals, and various other enterprises, must gladden the heart of our Lord. We commend these glorious women, who have raised nearly a million dollars during the last year to carry on their ever enlarging work.

Especially would we recognize the growing interest within our own Conference bounds. We convey to them our gratitude for the supplies amounting to $590.00 and $350.00, given to the District Superintendents to supplement the meagre salaries of our frontier brothers.

We urge every pastor to encourage the organization of an auxiliary on his charge and to open his pulpit to the accredited representative of this Society.

F. E. WHITE.

CHARITIES AND REFORMS

We hereby express our appreciation of the work done by the Children's Home Finding Associations of the three States in which our Conference does its work, and we will give support and encouragement to their agents as far as lies in our power.

We rejoice in the efforts being made by our legislatures to ameliorate the condition of labor—especially in the insistence upon a living wage and a reasonable number of hours for the day's work.

We will gladly co-operate as a Church and as individuals in all movements to purify the home and reduce the divorce evil, and we hereby express the conviction that our ministers will do well to bring home to the hearts of our people the glorious truth that the Kingdom of God is to be expressed in our social institutions as well as enjoyed in individual souls.

JOHN LE CORNU,
GABRIEL SYKES.

SOCIAL SERVICE COMMISSION

Resolved by the Columbia River Conference:

1st. That we request the appointment by the Bishop of a Commission of Social Service, consisting of five members, one from each district.

2nd. That J. W. Caughlan be appointed as Fraternal Delegate to the State Federation of Labor.

3rd. That we instruct the Secretary of this Conference to transmit to the President of the United States the following message: "We, the members of the Columbia River Conference of the Methodist Episcopal Church, desire to express our great appreciation of your Christian Statesmanship in taking your stand for International Peace. We pray for the guidance of God in your efforts to advance this great cause, and we pledge to you our utmost efforts in aid of this propaganda."

J. G. LAW,
R. D. SNYDER.

REPORT OF THE COMMISSION ON BOOKS AND PERIODICALS

We congratulate our church on the unsurpassed quality of the pro-

ductions of the Methodist Book Concern, on the marvelous expansion of its business; and that in spite of commercial depression, it has been able to present to the Columbia River Conference a draft for $3022.00 for the support of retired ministers and their widows, being $564.00 in excess of last year.

It is our conviction that no other publishing house publishes Sabbath School supplies superior to ours, and that every Methodist pastor should see to it that every Methodist Sabbath School is supplied with literature from our own publishing house.

We would call the attention of Methodists to the fact that a branch of the Methodist Book Concern has been established in Portland, Oregon, where good books can be had at reasonable prices.

With pleasure do we regard the fact that in the last two years the circulation of the Pacific Christian Advocate has received a magnificent increase. But, there is still room for yet larger increase, and as the Bishop has exhorted, we present the following resolutions:

Resolved, That every preacher in the Columbia River Conference shall, during this coming year, do his utmost to double the circulation of the Pacific Christian Advocate in his charge.

O. E. FAULKNER,
J. F. COOKE,
W. C. REUTER.

EPISCOPAL FUND

The Committee on Episcopal Fund finds that the amount raised this Conference year by the Columbia River Conference for the support of Bishops is $1744.00. This amount is an increase of $253.00 over last year, but $225.00 less than the apportionment for this year. We respectfully recommend that this claim be presented early in the coming Conference year in those charges having a deficiency, and that their apportionment be forwarded at once to the Treasurer of the Episcopal Fund.

H. B. ELWORTHY, Chairman.
R. T. HOLLAND, Secretary.

AUDITING COMMITTEE

We, your Auditing Committee, having examined the accounts of the Treasurer and District Superintendents, find the same correct.

J. O. HAWK,
Secretary.

MEMOIRS

CHARLES M. BOLIN.

The Rev. Charles M. Bolin, who died after a brief illness at his home at Twisp, Washington, May 13, 1914, was perhaps better known to the writer than to any other member of the Columbia River Conference. My knowledge of his early life is somewhat meager. He graduated from the Stanberry Missouri Normal School, and for a number of years was a very successful teacher; but God called him to preach His word, and in 1901 he joined the Missouri Conference, at which time our friendship began and continued until his death.

After serving several charges in Misosuri he removed to Thermopolis, Wyoming, in 1907, doing splendid work in that Mission field. In 1909 he was transferred to the Columbia River Conference, serving the following charges: Odessa, Conconully, and Twisp. He was a preacher of more than usual ability; a tireless worker; a man of God. While serving as his District Superintendent I always found him to be a loyal brother and a true friend.

As the end drew near he expressed himself to his wife and family as at peace with God and ready to go. "He rests from his labors, but his works do follow him."

CHARLES A. HODSHIRE.

J. H. WOOD.

J. H. Wood was born December 12, 1852, in the State of Iowa, but moved with his parents across the plains eighteen months later to California, and from there to Portland, Oregon. As a small boy he used to play among the stumps and logs where now stands Taylor Street Methodist Episcopal Church. In July, 1877, he was united in marriage to Miss Emma Berrian of The Dalles, Oregon. Unto this married life came five children—Frank J. Wood, of North Yakima, Wash.; Wm. Wood, Portland, Ore.; Mrs. Gladys Park, Vancouver, B. C.; Roger Wood, Fresno, Cal., and Miss Mary Wood, who lives at home. The wife died March 31 1899, during the last year of Brother Wood's pastorate at The Dalles. Sept. 8, 1900, he was married to Miss Ella Hollis, who, with Mary, has tenderly cared for him during the five years of his failing health. Bro. Wood was converted and united with the Methodist Episcopal Church in 1875. Five years later he answered the call of the ministry and united with the Oregon Conference, coming into full connection two years later. He served the following charges in the Oregon Conference: Wilbur, Springfield, and Shedds; he was then transferred to the Columbia River Conference and stationed at Summerville, Oregon. The next year at the organization of the Idaho Conference he became a charter member of the same, continuing at Sum-

merville the second year. Other charges served in the Idaho Conference were Wallowa, Canyon City, LaGrande, Baker City, and Island, all located in the State of Oregon. For one year he held a supernumerary relation. In 1894 he was appointed to supply at The Dalles, his home church. He was re-appointed for four successive years, and was finally changed because of the time limit. His next pastorate was North Yakima, and here he remained for four years, the work generally prospering under his leadership. He was then transferred to the Oregon Conference and served as pastor at Oregon City for two years.

Because of failing health Brother Wood came to his ranch on the banks of the Columbia, where he spent the rest of his years except for about two years in which he supplied as pastor in Kennewick.

He was able to spend two days at the recent Annual Conference at Walla Walla, and found those sessions a great delight. Indeed his mind was so clear that he found himself preparing sermons. We shall miss him, but while we miss him there will be a deep consciousness of a life which can never die.

Dr. H. O. Perry, District Superintendent, J. S. Anderson, M. H. Marvin of Sunnyside, Rev. Frank R. Spaulding of Pasco, and J. D. Bird of Finley, assisted the pastor, C. D. Rarey, in the funeral services conducted Friday, 3 p. m., September 19. Rev. W. E. Kloster of Richland also attended the funeral.

FRANK R. SPAULDING.

THOMAS DOWNEY MOORE.

Thomas Downey Moore was born in Monticello, Indiana, in 1855 and died in the Deaconess Hospital at Spokane, Washington, October 26, 1913. Death came as the immediate result of an operation for gall stones performed October 18. It was not until his illness last spring that Dr. Moore was made aware of the nature of a chronic illness of some duration. He spent his boyhood days in the country attending a country school. Later he attended and graduated from the Battle Ground Collegiate Institute at Battle Ground, Indiana. He received degrees from Taylor University and the Chicago Seminary of Sciences. On October 4, 1888, he was married to Miss Emma Kliest of Reynolds, Indiana. In 1885 he entered the ministry and served in the Northwest Indiana Conference for several years, when he was sent to the North Dakota Conference. He was stationed for two years at Devils Lake and for three years at Grafton. He was then transferred to the Cincinnati Conference, where he served for eighteen years. He occupied pulpits of some of the most influential churches of the Conference. In 1911 he came to Spokane, where most of his relatives lived. Besides his wife he is survived by two daughters; Miss Nellie Moore, a teacher in the public schools of Davenport, and Miss Norma Moore, a teacher in the Waverly schools. He is also survived by the following brothers and sisters: Mrs. Homer C. Fisher, a twin sister; the Misses Martha and Margaret Moore and O. P. Moore of Spokane; Mrs. M. A. Corner of Wallace, Idaho; Mrs. Lucy Ross of Fort Wayne, Ind.; Mrs. Mary

Sprague of Monticello, Ind.; Mrs. Melissa Mahon, Tappens, N. Dak.; J. B. Moore, San Rafael, Calif.; J. R. Moore of Laramie, Wyo., and Edward Moore of Medical Lake, Wash.

On his arrival in Spokane Dr. Moore took charge of the Liberty Park Methodist Episcopal Church and served it for two years. At the last annual session of the Columbia River Conference Dr. Moore was assigned to Nez Perce, Idaho, by Bishop R. J. Cooke. It was while engaged in his pastoral labors at that place he was taken suddenly ill and as soon as his strength would permit he was taken to Spokane.

The funeral services were held Tuesday afternoon, October 28, at the Liberty Park Methodist Episcopal Church, the scene of his labors for practically the last two years of his life. It was a very impressive service. The church was filled with his former parishioners and his many friends in the city who had come to pay their last tribute to this honored man of God. The Methodist ministers of the city attended in a body. His ministerial brethren of the Spokane Methodist Ministers' Association, of which he was an esteemed member, were the pallbearers. His remains were interred in Fairmont cemetery. The writer was assisted in the funeral services by Superintendent C. E. Gibson of th Spokane District and Superintendent Andrew Warner of the Walla Walla District; also Dr. Isaac Crook, Dr. U. F. Hawk and the Rev. W. S. Turner.

Dr. Moore was a man of the finest type of Christian manhood, gentle in all his ways, dignified in bearing, refined in taste, and pure in heart and life. He was a brother beloved, a man of God, who blessed the world with nearly thirty years of faithful ministry. His sorrowing wife and family have the sincerest sympathy of all the members of the Columbia River Conference.

KEZIA H. ANDERSON.

Kezia H., daughter of Ransom and Mahaly Belknap, was born in Benton County, Oregon, December 18th, 1847, and died at Spokane, Wash., September 25th, 1913.

The Christian influences of her home and associations were favorable. She was converted when young and joined the Methodist Episcopal Church, in which she continued a consistent member and faithful worker through life. She was educated in the Public Schools of Oregon and in Willamette University. Except for a time when engaged in teaching she remained in her parental home until 1876, at which time, with a brother and other relatives, she came to Eastern Washington.

In May, 1878, she was married to Rev. M. S. Anderson of the Columbia River Conference. To this union were born two sons, Rev. W. B. Anderson of the Puget Sound Conference, and J. C. Anderson of Spokane, Wash. Besides the husband and sons who survive her,

she leaves to mourn her departure three brothers, W. C. Belknap and Rev. L. F. Belknap of Monroe, Oregon, and Rev. E. H. Belknap of Jefferson, Oregon, and two sisters, Mrs. Addie Kyle of Monroe, Oregon, and Mrs. Angie Anderson of Mead, Wash.

During their many years in the ministry, including much of the early pioneer period of the Conference, she earnestly and cheerfully shared with her husband the trials and triumphs of their labors. Always active in the work incident to the pastorate she regarded the making of a happy Christian home the special and highest sphere of a wife and mother. To this special lifework her humble, prayerful devotion was ever given and was a benediction to the home circle and to all who were sharers of her Christian influences.

The sufferings of her last illness were severe and depressing but were patiently endured. During her life of active service her greatest desire was to know and be fully resigned to the Master's will, and when the final summons came His sustaining grace was her stay and support. If we are to judge her future by what she loved and enjoyed here, there can be but one conclusion, "She is with the redeemed throng of the pure and blood-washed, waiting the coming of her loved ones."

LEE A. JOHNSON.

Twenty-six years ago this month in the adjoining city of Moscow, Idaho, six young men joined the Columbia River Conference on probation. Their names were C. E. Gibson, A. S. Mulligan, Robert Warner, F. B. Utter, Lee A. Johnson, and the writer, M. H. Marvin.

For the first time it becomes the sad duty of the Conference to record that the ranks of this sextette have been broken by death. Lee A. Johnson is no longer with us in the flesh but has passed on to where beyond these jarring voices there is rest.

Brother Johnson first saw the light of day on December 11, 1855, in Frankfort, Ky. When he was three years old his parents moved to Springfield, Illinois, in which city he was brought up. He was united in marriage with Miss Margaret Search. At twenty-five years of age he moved to Eastern Oregon, buying a ranch in Wasco County, Oregon, where he farmed for six years. During this time he was converted and united with the Methodist Church under the pastorate of the Rev. J. W. Helm, assisted by Frank R. Spaulding. After joining the Conference in 1888 he was stationed at Hood River, Oregon, then moved to Spokane, where he served the Wild Rose Prairie Circuit for four years. Following this he was placed in charge at Waitsburg, where he served for three years. Then the desire for larger literary equipment found its opportunity and he moved to Evanston, Ill., for the purpose of attending Garrett Biblical Institute, from which he graduated three years later. During these years he served as pastor at

Poplar Grove, Ill. On returning to this Conference he was appointed to the First Church, Walla Walla. At the end of three years he was forced to resign on account of throat trouble, an affiiction which gave him more or less trouble to the end. In 1903 he moved to Sunnyside, Wash., returning to farming. Twice he was elected State Representative from Yakima County, made a very close race for U. S. Congress, and was urged by very many people to accept the nomination for Governorship of the State. In October, 1911, he moved to Portland, Oregon, where he engaged in banking. He died at 1 o'clock in the morning of January 5th, 1914, at his home in Portland, death resulting from a complication of serious ailments. His wife and four children were at his bedside at the time of his departure. Funeral services were conducted by Supt. H. O. Perry of The Dalles District, who has been a very dear friend of the family for many years.

From out the commingling of light and shade with which the last twenty-six years' acquaintance and friendship with Brother Johnson has been interwoven, one fact stands out more luminous than all others. It is that of his big heartedness. He had a positive genius for friendship. He found the angel side in many persons in whom the rest of us could see little or no good. As a minister of Christ he **loved** people into the kingdom rather than argued them into it. During his political career even those who opposed him in his championship of great moral issues yielded to the spell of his heart life. He was easily the great heart among the men with whom he joined the Conference. If he had faults—and who has not—they were the excess of his great virtues. The St. John of our Conference, the Gospel Lover, has gone home. If he could speak to us I am sure he would say, as did his great prototype, "Little children love one another."

I. C. Libby was granted the floor to address the Association on the necessity of reducing the number of District Superintendents. At the close of this address the President ruled:

It was a matter wholly within the jurisdiction of the Bishop, and he would appoint I. C. Libby, Elton Fulmer, W. A. Barnes, G. P. Walbridge, W. H. Miller a committee, to wait upon Bishop Cooke and express their views to him relative to this question.

The meeting adjourned to meet with the ministers and listen to the address of the Bishop to the class for admission, and to meet afterward in district delegations and nominate vice-presidents for the year 1914-1915.

AFTERNOON SESSION

Joint Session Ministers and Laymen.

Fred Kemp, of Wenatchee, conducted the devotional exercises. The Secretary, R. F. Hanke, J. E. Ferris and Rev. W. E. Thompson and Rev. John Le Cornu engaged in prayer. After a season of testimony, Brother Kemp read a Scripture lesson and urged the association to a deeper consecration in the Master's service. After singing "Nearer, My God, to Thee," the President took the chair and called up Presi-

dent E. A. Bryan, of the Washington State College, who welcomed the Conference to Pullman on behalf of the faculty, and assured them of his interest in their work.

The chairman, on behalf of the Conference, thanked Mr. Bryan for his words of greeting.

President Floyd L. Daggett delivered his annual address.

L. R. Horton, Superintendent of the Anti-Saloon League, addressed the Conference on the work of the Anti-Saloon League and predicted the state of Washington would be dry next year.

Rev. Charles MacCaughey, Field Agent, and Miss Butts, Superintendent of the Deaconess Hospital, spoke on behalf of the institution. See resolution.

R. H. Hughes, editor of the Pacific Christian Advocate, representing the publishing interests of the Church, called attention to the fact that it was the greatest publishing house in the world. Has the distinction of being the oldest publishing house in this country, having outlived all those in existence at the time of its beginning.

Its organization was truly providential. It commenced business on a borrowed capital of six hundred dollars, and its assets have grown to six million dollars. Its distributions to Conferences have amounted to the enormous sum of three million eight hundred and forty-eight thousand dollars.

The Columbia River Conference's dividend this year is $3022, against $2,458 in 1913. Our motto should be BOOST, not KNOCK.

Rev. H. J. Coker, D. D., of Denver, representing the General Conference Committee on Finance, explained the methods recommended by that body with a series of charts which was very instructive, and urged the duplex envelope system, which secures current and benevolent collections weekly.

W. J. Marquis, Sunnyside, also spoke in relation to increasing the pastor's salaries in smaller churches.

Rev. J. G. Law made an address on the Adult Bible Class as an asset to the Church.

Elected Officers for Year 1914-1915.

Floyd L. Dagget, President, Spokane.
John Sarginson, Secretary-Treasurer, Spokane.
R. F. Hanke, Vice-President Spokane District, Spokane.
John Young, Vice-President Coeur d'Alene District, Post Falls, Ida.
L. S. Rosser, Vice-President The Dalles District, North Yakima.
R. A. Reeves, Vice-President Walla Walla District, Clarkston.
Fred Kemp, Vice-President Wenatchee District, Wenatchee.

Bishop Cooke addressed the Association on the difficulty of covering such a large territory as the Columbia River Conference with a small number of superintendents.

Meeting closed with prayer by I. C. Libby.

EVENING SESSION

After dinner served by the ladies of the church, Rev. B. E. Koontz, Superintendent Coeur d'Alene District, conducted a Song Service, followed by prayer, Rev. C. A. Hodshire.

President Floyd L. Daggett, in introducing Hon. L. O. Meigs of

North Yakima as the toastmaster, referred to his excellent record as speaker of the house in the legislature.

The toastmaster thanked the brethren for the honor ond reception accorded him and exhorted them to more active work in the interests of the church.

Bishop Cooke gave an address on Conference Claimants, with special reference to the fund of five million dollars the Church has determined to raise in 1915.

Rev. E. H. Todd, D. D., Tacoma, discussed Methodist Educational Opportunity in the State of Washington.

Rev. H. O. Perry, Superintendent The Dalles District, spoke on The Relationship of the Church to the Laymen.

Rev. F. B. Short, D. D., pastor First Church of Spokane, in his address on "Our Present-Day Problems and Their Solution, declared the paying of church debts, sustaining of church educational colleges, the benevolences of the church, and the erection of a Spokane hospital costing a quarter of a million dollars are the problems of the Columbia River Conference.

Governor Ernest Lister, who was received with cheers and the Chautauqua Salute, spoke on "Good Citizenship," saying it was the product of the home, and that parents were responsible for the creation and fostering in their homes of the spirit of good citizenship.

A collection of $100 was taken up on behalf of Rev. C. Snowden of Leavenworth, who had been injured in an auto accident.

Benediction by Dr. McMullen of Drew Theological Seminary, brought to a conclusion a most profitable and enjoyable session of the Laymen's Association of the Columbia River Conference.

ADDRESS OF FLOYD L. DAGGETT

President the Laymen's Association of the Methodist Episcopal Church of the Columbia River Conference

Pullman, Washington, September 4, 1914.

To the Members of the Laymen's Association of the Methodist Episcopal Church of the Columbia River Conference:

In this our Annual Conference, we meet under auspicious circumstances. We are being entertained in the beautiful college city of Pullman in the heart of the great "Palouse"; our delegates come from the great Inland Empire—from the queen city of Spokane, and the splendid cities of Colfax, Walla Walla, Moscow, Lewiston, North Yakima, Wenatchee, Coeur d'Alene, Pendleton, The Dalles, and their adjacent territories—truly a mighty empire, peopled with a magnificent civilization. To those who have watched the development of this great territory, for the past quarter of a century, its development seems marvelous. Those who have been privileged to have a part in this development have been truly blessed. It is something to have a part in the opening of a new territory and have a part in the many enterprises that go to its development,—religious, social, and industrial.

Our brethren who have more recently become a part of this Inland Empire have but a faint conception of the hardships and trials endured by our early settlers in making this Pacific Northwest habitable and comfortable. This is the last of the frontier in the United States.

No more pioneering, no more hardships are in store in our United States. To get this condition we must go to Canada or Alaska, and the frontier there is fast disappearing.

The Methodist and Catholic missionary worked side by side to establish churches and religious instruction. The Catholic, with greater business acumen, acquired property at strategic points, which has become extremely valuable. Our church did not do so and perhaps it was best that the commercial idea did not assert itself in the great work of saving souls. We are now enjoying the fruit of the labors of our pioneers and our missionaries,—the question before us today is, shall we preserve to ourselves and our posterity, these fruits?

Again, our land is being peopled by a new generation, many fresh from lands where the religious observances dear to us are not in vogue. Socialism, anarchy, atheism, the red flag, are being fostered in many places in our country. Oriental Cults, Christian Science and other "isms" are prevalent to too great degree. Lack of Sunday observance is on every hand. The people of the country are not going to Church. The youths of today are not trained to religious observances. What is the matter with the Church? Why is it not reaching the people? Why have we lost our flavor for the old-time religion—the religion of our fathers, upon which was builded this great government? This Union would never have been, had it not been for the deep religious convictions of the people at the time of its formation and its continuance through the various vicissitudes to the present time. Its cohesiveness that has so astonished the world has been due to that same deep religious feeling. We may laugh at the old puritanical ideas, but their sturdiness has held the helm of the Ship of State. The situation is before us. What are we going to do about it?

It is often said that the Church is doing this or not doing that; that it is not meeting the requirements of the present day civilization; that our creed must be modified or our polity must be changed, and we are apt to discuss the Church as some abstract proposition more or less intangible and lay our ills to that intangible thing that we call the Church. Do we ever realize that the Church is composed of the people in it Do we take this proposition right home to ourselves and realize that whatever fault there may be to the Church is the fault of the people that compose it? The Church is not an intangible proposition, but a realistic entity and is as the members make it. We have gone off on so-called modern lines. We have gone away from the deep religious foundation of our forefathers. Our women in society, our men in their club life are losing their hold upon the very root of things. What can you expect of the children if the parents are indulging themselves in so-called society recreation, gambling, drinking and other amusements to which so many are now addicted. I am talking now about Church members—how many members in your congregation have these habits and lead this sort of life? I believe that we have got to do something. This nation of ours is going to be religious or non-religious, and we are at the parting of the ways. This matter cannot be put off for any great length of time. It should have been met many years ago, but now that we realize it, what are we going to do about it? My suggestion is that the first thing we do is to set ourselves in order. Get right ourselves; get down on our knees and get right with God. Today the average Church member needs to wear a button or some other insignia to show that he is a Church member.

His actions at large and before the public would not indicate anything of the kind.

We say the future of the Church is with the children and the young people. How are you going to get deep religious convictions in the young people without they have the home influences? What is the use of telling the boy to go to Sunday school, when his father does not go with him. What is the use of telling the girl to go to Church and take part in Church services and Sunday school, when her mother spends her time in society, playing bridge whist? What is the use of telling the boy that tobacco is injurious when he sees his father use it? What is the use of telling him that he should not touch liquor, when he knows his father drinks?

An exaggerated statement, perhaps, but it was made by one of the biggest saloon keepers in Eastern Washington, that if it weren't for the patronage of Church members, he would close his saloon. There is an element of truth, however, in the remark, because we all know of prominent Church members that drink.

If this Association is going to mean anything; if it is to get behind our pastors and our Church organization and solve the problems confronting us, we have first got to put our own house in order; and if the Church, as an organization, does meet the opportunities and responsibilities of the present day, if it does attempt to solve the problems confronting it, it must be done through the laymen.

The ministry, no matter how able or consecrated, how energetic, cannot reach the people except through the laymen; therefore, my friends, I urge upon you not to make this Association purely a social gathering whereby we become acquainted with each other and have a pleasant time, but make it forceful, aggressive, and effective. To that end we have many things to do; we can't do them all in a moment. The past year we have endeavored to use solely in organiaztion work. This must be continued until we have a live, active Association, reaching into every Charge in this Conference. Then we must work together harmoniously towards some desired end.

It is my idea that there are a few things that we must take up along with our organization work, and as we progress other matters can be taken up.

First—See that every Church member attends the Church services. I do not believe that a Church member has any moral right to remain upon the Church rolls and absent himself from the ordinary Church observances. He should contribute as his ability permits and if unable to contribute anything, should, at least, give his moral support and his presence.

Second—Every Church member should be in the Sunday School. It is difficult to realize the tremendous influence upon our young people that the attendance of the parents and the adults of the Church in our Sunday School would have. Our Catholic friends have realized that they must get hold of the young people. In that respect they have us very badly beaten. The fealty of the adults to the Caholic Church has been the amazement of the Protestants generally and it is due to the fact of the early religious training. The future of the Church is in the Sunday School. Are we going to help? Are we going to see that the future is what we want it to be, or will we sit idly by, wish it well and do nothing to assist

Third—We have no moral right to expect pastors to serve our

Churches without at least a living salary. It must take the heart of the young man, in the full vigor of his early manhood, after having spent years in preparation, to see his family want, unable to properly clothe them or give his children the advantages that the ordinary man does, while he is devoting his time and abilities to the saving of souls and the forwarding of the Church. In our sparsely-settled communities in the Northwest, if we are to hold our vantage ground, we must keep men there, and the communities are not able to meet the financial requirement. I believe a proposition can be worked out by this Association whereby a contingent fund can be raised for this purpose, partly by the Annual Conference, partly by ourselves.

Fourth—We should have one of our Advocates in every family. If we are to keep up with our Church affairs, we should take one of the Church papers, our own advocate—The Pacific Christian Advocate—is a splendid paper and every issue well edited and well worth reading.

Fifth—Our Deaconess' Institutions should have our support. We have at Spokane a Deaconess' Old People's Home and a Hospital. There should be a suitable place provided for a Christian home for our indigent old people in this section of the country. We have a very fine start and a very small amount of money per capita of the membership of the Columbia River Conference would place this on splendid financial footing. There is no greater work than to care for the sick or the aged. There is nothing that we could do that would be a greater element in the forwarding of our Church interests than to have a suitable Church Hospital. The one at Spokane is entirely inadequate to the needs now, and as the country grows, branches should be located at several strategic points in the Conference. Is there any reason why the Methodist people should need to go to a hospital of another denomination? There is reason at the present time, but the present hospital is not able to care for the business that is now offered. Our Catholic friends have hospitals in every city of any consequence, and the influence radiating therefrom is very great.

In conclusion, I do not feel that I have said anything new, and I also am sure that many of you that hear me could have said it much better than I have been able to do, but I have given you my firm convictions, and if there is anything in this short address that will arouse the laymen of this Conference to action, I will be very thankful. We must get busy—we must do something. When we face our Maker, at the Judgment Day, what are we going to say of our stewardship? There is no part of the world that offers greater opportunities for Christian work than the Pacific Northwest, and, friends, let us fully realize that where opportunities are there are responsibilities. The two go hand in hand and we cannot take the opportunity and leave the responsibility alone. Therefore, I tremble sometimes, when I think of the responsibilities that are upon me and how inadequately I am meeting them. Prayer, consecration and work is what we need. A minister one time gave me the following definition of the efficacy of prayer. He said: Get on your knees and pray to God as though everything depended on Him, then go out and hustle as though everything depended on you; the combination will bring results."

THE COMMITTEE ON ORDER OF BUSINESS REPORT

We suggest the Committee on Resolutions report at the close of the afternoon session.

We recommend that the entire body of delegates elect the President and Secretary-Treasurer for this Confrence year.

We further recommend that each district elect their own Vice-President during the noon recess, to be reported at the time of election of officers and confirmed.

We further recommend that the program as printed be carried out as outlined.

RESOLUTIONS

Whereas, It has been urged at this Convention of Laymen that too great a financial burden is involved in the present division of the Columbia River Conference into five districts: be it

Resolved, That the President of the Laymen's Association appoint a committee of five, whose duty it shall be to make a careful study of the situation and present a report at the next Association meeting.

I. C. LIBBY,
ELTON FULMER,
W. A. BARNES,
G. P. WALBRIDGE,
W. H. MILLAR.

Be It Resolved, That we sincerely sympathize with our beloved Bishop Cooke in the recent death of his son, and that we assure him of our prayers and support in this time of his bereavement.

Be It Resolved, That we heartily endorse the Deaconess work in this Conference and especially pledge our support to the movement for new Deaconess Hospital facilities at Spokane.

Be It Resolved, That we heartily endorse the work of the "General Conference Commission on Evangelism," and commend its recommendations to the members of our Church and pray that God's blessings may attend its ministry.

Be It Resolved, That we heartily endorse the prohibition law to be voted on in November and urge all members to put forth strenuous efforts to secure its adoption.

Be It Resolved, That we extend our thanks to President Bryan and to Washington State College for his presence and address and also his invitation to inspect the College.

Be It Resolved, That this Laymen's Association does hereby extend its cordial endorsement of the Pacific Christian Advocate and the work of R. H. Hughes as its editor. We urge the patronage of this our Official Church Paper upon all Laymen in the Conference.

Be It Resolved, That the President of the Laymen's Association appoint a committee of three to recommend to the 1915 Convention of this Association a plan to increase the salaries of the smaller charges.

W. J. MARQUIS,
W. H. DUNBAR,
W. S. SHEARER.

Be It Resolved, That we hereby extend our thanks to the people of Pullman for their hospitality.

To the Trustees of the local Methodist and Christian Churches for the use of their church edifices.

We express our appreciation to Revs. C. E. Gibson and J. W. Caughlan for the many courtesies shown us and to the Annual Conference for the privilege of joining with them in the exercises of this day.

That we extend to Hon. Ernest Lister, Governor of the State, our warmest thanks for his timely presence and excellent address on "Good Citizenship," and assure him we heartily appreciate his interest in the work of our Association.

R. F. Hanke, President of the Deaconess Board, Rev. C. MacCaughey, and Miss Butts, represented the Deaconess Hospital and Old People's Home, and said:

The hospital has been taxed to its limit, oftentime we have cared for more patients than our equipment justified. Eleven hundred patients were cared for last year in our little fifty-bed hospital, which means that eleven hundred lives have felt the influence of a Christian institution, 672 of which were surgical cases. In one month 72 persons were operated upon.

We are constantly preparing young women for a profession which to them is a means of livelihood, and a blessing to humanity. This last year a class of 10 was graduated from our hospital, all well equipped to take their places in the great battle of life. One of this number goes to China. Much of the efficiency of our training school is due to the interest and help of our staff. Last year over 100 lectures were given to the nurses by these busy men.

Our balance sheet for the past year ending May 31, 1914, shows that the cost of maintaining the hospital was $36,166.65. This was paid in full, and our current expense debt (for we have no mortgage) was reduced $1500; and about $3000 worth of free work was done in addition to paying $2400 on interest and principal.

The ordinary wear and tear on buildings in constant use necessitates frequent repairs. The painting and kalsomining was done by our regular employees at a nominal cost and many improvements made during the year.

During the year a series of Laymen's banquets were held at Spokane, North Yakima, Lewiston, Moscow and Wenatchee, at which hundreds of our best men and women met and considered the larger interests of our Church. Our work was presented to them by Floyd L. Dagggett, R. F. Hanke, M. M. Higley, Rev. C. MacCaughey, and Miss Butts, and resulted in the awakening to an unusual degree of the interest of our people.

The cash contributions for the year amounted to $4,558.62, representing 117 churches and many hundreds of individuals. In addition to this there is about $1100 in good subscriptions. Our Fiancial Agent visited 74 churches and assisted in four weeks of evangelical services. Our people have vision and are sure that when a Conference program is mapped out they will proceed with it vigorously and with success.

FOREWORD

About the Minutes.

First. Every possible effort has been made to reduce the number of errors to the minimum. However, one man was lost this year and one last year because of our inefficient system, or lack of system. Sometimes the correct information is not provided and sometimes misinformation is given. Sometimes the Conference DID NOT take the action supposed and the conclusion is reached that the record is wrong when that is not the case. Sometimes writing is so illegible that a mistake easily occurs.

Second. Bro. J. O. Johnson revised the Chronological Roll, according to the data furnished, as far as possible. He also did the larger part of the work on the Journal of the Day.

Bro. Walter L. Airheart revised the Ministerial Record and rendered some assistance on the Journal.

Bro. Oliver E. Faulkner assisted on the Journal.

Bro. J. A. Smith collected the Minute Fund and Bro. A. A. Callender attended the Transportation matters.

When everybody concerned with the work of the Conference writes in a legible hand, or, better still, typewrites everything they expect to see appear in any part of the Minutes we shall have advanced a long way toward perfection.

With kindliest feeling toward all the brethren.

Respectfully submitted,

John Evans

Secretary

Organization

RULES OF ORDER

I. The Conference shall open its session at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless, for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.

VI. No person shall speak more than twice on the same question, nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. On the first day of the session, each preacher who has been in charge shall submit his statistical and financial reports.

The publication of reports handed in later than the second day is not required, unless so ordered by the Conference.

VIII. The Secretary shall keep a journal of the proceedings, and, when approved and printed, the minutes shall be the official record of the Conference. He shall take charge of the journals and all other Conference papers, preserve them with care, suffer no person to take a copy of any papers, except with consent of Conference, and bring or send them to the place of the Conference session.

IX. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

X. The Board of Conference Stewards shall report upon an apportionment to the Conference for the Conference Claimants' Fund, giving the basis on which this shall be apportioned to the district or charges.

XI. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

XII. No person shall be admitted on trial in the Conference, who is past thirty-five years of age.

XIII. No person shall be admitted on trial who can not furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

XIV. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

XV. The District Superintendents shall constitute the committee for making the Missionary Appropriations, with the approval of the Bishop presiding. They shall nominate the Standing Committees, and cause the list to be published in the PACIFIC CHRISTIAN ADVOCATE at least one month before the Conference convenes.

XVI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the district, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XVII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.

XVIII. At each session of Conference, a publisher shall be elected to publish the minutes of the next session, who shall be authorized to make arrangements and enter into a contract for the publication in advance of the sessions. He shall also be authorized to make provisions by assessment or otherwise, for meeting this expense and all other expenses incident to conference work.

XIX. The Board of Stewards shall consist of ten members, each of whom shall serve five years—two being appointed at each session of the Conference on recommendation of the Board. The Board shall organize by appointment of a President, Secretary and Treasurer, whose names shall be published, and who shall serve one year.

XX. All candidates for recognition of orders shall, unless excused by vote of the Conference, be examined in the same manner as candidates for ordination, and the Committee on Conference Relations shall inquire into the character and fitness for the traveling connection of each candidate for admission on trial, for re-admission into full connection,or for re-admission into the Conference. The same Committee shall report on supernumerary preachers, who desire to remain in that relation.

XXI. Each District Superintendent at the close of his term shall prepare a report of his district, not to exceed one thousand words, for publication in the minutes.

XXII. The Stewards are authorized to take annually from the pro rata due the claimants from the Book Concern a sum according to their discretion, not to exceed 25 per cent of their indebtedness to the Book Concern, until it shall be paid in full.

XXIII. It shall require two-thirds of those present and voting to change or suspend any of these rules.

XXIV. Memorial Service shall be held on the first day of the Conference session each year, immediately following the administration of the sacrament of the Lord's Supper. The chairman of this committee shall be responsible for the preparation of a brief memoir of each members of the Conference, or wife of a member of Conference, deceased during the year, which memoir shall be read at the Memorial Service. At each session the Bishop shall appoint a member of the Conference to prepare a suitable Memorial Address of not more than fifteen minutes in length, to be delivered at the Memorial Service of the following session.

XXV. The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay to the Secretary an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the Secretary shall pay to those who have paid more than the average far an amount equal to twice the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the Conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

XXVI. The Conference shall consider in executive session all personal matters regarding the character of its members, or the character of any who are proposed for membership.

WHEREAS, The session has been one exceptionally enjoyable for brotherly love and spiritual feasting, therefore,

RESOLVED, That we hereby express our appreciation of the helpful and inspirational addresses on the vital subjects and causes represented by the following brethren:

DR. E. R. FULKERSON on the condition and needs of the foreign field.

DR. M. S. MARBLE on the work of the Board of Conference Claimants.

DR. M. J. TRENERY on the Board of Sunday Schools.

DR. D. D. MARTIN on the Board of Freedman's Aid.

DR. CARL G. DONEY, President of Willamette University.

DR. E. H. TODD, President of the College of Puget Sound.

DR. F. D. BOVARD on Board of Home Missions and Church Extension.

DR. A. W. LEONARD for his greatest address on the death of the American Saloon.

DR. F. B. SHORT, the Church Temperance Society.

DR. D. G. DOWNEY, Book Editor of the Methodist Episcopal Church.

DR. H. J. COKER on the work of the Commission of Finance.

RESOLVED, That all hereby express our appreciation of the skilful and brotherly manner in which Dr. U. F. Hawk, Pastor of this Church, has provided for the comfort of the conference, and the fine hospitality of this Church, and of the other Methodist Episcopal Churches of the city, for generously opening their homes to us, and for the excellent meals which the ladies of this Church have served for our convenience, realizing that they cost much faithful labor on their part.

RESOLVED, That we in an especial manner record our pleasure for the presence and fraternal spirit of Bishop W. R. Lambuth, and Dr. E. B. Chappell, both of the Methodist Episcopal Church South, and for their kind and fraternal addresses. That the Conference feels under obligation to the North Western Business College for free use of typewriters, and to Miss Ethel Monroe for her time given gratis as a stenographer, and for her excellent service.

That we appreciate heartily the distinctive feature of this Conference session, "The Bishop's Hour," and do indeed thank our beloved Bishop for the soul stirring addresses and truly great sermons that have given such splendid emphasis to the doctrines of our Church.

That all are mindful of the faithful services of our Conference Secretaries, Treasurers and all other servants of the Conference for

duties well and faithfully done and to all other persons and companies who have contributed to the success of the conference session.

JOHN F. ROBINSON, Chairman,
GABRIEL SYKES,
JOHN K. CECIL,
W. H. H. FORSYTH.

Complimentary

Whereas, Great advancement has been made in all departments of our work in the Columbia River Conference during the last quadrennium under the faithful and efficient administration of Bishop Cooke, and,

Whereas, We have found in him not only a wise counsellor and able executive, a true and sympathetic friend and brother beloved, and,

Whereas, This great Northwest Territory presents many peculiar problems and difficulties with which the study and experience of the past four years has given him a thorough understanding.

Therefore, be it resolved, by the Columbia River Conference that we request that Bishop Richard J. Cooke be named as our Residential Bishop and that he be appointed to preside over our Conference during the ensuing quadrennium.

J. W. CAUGHLAN, ANDREW WARNER,
WALTER L. AIRHEART, JOHN G. LAW,
W. P. JINNETT, C. C. CURRY.
H. O. PERRY,

The Episcopal Fund

Whereas, Under the present method of raising the amount apportioned for the Episcopal Fund, there is often confusion and misunderstanding, therefore be it

Resolved, That we earnestly recommend the placing of the said fund on a membership per capita basis instead of on a basis of the pastor's salary, as heretofore.

H. O. PERRY, B. E. KOONTZ,
ANDREW WARNER, CHAS. E. GIBSON,
ROBT. BRUMBLAY, JAMES H. MARTIN.

REPORT OF BOARD OF STEWARDS

We regret that for the first time in the history of our work as a board there is no dividend from the chartered fund.

We also note that our draft from the Book Concern is less than last year. However, the draft of nearly $3,000 as our share of the profits indicates a thriving business and adds greatly to our funds. We beg to urge that no pastor is entitled to what is left in his hands as salary, neither legally nor morally unless he has prorated with the retired minister and we suggest that any deficiencies still outstanding shall be added to next year's amount from each pastor who is delinquent. We again recommend that charges shall pay as follows:

Two and one-half per cent on salaries of $900 or less.

Three and one-half per cent on salaries over $900 to $1400.

Five per cent on salaries of $1500 or more, all cases exclusive of house rent.

REPORT OF EPWORTH LEAGUE COMMITTEE

Inasmuch as this is the age when the value and possibilities of youth are more clearly recognized than any former period, be it

Resolved, That we urge our pastors to give earnest attention to the young life of their churches and that we deeply appreciate the work of the Epworth League institutes and conventions within the bounds of Conference.

We regret to note that no less than forty-two charges have had no Junior Leagues during the past year.

We also urge upon the authorities the importance of obtaining the best possible faculty for this great and growing Northwest.

We indorse the program of the Methodist Forward Movement and urge the Epworth League of this Conference to give it their hearty allegiance.

Signed: E. C. NEWHAM, Pres.
A. W. ROBERTS,
D. M. HELMICK,
M. J. PERDUE.

CHARITIES AND REFORM

No more commendable work is undertaken by the charitable public than the care of unfortunate children and we hereby express our unqualified approval of the efforts put forth by the Children's Societies of the three states in which our Conference appointments are, to seek out these unfortunates and place them in good homes. It costs mush less to protect and train childhood than to restrain and control criminals. Yet while these states pay large sums for reformatory work, for courts and penal institutions, no appropriation is made for their orphan children. We hereby pledge ourselves not only to encourage voluntary support of this work in liberal measure but also to use our influence with our legislators to secure state aid. We also believe that the segregation of first offenders from hardened criminals in our penal institutions deserves still more attention than at present it receives. We recognize the importance and value of the work so persistently done by M. A. Covington in the effort to suppress vice in Spokane.

M. R. BROWN,
GABRIEL SYKES.

EPISCOPAL FUND

The Committee on Episcopal Fund for the Columbia River Conference find that the amount raised this Conference year is $2,044.00, which is $100 more than last year, but is $509 less than the apportionment given by our Book Committee. The apportionment for the ensuing Conference year is $2,599.

We respectfully recommend that the apportionment for this year be one and three-fourths per cent of cash salary. Also that the pro rata amount be forwarded quarterly to the Treasurer.

N. E. Wood,
H. B. ELWORTHY, Chairman.

REPORT ON TEMPERANCE

The Anti-Saloon allies have great cause for rejoicing.

We were hopeful and determined a year ago. There were enlisted in our ranks, millions of those who but yesterday were either indifferent temperance men, or friends of the saloon.

Lined up with our forces were judges, statesmen, lawyers, professional and business men, merchants and laboring men. We were convinced that in no sense was the saloon an asset, but a liability, not a help to a community, but a menace, possessing no constructive aim, but blighting and cursing all that it touched. Inspired by that conviction we were in the battle to drive the saloon back to the pit from which it came.

In the past twelve months we have seen the nine prohibition states increase to eighteen and the legislatures of four others have submitted the question of prohibition to the vote of the people. Russia has National prohibition, France has banished absinthe, Alberta gone dry almost two to one, and the liquor forces of the world realize that their trade has been outlawed. Despite the cry, "Prohibition does not prohibit," the multiplied failure of great liquor corporations in the past year, coupled with their assertion that the Anti-Saloon agitation was the chief cause of such failure, is convincing proof of the fallacy of the statement. To the winning of these splendid victories, large credit must be given to the Anti-Saloon League, the Temperance Society of the Methodist Episcopal Church and our splendid Secretary, Clarence True Wilson, the Women's Christian Temperance Union, and all others also who have loyally fought with us.

We must remember though, that instead of the liquor forces acknowledging defeat, they are now fighting for their lives. Nothing will be left undone by them to defeat the present laws or to nullify them, if they cannot defeat them, and only aggressive vigilance will prevent them regaining some of their lost position.

We are not only determined to hold all that we have won, but to press the battle until we have National Constitutional Prohibition, and a party in power at the National Capital, determined that the law shall be enforced.

REPORT OF THE SPECIAL COMMITTE ON THE CRISIS THAT CONFRONTS THE STATE OF WASHINGTON, ORGEON AND IDAHO IN THE CLOSING OF SALOONS, JAN. 1, 1916

WHEREAS, The seasonal occupations of the Pacific Northwest are such as to require large groups of men who move from place to place and are necessarily without permanent homes;, and,

WHEREAS, On January 1st, 1916, the saloons in these states will cease to operate, and,

WHEREAS, The social instincts which the saloon has taken advantage of will remain and demand satisfaction, and,

WHEREAS, It is the duty of the Church of Jesus Christ to co-operate with municipalities, corporations, labor unions and other agencies

in meeting the exigency confronting us; therefore, be it

RESOLVED, That the Columbia River Conference of the Methodist Episcopal Church pledges its ministry and membership to the heartiest endorsement and support of the proposed united action of the Churches in a general Evangelistic Campaign throughout this territory beginning January 1, 1916.

SECOND, To unite with civic and social organizations in providing social centers in all our communities to take the place of the saloon.

REPORT OF THE BIBLE COMMITTEE

"The Book," God's revelation to man, is increasing in quantity and meaning to the human family, Bible lands are intensifying its study, while increasing zones of mission fields are learning of this Book of Life. The Orient is eagerly searching the Scriptures for the Message of Eternal Life.

Let us encourage its prayerful study in Church and home, its use in our schools, and its publication and distribution throughout the world.

We gladly note the work of our Bible Society whose colporteures have carried "The Book" to the remotest bound of human habitation, especially in that plan that places a copy of the Scriptures in the hands of the soldier on the battlefields and in the trenches of Europe.

Let every pastor preach on this Book, urge its importance as literature, history, ethics, but most all as God's Message of Salvation to ME, then take an offering for its extension to OTHERS.

H. F. ROBINSON, Chairman,
C. M. CARSON, Secretary.

METHODIST BROTHERHOOD REPORT

The forward movement of the Laymen throughout the Church occasions great satisfaction among the ministry and should be the sure prophecy of a more positive and far-reaching activity in every department of Church work. Christianity calls every one to God and offers to every one a place to express and to expand his life.

We therefore note with high hopes and holy anticipations the ever-increasing activity in Church interests among the laymen of our own denomination, and we feel that the Methodist Brotherhood is and ought to become more generally a larger factor in the security and the growth of our Church. We feel that this Brotherhood should so relate itself to the Church as to greatly increase and intensify the deeper spiritual life of our Church and pour out its strength and zeal in an effort to reach the very last man and bring him to God's Christ.

Laymen of the Columbia River Conference, we salute you in the interest of a larger and a more efficient Methodism. Let us arise and take up our responsibilities with gladness of heart and faith in Jesus Christ.

WOMAN'S HOME MISSIONARY SOCIETY

We record with pleasure the splendid work of the Woman's Home Missionary Society of our Church and congratulate our Conference organization on its successes the past year in doubling their contributions to our frontier fields. Their total gifts amounted to $1,138 in cash and supplies.

They have also undertaken Japanese work among the women in Spokane, which promises large results.

We cannot recount the magnificent enterprises of these consecrated women composing the National Organization, but we record our gratitude that God has signally blessed them in their activities.

We recommend to our brethren the courtesy of their pulpits to Mrs. Nina G. Blake, the Conference Organizer, and hope that there may be an auxiliary on every charge.

W. H. H. FORSYTH, Chairman,
O. W. MINTZER, Secretary.

REPORT OF SUNDAY SCHOOL BOARD

Your Sunday School Board desires to submit the following report:

So far as the Conference Board has been able to give information converning Sunday School work, theer are at present 238 Sunday Schools under control of our Church.

Last year the Conference contributed $808 to the Board of Sunday Schools, while this year the offerings total $1,084. This increase is very encouraging to all concerned, but we recommend that next year the total shall be $2,000, as that amount is needed in this important field of service.

Our Conference Superintendent served in this capacity part of the past year only, and what course the Conference ought to take upon the continuation of this office in its present condition is slightly difficult for your Conference Board to recommend. We would, however, recommend that a former plan be reconsidered which aimed at the placing of two or three men in the entire field and the appropriation for the one man be divided equally among these men; the balance of each man's support to be supplemented from this field of labor.

We recommend that the pastors call the attention of their superintendent to the following things:

1. Is your Sunday School up to the standard required by the Discipline, page 463, p. 3?

2. What is your total enrollment? Net loss or gain, and reason for same?

3. How many of your students have been converted during the year?

4. Have you met your apportionment for the expenses of the General Board?

Finally we would urge the whole Conference to pledge a forward movement in Sunday School work this coming year.

C. C. CURRY,
O. E. FAULKNER,
CHAS. MacCAUGHEY,
GABRIEL SYKES,
J. W. CAUGHLAN.

REPORT OF COMMITTEE ON EDUCATION

Your Committee on Education begs to submit the following report: Methodism has always regarded mental culture as second only to spiritual experience. She has not changed front, but is more interested than ever in providing her people with the means of a thorough education. We, therefore, present our institutions.

I. Board of Education.

We recognize the excellent work that is being done in higher education through the direction of the Board of Education.

We recommend that Children's Day be observed and the usual collection taken. This fund has aided from the beginning 22,984 students—2,189 last year, and this year 2,288.

We commend and approve the apportionment by the General Conference Commission on Finance of One Public Educational Collection authorized by the Discipline. 20% of this goes to the General Board; 20% of the remainder, or 16%, to the Kimball School of Theology; and the remainder, or 64%, to Willamette University and the College of Puget Sound, as follows: All charges in Oregon sending theirs to Willamette, and all charges in Northern Idaho and Washington to the College of Puget Sound.

II. College of Puget Sound.

The reports from the College of Puget Sound indicate great progress during the past year. This is indicated by the fact that the College is receiving cordial endorsement by the educators of this state; also, by the fact that students are matriculating in the upper classes; and by the increased number in the Freshman Class.

The President has visited the Educational Boards in the East and has been cordially received and invited to keep in touch with them. Financial confidence has been restored to a great degree. With an endowment of $250,000.00 the College will be firmly established and the way opened to approach the Educational Foundations in the East. The President is to be congratulated and given every encouragement and support possible in the closing of this campaign.

A crisis in the educational work of our Church in the State of Washington has been reached in the endowment campaign for the College of Puget Sound. There remains about $65,000.00 more to be pledged by October 1, 1915, in order to secure the $50,000.00 offered by Mr. James J. Hill on the condition that $200,000.00 more be raised, all of which is to be invested as an endowment for the College of Puget Sound.

Your committee is convinced that it is necessary and right for the Columbia River Annual Conference to endorse the campaign by a hearty co-operation in presenting this matter to the laity of this Conference as follows:

1. Each pastor shall furnish to the Committee on Education as soon as possible after Conference the names of persons, either members or non-members, within the bounds of his last charge who in his judgment are able to subscribe to this fund.

2. The District Superintendents shall appoint a Campaign Committee for their respective districts composed of the members of the Committee on Education residing within the bounds of the district, and

such others as he may select, of which he shall be chairman. This committee shall co-operate with the Central Endowment Committee in Tacoma.

3. The campaign shall be carried on by personal solicitation by the pastors within the bounds of their charges, or with the assistance of members of the committee, as may seem best, and shall report to the District Committee and the Central Campaign Committee in Tacoma.

We recommend for election as Trustees, whose terms shall expire in 1918, Rev. Andrew Warner and David H. Cox. We recommend for Conference Visitors to the College, Rev. J. O. Johnson and Rev. W. H. H. Forsyth.

III. Willamette University.

The administration of Dr. Carl G. Doney as President of Willamette University is opening very auspiciously and we congratulate the University and the Northwest upon the coming among us of this noted leader and educator.

We commend Willamette University to the attention of parents, students, and prospective givers. We believe in the institution because of its advantageous location in the capital city of Oregon; because of its equipment in buildings, laboratory facilities, libraries; because of its able and Christian corps of instructors; and, because of the wholesome spirit of the student body. Parents will do well to commit their sons and daughters to Christian colleges, and we earnestly recommend this honored and efficient institution.

For Trustee, we nominate Nathan Evans.

For Visitors, Rev. R. D. Snyder and the pastor at Hood River.

IV. Kimball School of Theology

It is with profound sorrow and the consciousness of a great loss that we record the death of the Reverend Henry D. Kimball, founder and President Emeritus of the Kimball School of Theology.

We heartily endorse this School and recommend it to the favorable consideration of all the young men within the bounds of the Conference who contemplate making the ministry a life work, and to those already in the ministry who feel the need of better preparation for their work.

A general movement for the endowment of five chairs in the institution is now being launched. The first of these is to be known as the Father John Flinn Chair of Systematic Theology, in honor of Father Flinn, deceased. We bespeak for this movement the largest success and desire to co-operate therein as opportunity may be presented. We recommend the following as Conference visitors: C. A. Hodshire and E. H. Longbrake.

Resolution—The Conference Postgraduate School

Whereas, The duties of the ministers are so many and so complex that they seriously menace his spiritual life, therefore, in order to help stay this danger, and to encourage studious habits, enrich the ministry with ripening scholarship and magnify the importance of the pulpit, therefore, be it resolved: First, That this Conference request the Bishop and his cabinet to appoint a commission of six ministers, irrespective of district boundaries, who shall formulate and conduct a Postgraduate Course of Reading.

Second, That the terms of office of the members of the commission

shall be as follows: Two shall serve for three years; two for two years; and two for one year. Thereafter two shall be appointed each year. The members of the commission shall be empowered to adopt such rules, regulations, and select such course of study as they shall deem wise.

Third, That all members pursuing the course shall pay a registration fee of one dollar.

Fourth, That there shall be two classes of members, to-wit: Reading and Honorary. The Reading members shall pledge to read the books designated for the year. The Honor members shall also read the books designated for the year and in addition select a subject growing out of one of the books read and write a thesis. In selecting his theme and working out his thesis he will advise with the instructor who has the charge of said book.

Fifth, That the names of all those who have done the year's work satisfactorily shall be published in the minutes, and all those completing the three years' course shall receive suitable recognition.

REPORT OF CONFERENCE DEACONESS BOARD

The Conference Deaconess Board is enabled to report a year of unprecedented success for our hospital at Spokane. Its financial condition is excellent, the expenses of the year, amounting to $36,600, having been met, nearly $4,000 of free work done, and extra expenses of $1,100 paid. The beginning of the Conference year sees our hospital entirely free of debt on its working plant or current expense fund. The churches contributed this year to the Hospital and Old People's Home about $6,000.

The Hospital this year handled 1,139 patients, setting the record for number of patients per bed for all hospitals in Methodism. The great outstanding and imperative need is for more room in our Spokane hospital. There seems to be no doubt that if we had accommodations for five times the number of patients we now have, we would need them, on account of our central location and splendid service, and we recommend to the Conference that our pastors and people give their loyal and aggressive support to whatever program our Board of Trustees may place before them this year looking toward the securing of funds for the building of a larger hospital. We recommend that our pastors report to the Field Secretary any in their churches who are interested in this work and that in every way we push this task to a successful issue.

We desire to recognize the service rendered by our Spokane Deaconesses in organizing and maintaining the new hospital at Wenatchee, and especially the efficient work done by Miss Ethel Butts in the superintendency of that institution, and that of Mrs. Jeanette Sigerson in her position as assistant superintendent.

Again we recommend the observance of the White Christmas with the Deaconess institutions as the recipients of gifts. This manner of observance is in line with the real meaning of Christmas, and it brings to the thought of our people these great institutions.

We recommend that if any charge desires the aid of a deaconess, the charge shall apply to the Superintendent of the Deaconess Home for such help and that the appointent be made only through that Home.

We certify that we have renewed the licenses of the following

deaconesses: Elizabeth Black, Edith Bird, Minnie Brown, Alice Denno, Dollie Laduke, Mary Stevenson, Alma Swanson, Frankie York, Mary A. Curnick and Ethel Butts.

We recomemnd that Bessie Dawes be granted honorable discharges.

We recommend that Elizabeth Black and Frankie York be granted leave for indefinite time, that Alma Swanson be granted a year's leave of absence to attend school.

We certify the renewal of the license of Mary A. Curnick and Stella Alexander pending their compliance with the requirements of the Board.

We recommend the following as the Deaconess Board for the ensuing year: First year: J. O. Johnson, R. D. Snyder, Mrs. R. K. Keene; second year, W. L. Airheart, John G. Law, Mrs. C. E. Gibson; third year, J. K. Cecil, M. J. Perdue, Mrs. W. D. Ellis.

We commend the Rev. Chas. McCaughey in his enthusiastic and able efforts in behalf of the Deaconess institutions and feel that in the great financial campaign now to be undertaken his leadership will be invaluable.

We recommend that the request of the Board of Trustees for his reappointment as Field Secretary be concurred in.

We recommend the appointment of John E. Williams as Field Secretary of the Central Washington Deaconess Hospital, for whatever time may be designated by the Trustees of that institution.

We recommend the following appointments to the Board of Trustees of the Central Washington Deaconess Hospital: First year, J. E. Strevey; second year, Gabriel Sykes; third year, J. C. Harvey.

We recommend the following as Trustees of the Maria Beard Deaconess Association: For the term ending 1918: Robert Brumblay, R. D. Snyder, J. A. Murbach.

REPORT OF TRUSTEES OF THE CENTRAL WASHINGTON DEACONESS HOSPITAL ASSOCIATION

The few months which have elapsed since the organization of the Central Washington Deaconess Hospital Association have already abundantly demonstrated the need and practicability of this Methodist Deaconess Hospital at Wenatchee. The establishment of such an institution was conceived by the Rev. N. M. Jones, pastor at Wenatchee, and his promotion of the hospital movement ,seconded and supplemented by the vision and active co-operation throughout the Wenatchee district of the Rev. Dr. Robert Brumblay, has, within the short half year, brought to successful completion the hospital building, equipped, opened and already engaged in its mission of usefulness. The money to do the necessary work and making possible the equipment of this enterprise has been donated or pledged in substantial amounts by people residing in Chelan, Bridgeport, Cashmere, Waterville, Mansfield, Wenatchee, Peshastin, Monitor, Twisp and other communities in the north central part of the state.

The hospital was incorporated on April 1, 1915. Its charter provides that the members of the Association shall be the members of that portion of the Columbia River Conference lying west of Ephrata and including Ephrata, and also two laymen from each and all of the charges of the Methodist Episcopal Church within the designated terri-

tory. The District Superintendent presiding over the said territory, the chairman of the Board of County Commissioners of Chelan County and the Mayor of the City of Wenatchee are also made ex-officio members.

The affairs of this Association or corporation, it is provided, are to be managed by a Board of Trustees of nineteen members. Four of these ex-officio Trustees as follows: The District Superintendent of the Wenatchee District, the Chairman of the Board of County Commissioners of Chelan County, the Mayor of the City of Wenatchee and the pastor of the First Methodist Episcopal Church at Wenatchee. Three members of the Board of Trustees, it is provided, may be named and continued by the Columbia River Annual Conference in the following manner: At the 1915 session, the said Annual Conference shall elect one Trustee, who shall hold office for one year, one who shall hold office for two years and one who shall hold office for three years; and at each succeeding session of the said Annual Conference there shall be elected one Trustee for three years.

The other twelve members of the Board of Trustees are elected from the body of the membership of the Association at the annual meeting of the corporation set for November.

The interest which the people in our section have in this hospital and the demand that there exists for it is evidenced by the ready response in donations and subscriptions. In a little over two months canvass begun by the Rev. Charles MacCaughey and continued by the Rev. W. E. Armfield over $12,000 was subscribed.

And in this connection, our Board of Trustees feels deeply indebted to the Maria Beard Deaconess Board for its courtesy and assistance from the very inception of the movement; and the assistance of Miss Ethel H. Butts, the Superintendent of the hospital at Spokane, and the Rev. Charles MacCaughey. the Field Secretary, have been invaluable in working out the details of our work.

The building now occupied by the hospital was formerly the residence of John A. Gellatly. The edifice alone, built only seven years ago, cost $17,000, and the land and buildings together are conservatively valued at $20,000. The opportunity to obtain this property by the Association at a cost of about $9,000 would seem providential. And with the expense of remodeling, together with the cost of equipment and furnishing, the hospital altogether will cost only about $15,000.

The hospital building was formally dedicated and opened on Tuesday, July 13th, and on the next day received its first patient. The total number of patients cared for to date is forty-one. Thirty-three of these have been surgical cases. **The total cash receipts from these patients to date has been $640**, and we hold notes for $45.50. We done $50 worth of free work. The present number of beds in the hospital is seventeen, although a considerable more might be installed if necessary. It is thought that with a little re-arrangement thirty beds might be used. The number of patients in the hospital on the day of making this report, August 30th, was thirteen.

REPORT OF COMMITTEE ON WOMAN'S FOREIGN MISSIONARY SOCIETY

Like all educational forces for the uplift of humanity, the W. F. M. S. has its place in the fountain-head of the Church, the home.

The mothers of the kingdom of Christ shed their hallowed influence over their children, and at the same time they are devoting their energies and giving of their means to carry the gospel message to their sisters in other lands.

In the fall of 1914 the W. F. M. S. entered upon a five years' campaign known as the Jubilee Movement.

The Society faces the most gigantic task in the history of the organization, that of placing one thousand missionaries on the field, four hundred thousand members for the organization, one hundred and eighty thousand subscribers to their periodicals and one million six hundred thousand dollars upon the altar of our God.

We therefore beseech the prayers of our Methodism that victory may crown their labor and we commend the Woman's Foreign Missionary Society to our people and bespeak for it the most hearty cooperation of our pastors.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS

We rejoice in the progress made by our Methodist Book Concern during the year; that it has received a gold medal from the Department of Education of the Panama-Pacific International Exposition, at San Francisco, for the most comprehensive, up-to-date and widely-distributed International Uniform Sunday School Lesson and International Graded Lesson; that it has received a grand prize, which is the highest award given by the Exposition for the printing and binding of books and general bookmaking.

We rejoice in the fact that the Book Concern has been able to present to the Columbia River Conference a draft of Two Thousand Nine Hundred Fourteen Dollars for the support of Conference Claimants.

We are pleased to report an increase of $41,205.33 from the sales by the Book Concern, bringing the total sales for 1914 to over $2,787,070, and declaring a dividend of $300,000.

We are gratified at the recognition made by the Publishing Agents and Book Committee of the urgent need of a place in the Northwest whereby our literature and publications are made more accessible by opening a salesroom in connection with the Pacific Christian Advocate, and we urgently recommend that every pastor see to it as far as possible that all supplies be obtained from our Book Concern for the Sunday School.

We express our appreciation for the efforts put forth by Editor Hughes, of the Pacific Christian Advocate, to increase its circulation and efficiency, and we urge a greater circulation for this important Church organ.

We desire to express our pleasure in having with us Dr. D. G. Downey, and hereby wish to express our appreciation of his instructing and inspiring address.

We recommend that every pastor preach on the importance of Christian literature, and earnestly labor for the circulation of the products of the press of the Methodist Book Concern.

G. E. HEINECK,
J. F. COOK.

STATE OF THE CHURCH

We have reason for joyful thanksgiving for advancement made in many lines of the work of the Church during the past year and especially for conquests in the winning of hundreds of souls to the standard of our Christ, indicating, in large measure, faithful adherence to evangelistic doctrine and method in the prosecution of the work of the Church.

We note with profound pleasure, an increasing faithfulness in the presentation of the principles of eternal truth concerning the need of salvation by all mankind and the sufficiency of Jesus through the atonement, for the complete salvation of all who repent of their sins and accept Him as a personal saviour.

We believe that while the work of the Church should be diversified, extending to the social, educational and even material interests of the people, yet, we are profoundly convinced that, seeing that organizations and institutions whose specific object and aim is to minister to the needs and desires of humanity in these directions are many, while the Church is the only institution which makes any pretensions to effort for the evangelical salvation of the people, if not saved through the ministrations of the Church, most of them never will be saved at all. We are therefore convinced that the central aim and chief efforts of the Church should always be for the induction of souls into a saving knowledge of Jesus Christ and their edification in the Christian graces and that, the social, educational and philanthropic activities of the Church should always be subservient to this object and aim.

We have faith in the doctrine, polity, machinery and methods of Methodism, to bring the saving gospel to the people and to apply it to their needs. We therefore question the wisdom of fusing our Church activities with those of other denominations in such a way as to lose our denominational identity in doctrine and evangelistic effort. We nevertheless urge the most cordial relations with our sister churches, which, side by side with us, are doing the work of the Kingdom.

As it is impossible that our people shall serve both God and Mammon, or love God while they disobey him and violate His commandments, we call upon our ministers and influential laymen to use every wise and practicable means to stem the swelling tide of worldliness that is sweeping so many young people from their moorings into the maelstrom of Sabbath desecration and other forms of worldliness detrimental to and often destructive of their religious experience and usefulness in the work of the Church and the kingdom of God.

We reaffirm our unswerving, unfaltering faith in the eternal verities of the Holy Scriptures, the divine Christ, very God and very Man, His atoning sacrifice and sole mediatorial office; the Holy Spirit, the third person of the blessed Trinity, convicting of sin, regenerating and sanctifying, and the Holy Scriptures, the revealed word of God and

our unfailing instructor in matters pertaining to our salvation and that of the race.

We deplore any tendency to ignore or disavow the supernatural facts of a genuine Christian experience and declare our unswerving determination to press insistently the necessity of the new birth, received only through faith in the atoning blood of Jesus and by the transforming work of the Holy Spirit of God.

FRED E. WHITE, Chairman.
A. W. LUCE, Secretary.

REPORT OF COMMITTEE ON FREEDMAN'S AID

We recommend that during the coming year each pastor shall take special paints to present the work of the Freedman's Aid Society to our congregations, and that a special effort be made to make an increase of at least ten per cent in the collections over the preeceding year. If this increased amount is reached, it will avoid the necessity of an indebtedness to the Society, and make possible the continuance of the moral, industrial and intellectual work so necessary in the present stage of the development of the ten millions of people of African descent, who look to churches for a trained Christian leadership.

We further recommend that each pastor observe the Lincoln Day Anniversary, February 13, 1916, and send to the Society, 220 W. Fourth Street, Cincinnati, Ohio, for a sufficient number of copies of the Lincoln Day program to supply the members of his congregation and Sunday School. These programs are furnished free on request.

Respectfully submitted.

U. C. SMOTHERS, Chairman.

COMMISSION ON FINANCE

We congratulate Connectional Methodism upon the splendid increase in benevolent offerings as indicated in the yearly receipts of the great Boards of our Church. That the Board of Freedman's Aid should increase its offering $5,000; the Board of Home Missions and Church Extension $13,000 in a year, when other great denominational boards are facing deficiencies of many thousands of dollars is surely a providential indication of the larger responsibilities which our Church is assuming in the present crisis.

We commend to our brothers the use and general distribution of the following tracts:

"The Stewardship of Personality," by Dr. Hough.

"The Stewardship of Property," by Dr. Calkins.

"The Manual of the New Financial Plan."

"Look on the Fields," by the Commission on Finance.

"The Jarring of Jacob Shapleigh," by Dr. Calkins.

"A Christian's Financial Creed," by Dr. Rall.

We also commend Dr. Calkin's book, "A Man and His Money."

We endorse most thoroughly the New Financial Plan as a modus operandi to ensure larger interest and support by a much larger con-

stituency and hereby urge our conference, and districts, and charges to adopt it as the policy to be put into immediate practice.

That an average of 1c a day from every member of the Church would increase our total offerings in the magnificent sum of $8,420,552; when we discover that the Columbia River Conference raised last year only 87c per member for the seven great disciplinary causes, every pastor and every member should be aroused by a mere recital of the facts to renewed and redoubled efforts to meet the full apportionment.

And to aid our efforts thereto we hail with lively satisfaction the possibility of group meetings in January at several centers of the Conference under the inspiring leadership of Dr. Coker, for the purpose of informing and inspiring our laymen leaders in every charge.

We further pledge ourselves ,as a Conference, to do all in our power to secure a record breaking attendance of pastors and laymen upon the great interdenominational laymen's convention scheduled for February 6-9 in the City of Spokane.

A MEMORIAL FROM THE COLUMBIA RIVER CONFERENCE TO THE GENERAL CONFERENCE OF 1916 OF THE METHODIST EPISCOPAL CHURCH, PRAYING FOR A MODIFICATION OR REARRANGEMENT OF THE PROPOSED PLAN OF UNIFICATION OF THE METHODIST EPISCOPAL, AND THE METHODIST EPISCOPAL CHURCH, SOUTH

Whereas, Our Methodism is of common origin, and over seventy years have elapsed since the deplorable separation of 1844, and

Whereas, The issues that once divided the sections, North and South, have been permanently settled, and

Whereas, The conviction is deepening that an organic union of the two greatest churches of Methodism would multiply the activities and enhance the world-wide prestige of Methodism, as well as be pleasing to the Great Head of the Church, therefore, be it

Resolved, By the Columbia River Conference, at its session of 1915, that the General Conference of 1916 be memorialized to take the Proposed Plan of Unification by Reorganization, and so modify or rearrange the same, as to devise a new basis for negotiations with the Methodist Episcopal Church, South, with the great object in view of achieving a real, organic union of the two churches.

REPORT OF THE COMMITTEE APPOINTED BY THE LAST ANNUAL CONFERENCE TO CONSIDER THE MEMORIAL FROM THE MONTANA CONFERENCE INDORSING THE PROPOSED PLAN OF UNIFICATION OF THE METHODIST EPISCOPAL AND THE METHODIST EPISCOPAL CHURCH, SOUTH

After a very careful and prayerful consideration of the plan we beg leave to submit the following conclusions:

First. That the organic union of the two Methodisms is a question of overshadowing importance, and that it is one of the greatest objects to be sought by the Methodism of this country.

Second. That the proposed plan, providing for a division of the two churches into practically four jurisdictions, each with its General Conference, would more widely separate than unify, making the forces at work far more centrifugal than centripetal.

Third. That in the face of these facts we recommend that the Columbia River Conference do not concur in the "Montana Memorial."

In conclusion may we express the hope that the General Conference of 1916 so modify or rearrange the proposed plan that a basis for further negotiations be supplied. Certain concessions must be made by both Methodisms, an adequate protection must be guaranteed any minority, both of which, we have the faith to believe, will be granted by the Methodist Episcopal Church.

Memorials to the General Conference

"The Amusement Clause"—Paragraph 271

Wheeras, We are convinced that the "amusement clause" in paragraph 271 of our Book of Discipline, whether judicially enforced or not, exerts a salutary influence by acting as a moral deterrent ,therefore

Resolved, That we earnestly recommend that it be continued as it is, without any change whatsoever.

The Perils of Popery

Whereas, The politico-ecclesiastical organization known as the Roman Catholic Church has become, by its great numbers, its false dogmas, its peculiar practices, its political activity, its hostility to our public schools, and its arrogant and bigoted assumptions of supremacy, a menace to the well-being of the people of our great Republic, therefore,

Resolved, That we urge our people to more fully inform themselves concerning the history, character, claims, and purposes of this age-long enemy of civil and religious liberty; that we request the editors of our official press to open their columns freely for such news items, correspondence, and discussion as will tend to awaken our people to the magnitude of this peril, and that we request our Bishops to place in the "courses of study" for our ministry such books as will fortify and prepare them for successful resistance of the future aggressions of the papacy.

HENRY BROWN,
W. E. ARMFIELD.

Board of Connectional Relief

WHEREAS, The Methodist Episcopal Church is a great Connectional Body of which every member of every Annual Conference is an integral part, a servant obligated to preach her doctrines and uphold her policy and is therefore related to the entire Connectional Body and not only to an Annual Conference; being liable to the appointing power by which he can be transferred to any Confeernce.

WHEREAS, We are convinced that funds for the support of the retierd preachers in such a Connectional Body can only be equitably and properly administered by a General Connectional Board, be it resolved that we memorialize the General Conference of 1916.

First: To appoint a commission, with power, whose duty it shall be to devise a plan by which all the funds annually distributed to the Conference Claimants of the Methodist Connection shall be administered and distributed through the Connectional Board.

Second: We suggest the name to be ,"Board of Connectional Relief."

Life Tenure of Bishops

Whereas, The Methodist Episcopal Church, through its General Conference, has repeatedly affirmed that "the episcopate is not an ORDER, but an OFFICE," and

Whereas, Our custom of permitting Bishops to occupy the episcopal office for life, with all the honors and emoluments that belong to the exalted position, seems contradictory and exceptional in our economy; Therefore, be it

Resolved, 1. That we earnestly recommend the immediate discontinuance of "the life tenure" in the episcopa loffice.

2. That our Bishops be elected for a term of four years, with a possible re-election for a second term, making eight years in all, except in the case of Missionary Bishops, who may be re-elected as often as the needs of the work may seem to require.

3. That at the close of his term of office, the Bishop shall take his place in the ranks of the itinerancy in the conference from which he was elected.

MEMOIRS

Rev. John LeCornu was born on the Island of Jersey, June 17, 1835; died at Walla Walla, Washington, July 16, 1915.

At the age of seventeen he came to America and settled at Columbus, Iowa. September 16, 1860, he was married to Miss Nancy E. Owens. To them six children were born, four of which are living, namely, Elmer, Norman, Stella and Grace, while John and Gertrude preceded their father to the better world.

When President Lincoln called for volunteers in 1861, John LeCornu enlisted as a member of an Iowa regiment, and went to the front. He was assigned to duty as bugler and orderly under General Stone, and with his regiment went with Sherman to the sea. At the close of the war he was mustered out of service and returned to farm life in Iowa. In 1869 he went to Kansas, and endured the hardships of the pioneer; in 1871 he was licensed to preach and entered the Kansas Conference on trial; he was ordained Deacon by Bishop Bowman in 1873, elder by Bishop Merrill in 1875. In 1879 he was transferred to the Columbia River Conference. He and his family, with many others, formed an emigrant train and drove across the country. When they reached Pilot Rock he left the company and traveled all night on horseback that he might be present at the opening session of the Conference, which was held in Walla Walla.

On March 4, 1883, his wife died, yet he struggled on and kept the children together. On March 13, 1887, he was married to Miss Lucinda King, who has shared with him the trials of an itinerant preacher's life for over 28 years.

His pastoral record is as follows: 1871, Valley Circuit, Kansas 1873, Greely 1875, Pawnee Circuit 1877, Baxter 1879; transferred to the Columbia River Conference and stationed at Walla Walla Circuit 1881, Waitsburg 1882, Eureka Flat 1883, supernumary 1886, Centerville 1888, Pomeroy Circuit 1889, supernumerary 1894 and 1895, Dixie 1896, Prescott 1897, Asotin 1899, Garfield 1901, Tekoa 1902, Colton 1904, Huntsville.

In 1905 he was appointed chaplain of the penitentiary at Walla Walla. Through his personal efforts nearly $500 was raised by subscription in the city of Walla Walla and used to purchase musical instruments, and a prison band was organized. He was also instrumental in securing an appropriation for a chapel. But these visible improvements

are insignificant when compared with Brother LeCornu's influence on the lives of the inmates of that institution. Many a man formed a higher ideal of life than he had ever known, because the chaplain had led him to Jesus Christ.

His last appointment, 1912, was Grace Church, Walla Walla, Washington. His parishioners mourn his loss but rise up and call him blessed because of his Godly life and what he had done for them and their Church. Brother LeCornu was a great man, measured by his work, his disposition, his geniality and his piety. A trust committed to him was a trust fulfilled, duties which came to him were duly performed and every charge that he served was better because of his pastorate.

His ability to make friends was equalled by his power to conserve friendship and in both he was a marked success. His face spoke of an honesty, dignity and spiritual capacity which his actions never contradicted. The very moral and spiritual atmosphere which surrounded him compelled those who came into his presence to breathe the thought of Christly obligation. His words were not necessary to such enforced thought, his bearing and life provoked it.

While he had been declining in health for some time, his last illness was brief. On the Sabbath before his death on Friday he preached as usual in his Church on Sunday morning, using for his text, "Taste and See That the Lord Is Good," and many of the audience testify that it was one of the most effective sermons that they had ever heard. In the evening he offered prayer at the union services held in the city park.

The funeral services wehe held in the First Church, Walla Walla, and in the absence of the District Superintendent were in charge of the pastor, Dr. J. F. Robinson, assisted by several ministers.

AMOUNTS GIVEN PER CHURCH AND PER CAPITA FOR THE MARIA BEARD DEACONESS ASSOCIATION DURING THE CONFERENCE YEAR

Not including amounts given by churches within the territory of the Central Washington Deaconess Hospital Association, as such a showing would not fairly represent their giving to Deaconess work, most of their gifts having been given to their own hospital.

The Blair Business College

SPOKANE, WASH.

THE one big aim of every young man and woman should be to accomplish their financial independence. Every man wants to make money—probably he has no great ambition to accumulate millions, but he desires to acquire enough to make him independent.

The majority are barely eking out an existence—"just making a living"— because they started out poorly prepared—handicaped by a lack of training and knowledge of business rules. Those who spend the little time and money in preparing themselves reap the reward.

A right start is success half won. The only short cut is by way of preparation. Invest in a business education. It will pay you greater dividends by far than any investment you could make.

The sole purpose of THE BLAIR BUSINESS COLLEGE is to prepare young men and young women to enter the business world.

Get ready to accept one of the splendid positions which are waiting for those thoroughly trained.

Announcement to all the Pastors and Laymen in the Territory of the Pacific Christian Advocate. : : : :

PLEASE READ CAREFULLY

Dear Brethren:

About one year ago we established a modest salesroom in Portland for the sale of the products of the Methodist Book Concern, including Sunday School supplies, books and Church requisites. This salesroom was made a part of the office of the Pacific Christian Advocate, and for that reason has been conducted with economy. The business of this salesroom has gone beyond our expectation and is increasing each month. It has already outgrown its narrow quarters and we are under the necessity of securing more room. This we have done and are happy to announce that we are now located in the new Platt Building at Washington and Park Streets. The new rooms are very elegantly located on the second floor at the Washington Street front. We have ample space for editorial and business offices, and a handsome store for the display of books. There will also be a neatly furnished room for ministers who wish to particularly examine our new books or for small Committee meetings.

Brethren, we want this salesroom experiment to be a success, as we believe you do. If you will give us your business it will be done. Sunday School orders, Book orders, Hymnals etc., will have as prompt attention here as anywhere.

One thing should be said: We do not intend to keep a stock of all the new books which are issued by the great publishing houses, but we will keep some of them and will increase the stock as fast as the business warrants it. Send us your orders and we will order the books for you if we do not have them on hand. We shall watch the market closely and desire to serve you in every possible way.

A word for your Advocate: None of the Advocates are having an easy year, and the Pacific is doing as well as the best. But just now we need some new subscribers. The paper deserves it, is worthy of it and your people need it. We now make the modest but urgent request that each pastor in the Oregon, Puget Sound, Columbia River, Idaho, Montana, and North Montana Conferences at once send us Two NEW subscribers, one dollar a year—to commence anytime. Please do this, Brethren: do it now. It will greatly help us.

Yours truly,

R. H. Hughes,
Editor and Manager

H. C. Jennings,
General Agent

Reports

REPORT OF SPOKANE DISTRICT.

Dear Bishop and Fellow Laborers:

One more year with its triumphs and its disappointments; with its sunshine and its shadows; with its crosses and its crowns, has come and gone; its records have been sealed in the archives of the past, awaiting their final revelation in God's great judgment day.

Looking upon the record from the vantage point of the now, we see the gains of our victories have been greater than the losses of our defeats; that the sunshine has been brighter than the shadows have been deep; that the crowns have been more glorious than the crosses have been heavy and again has come the assurance that

Thy saints in all this glorious war
Shall conquer though they die;
They see the triumphs from afar,
By faith they bring it nigh.

God has wonderfully blessed us with health; no death, not even serious sickness has come nigh us. We have expressed our appreciation of these blessings in service as well as in sentiment.

Splendid have been the accomplished results on every charge. While we have not reached our ideals, and God forbid that we ever should, yet we have seen progress—splendid progress, as the following facts will indicate:

As this is my sixth and last annual report, I will briefly refer to the advance made during my term of service on the Spokane District.

By a readjusting of the boundary lines this District had just suffered a loss of seven churches, 825 church members, 1206 Sunday School scholars. Handicapped by this loss, both numerically and financially, yet we were not hindered spiritually.

In net membership we have made a gain of about 800. When we consider that in five places our churches are on the verge of bankruptcy numerically, and that in many other places we have been seriously crippled by the removal of members, we see that the net gain does not tell the whole story of our conquests for the Kingdom of our Lord.

Our Sunday Schools have had a steady gain, until now we can report nearly 2000 advance over six years ago. As evangelizing agencies our Sunday Schools are proving their ability and their worth, for during this period there have been added to our church membership nearly 1800 as a direct result of Sunday School influence. During this same period our Sunday Schools have turned into the Missionary treasuries of our church nearly $5,000. Surely an institution that is productive of so much good is worthy of the most serious and prayerful cultivation the church can give. Brethren, "an evil tree can not bring forth good fruit."

The best League Institute that we have ever held was the one at Liberty Lake this summer under the leadership of Rev. C. D. Rarey.

It was a time and place of great spiritual uplift. If we could prevail on more to attend these centers of power I am sure it would result in increased membership and interest.

Church Building and Indebtedness

There have been built in Spokane District during the term of the present superintendency, six new church buildings at a cost of $95,500. There have been three buildings so remodeled and enlarged that most intimate friends would scarcely recognize them, at an expense of $29,500, making a total expenditure for building and improvements of just $125,000.

We have not been negligent of our old indebtedness, for during these years we have paid $64,700. This leaves us with a present indebtedness of about $97,000, but our total property valuation is approximately $450,000—crowding close to the half million dollar mark.

Our Benevolences

The benevolences of Spokane District showed a steady increase from the beginning until last year, when, owing to unaviodable causes,

we dropped nearly $1,600. This year will see us back where we belong in the advance line, if all our expectations are realized. We have raised a total in disciplinary benevolences of $57,647. This amount, with more than $11,000 reported for other benevolences, places us above $68,000 for total benevolences.

Briefly summarizing our material advance, we have:

Six new church buildings	$ 95,500
Three remodeled and enlarged	$29,500
Total buildings and improvements	$125,000
Net increase church members	800
Net increase Sunday School members	2,000
Total Discip. Benevolences	$ 57,647
Total all Benevolences	$ 68,045
Paid on old Indebtedness	$ 64,700
Present Indebtedness	$ 97,000
Total Valuation of all Church Property	$450,000

Brethren, it is with some degree of sadness and yet with joyful expectancy that I have been watching the arrival of this occasion.

Eighteen years ago Bishop McCabe appointed me as presiding Elder of that short-lived Moscow District. For four years I served the best I could, then Bishop Cranston united the Moscow and Walla Walla Districts and appointed me District Superintendent of the same.

On this vast field I toiled for three years, at the expiration of which time my vitality was so exhausted with the hardships of travel by train, by boat, by stage, private conveyance and by foot, that, fearing a complete breakdown, I requested Bishop McDowell to release me. which he graciously did. Then after serving in the pastorate for five years Bishop Smith put me in charge of the Spokane District, against my earnest protest.

Six years have come and gone since then, six years of toil, and worry and care. Six years of hard service cheerfully rendered for Him whose servant I am.

I have not seen the accomplishment of all my plans. That I have made mistakes and many of them, I am more consciously aware than others. And now as I am about to lay down the responsibilities of the District Superintendency I do so in the consciousness that I have tried to do my best. Through it all God has been better to me than I have deserved. With ill will for none, with love for all, I commit my record to Him who judgeth righteous judgment and who doeth all things well.

Sunset and evening star,
And one clear call for me
There will be no moaning of the bar
When I put out to sea.

Farewell.

REPORT OF FINANCIAL SECRETARY OF THE COLUMBIA RIVER CONFERENCE CLAIMANTS' ENDOWMENT ASSOCIATION

Dear Bishop and Brethren of the Columbia River Conference:

The appointment of a Financial Secretary to raise an endowment of $100,000 for the retired ministers of the Columbia River Annual Conference was a new departure for the Conference, but the work was launched, and your Financial Secretary entered the field the first part of October, and while this has been a year of pioneering and laying foundations for future work, yet we are glad to report some substantial progress.

WILLS—Before your present Secretary was appointed there was something like $3500 written into wills. One of the writers of these wills has passed away, and as soon as the estate is settled there will come to our endowment fund $1000. Pastors are requested to notify the Field Secretary of any member of their churches who desire to leave money to our endowment fund.

PROPERTY—Some years ago a retired minister of this conference gave to our Association three residence lots situated in the eastern part of the City of Spokane. Also another veteran preacher deeded to us a house and lot situated in Clarkston, Washington. Last fall a beloved retired minister gave us a deed to a five-acre tract of land containing a modern six-room house. The value of this property is about $2,500. A few weeks ago a good layman and his wife gave us a deed to two lots situated in St. Paul, Minnesota.

CASH—We have $1,000 cash loaned on first farm mortgage on a farm near Spokane, at 8% interest.

SUBSCRIPTIONS—On the sixth of last October we took our first subscription—$250. Since that date we have taken 380 subscriptions, aggregating a little over $12,000. These subscriptions range from $5 up to $500.

A word as to the apparent results so far. Property and cash obtained previous to 1915—$2,800. Property secured by your Field Secretary—$3,000. Subscriptions—$12,000. Total—$15,000. Total holdings of the Endowment Association—$17,800. The valuation on all property has been passed upon by the Executive Committee.

In conclusion, I desire to record my thanks to the District Superintendents and Pastors for their hearty co-operation in this important work. I have found a welcome in every parsonage and, with but one or two exceptions, a great helper in every Pastor.

Through the winter months we were kept from one or two appointments by deep snow, and later we were hindered by floods, but God's loving care has been with us the entire year, for which we are devoutly thankful.

W. E. ARMFIELD, Secretary.

ED. BAKER, Treasurer.

STANDING COMMITTEES.

AUDITING COMMITTEE—We have carefully examined the accounts of the Superintendents, Treasurer, and Secretary of Conference Claimants' Endowment Association, and find them correct.

J. O. HAWK,
J. CALLAHAN,
D. L. CLARKE.

EPWORTH LEAGUE—It is with joy and thanksgiving that we note the phenomenal and unprecedented growth of the Epworth League during the last quadrennium and that we now have an army numbering 860,000 members. But we regret that, in our own Conference there has been a net loss of nearly 400 Senior Leaguers during the past year, and that the membership of our Junior League is annually decreasing.

We heartily commend the Epworth League Institutes as training camps of Methodism and as recruiting agencies for the Christian Ministry.

We urge the observance of November 12 to 19 as Win-My-Chum-Week.

We would earnestly call attention to the Courses of Study for the year as outlined by the Board of Control and urge each Leaguer to offer at least one course.

1. Course in Personal Evangelism.
   Text book—"Taking Men Alive."
2. Course in Social Service.
   Text book—"Redemption of the South End."
3. Course in Bible Study.
   Text book—"The Teacher of Galilee."
4. Course in Foreign Missions.
   Text book—"Our South American Neighbors."
5. Course in Home Missions.
   Text book—"The South of Today."

We urge every pastor to do his uttermost for both Senior and Junior chapters, for the Institutes, for Win-My-Chum-Week and for an Epworth League Study Course.

ORLAND A. SCOTT,
Committee.

W. F. M. S.—The Woman's Foreign Missionary Society occupies a most important part in the estimation of the Great Leader of our Church.

WHEREAS, This great arm of the Church faces the greatest crisis in the history of its organization, viz.: that of placing one thousand missionaries in the field, the adding of four hundred thousand mem-

bers to its organization, and two hundred thousand subscribers to their periodicals, and $1,600,000 on the altars of God;

THEREFORE, We, the committee, recommend that study classes using the standard literature of the W. F. M. S. be formed on each pastoral charge.

We also recommend that organizers of above Society be freely admitted to our pulpits for the purpose of representing their work and organizing the same among our people.

We also humbly beseech the prayers of our Church that victory may be the reward of their toil, and we most earnestly recommend the Woman's Foreign Missionary Society to our people and pledge for it the most hearty co-operation of the pastors.

H. L. PEMBERTON,
JOHN H. DILL.

CONFERENCE BOARD OF EDUCATION

Your Committee on Education begs to submit the following report concerning our institutions of learning and methods of work, with recommendations to pastors.

WILLAMETTE UNIVERSITY is glorious in her past and is equally splendid today. She has been potent in developing the Northwest, her strong alumni everywhere transmitting to their generations the high character of their alma mater; and it is our careful judgment that the historic institution was never so well prepared to serve our youth as at the present time.

The faculty is composed of notable scholars and teachers, every one of whom is a real Christian. The equipment in buildings, libraries and laboratories offers excellent facilities. The student body is a credit to a Christian college. In view of this and knowing that the times demand high scholarship, and that everything fails unless Christian character be included in the equipment of life, we deem it to be a sacred opportunity and a clear duty for the pastors to urge our youth to attend our Christian schools.

Last year Willamette enrolled ninety-two freshmen—the largest class in her history. There was a gain of fifty-six students over the previous year, forty-six being in the College of Liberal Arts, and the prospects for the new year are more than encouraging.

The University is showing the effect of the excellent work of its very efficient President, whom we most heartily commend and congratulate.

We nominate for Trustee—Robert Brumblay; for Visitors—H. O. Perry, H. S. Randall, J. K. Cecil.

COLLEGE OF PUGET SOUND—It is with a genuine sense of satisfaction and devout thanksgiving to God that we received the report from the College of Puget Sound, Tacoma, Washington, the only Methodist school in the State of Washington. It has had a year of success. The endowment campaign, which was on at this time last year for a quarter million dollars, was closed successfully on October first last. Mr. James J. Hill paid his subscription of $50,000, and approximately

$35,000 more have been collected and invested. The scholastic standing of the college is recognized by the best of universities east and west. It is receiving the cordial endorsement and moral support of the leading educators of the State of Washington. There was an increase in attendance of 40% in the college courses, and a net gain of 29 enrolled last year, with a total enrollment of 374.

The organized Academy has been discontinued, but college preparatory work for students who are too old for entrance into High Schools has been provided for by a system of tutoring which is acceptable to the state authorities. The prospects are more encouraging than ever.

The endowment campaign expenses and the other demands from increased attendance has brought about a condition which has drawn upon the financial resources to the point of embarrassment. The only chance for relief is from the Public Educational Collections from the patronizing conferences.

The President is to be congratulated upon the leadership which he has given.

We nominate Rev. U. F. Hawk, Spokane, and Mr. B. F. Kumler, North Yakima, Trustees of the College of Puget Sound for the term of three years.

We nominate F. B. Short, Gabriel Sykes and the Pastor of Ellensburg as visitors.

KIMBALL COLLEGE OF THEOLOGY, at Salem, Oregon, closed a splendid year last June. The registration was thirty-five. It now seems that for next year it will be limited chiefly by our ability to secure student appointments.

The majority of the men who attended last year were men who had had some experience in the ministry, which indicates that the school is meeting a real need now. Progress is being made in securing subscriptions to the endowment fund.

We recommend the endowment of the John Flinn memorial chair of Systematic Theology to the attention of our Ministers and recommend that the Sunday Schools of the Conference be requested to give one Sunday's collection to this fund.

The Rev. J. K. Cecil and Wm. S. Heath are Trustees from this Conference and we recommend as visitors—J. O. Johnson and Andrew Warner.

We recommend the school to our young men already in the ministry as well as those contemplating entering this sacred calling.

PUBLIC EDUCATIONAL COLLECTION—By action of the General Conference a collection for the Board of Education has been placed among the Disciplinary Collections (see Par. 92). The apportionment is made by the Apportioning Secretary of the Church. Of the amount secured 20% will go to the Board of Education, the remaining 80% will be distributed by action of the Conference. The schools now receiving this 80% from this Conference are absolutely necessary if the church is to produce its own leadership and exalt Christ in the educational systems of these Northwest States. They are brought into comparison with Institutions well equipped and liberally supported and richly endowed by the State. The cause of Christ

must not suffer before our youth by an unfavorable comparison. Your committee recommends that the attention of the District Superintendents and Pastors be called to following paragraphs and sections of the discipline: 468, sec. 2; 469, sec. 1; and 410, sec. 6, for this year, since this is a new relation for this educational collection.

The money shall be distributed as follows: 20% to the Board of Education, 16% to Kimball School of Theology; of the remainder all that is raised by the charges north of the Oregon line shall go to the College of Puget Sound and that from the charges in Oregon shall go to Willamette.

CONFERENCE BOARD OF EDUCATION—Paragraph 465 of the Discipline makes it the duty of each Annual Conference to organize a Conference Board of Education.

Pursuant to that requirement the following is submitted for your adoption:

First: The Conference Board of Education shall consist of five ministers and five laymen, besides the ex-officio members. (The presidents of Willamette University, College of Puget Sound and Kimball College of Theology are the ex-officio members).

Second: The election of the board shall be as designated by the discipline; Provided, first, that, if ten members of the Annual Conferance shall request it, the Committee on Education shall nominate more than one for any or all of the vacancies, in which case the election shall be by ballot; Provided, further, that, failure to act on the nominations made by the committee shall not prevent the seating of the nominees.

Third: After the organization of the Board it may adopt by-laws and amend the same, subject to the ratification of the annual Conference and in harmony with the discipline of the Church.

Fourth: We nominate the following for election:

Ministers:
For 3 years: J. W. Caughlan, Gabriel Sykes.
For 2 years: C. W. Williams, H. C. Kohr.
For 1 year: M. H. Marvin.

Laymen:
For 3 years: R. N. Wright, E. V. Kuykendall.
For 2 years: H. V. Carpenter, Charles Chamberlin.
For 1 year: Fred Kemp.

MINISTERS AND STUDENTS: We call attention to the fact that in the five State Schools within our Conference territory there are 800 Methodist Students. We recommend that the pastors of the Charges where these schools are located make a student survey indicating the number of such students, the attendance upon church service, the number of classes in special religious instruction and other work among such students. We also call attention to the rural life conferences for ministers conducted both at Washington State College and the University of Idaho and recommend our ministers to attend these conferences.

We further wish to urge those desiring post graduate work to utilize the correspondence courses of some college especially with a

view to wider knowledge of sociological, economic and psychological studies.

J. O. JOHNSON, Chairman,
GABRIEL SYKES, Secretary.

THE STATE OF THE CHURCH—The state of the Church was revealed by the very comprehensive reports of the District Superintendents, is a cause of profound gratitude to our God, and some humiliation of spirit.

The wide and varied activities of the Church, her fearless and uncompromising stand for prohibition, social justice and Christian philanthrophy beget feelings of pleasure and pride, while the growing spirit of graternity and unity with "other sheep not of this fold" is commendable and a cause of congratulation.

The growth of congregations, the building of churches, hospitals and the gifts to great missionary enterprises, all proclaim that "Ichabod is not written on our walls." Yet comparing the complex conditions, large opportunity, and the tendencies of the times with the sublime purpose for which Methodism was brought into being, we find cause for grave concern and earnest importuning prayer.

We would call upon the churches to "first give themselves to the Lord," then to all the activities of Christian service. We would urge our brethren to exalt the great fundamentals of our Methodism—God; Sin; Salvation; Holiness; The Incarnation; Immortality; as the only specific for social unrest and the gospel method of bringing souls to our altars.

The growing tendency of Sabbath desecration has become a fearful menace to the spiritual life of the church. We appeal to pastors and people to give more earnest heed to the great privileges of the house of God.

Methodism, born in a revival, developed to astounding proportions by Evangelism ,can only meet the purpose of her call by a continuance of this message, and prevent the decadence of the spiritual life, heal the schisms and save the multitudes from the barren regions of speculative doubt.

The meager salaries of many of our preachers, at less than a living wage, is to be regretted. We feel that the time has come to call upon the Church for a more liberal support.

We recommend that a sustentation fund be raised in the districts throughout the bounds administered by the District Superintendents to supplement the local stipend.

The over-churched condition of some communities calls for the conservation of all resources; therefore we suggest co-operation with other evangelical bodies to prevent waste and friction, thus securing better financial support and closer Christian fellowship.

O .W. MINTZER.

CHARITIES AND REFORMS

WORK FOR CHILDREN—We believe that a far reaching form of charitable effort is that in behalf of dependent and neglected childhood. Recent statistics show that 85% of our criminals come from neglected

children. To meet this problem of neglected childhood statewide societies, such as the Washington Children's Home Society, and the Idaho Children's Home and Aid Society, are at work. They have the co-operation of evangelical churches as well as those of philanthropic impulse not allied with the Church. The great purpose of these organizations is to secure the care and protection of these children in Christian family homes. Such homes have already been found for several thousand orphaned and homeless children. To the end that this work may be made adequate to care for any such child in need we pledge our continued support, and will give the representatives of these societies the privilege of presenting from our pulpits the need of funds and homes.

PROHIBITION—We wish to express our faith in the helpful effects of state-wide prohibition, as shown in 60% reduction of jail population and increased property and better public morals. We commend the work of the Anti-Saloon League in bringing about this end, as well as its present work to preserve the good already gained, and pledge ourselves to unremitting effort for nation-wide prohibition. We wish to commend the public officers who have faithfully enforced the provisions of this law.

PAGEANTRY—In view of the danger of the degeneration of our holidays into mere carnivals, held at the behest of vicious interests, we commend to the Church the study of patriotic and religious pageantry.

AMUSEMENTS—In view of the pernicious influence of the public dance, and other forms of commercialized amusements, we would urge our people to every effort to provide healthful and normal amusements for our young people.

STANDING COMMITTEE—We recommend that this committee be constituted a standing committee with the addition of the names of J. W. Caughlan and Ed. Baker.

SOCIAL UNREST—In view of the present terrible social unrest and struggle in industrial affairs we reaffirm our faith in the teachings of Christ as offering the one final basis for all right social adjustments.

JOHN G. LAW,
CHAS. MacCAUGHEY.

CONFERENCE BOARD OF TRUSTEES.

The Conference Board of Trustees recommended to the Conference the election of Henry Brown, C. A. Hodshire and H. L. Beightol as Trustees of the Conference for a term of three years.

The Board recommend the faithful and successful work of W. E. Armfield as Corresponding Secretary of the Conference Claimants' Endowment Association and beg leave to suggest to the Bishop the reappointment of W. E. Armfield.

We bespeak for the Corresponding Secretary a hearty welcome into every pulpit and for the faithful co-operation of every pastor in the presentation of this cause.

U. F. HAWK, President,
J. O. JOHNSON, Secretary.

REPORT OF THE COMMITTEE ON BOOKS AND PERIODICALS

The quadrennium just closed shows the greatest growth ever experienced by our Publishing Interests. The amount of money paid the Conference from year to year as our share in the profits of this great business enterprise, is apportioned to our worthy Superannuates and their families, affording no little comfort and aid.

We are glad to receive the report of increasing business in the Portland Sales Room and earnestly recommend that your orders for books and Sunday School supplies go to Portland.

In meeting the additional cost in all materials used in printing, we consider the action of the Book Committee, in increasing the subscription price of certain of the Advocates, to be the wisest expedient. Great care must be exercised lest there be a decreased number of subscribers.

We are happy to have Mr. Robert H. Hughes re-appointed to the Editorship of the Pacific Christian Advocate and anticipate for our paper a continued high type and excellent standard of Church journalism.

M. H. MARVIN, President,
J. K. CECIL, Secretary.

THE CONFERENCE DEACONESS BOARD.

Our Conference institutions show a total property value of $139,300, with an indebtedness of $15,600, leaving a net valuation of $123,700.

We have treated during the year at Wenatchee 412 patients, Spokane, 1,115, a total of 1,527 patients, at an operating expense at Wenatchee of $13,293.81; Spokane, $43,776.58; a total of $57,070.39, besides the work of caring for ten old people.

The following deaconesses have been transferred to this Conference during the year:

Miss Elizabeth Jones, Miss Helen M. Schacht from Puget Sound Conference, Miss Ethel Guilkey from St. Louis Conference.

Miss Daisy Whipple is transferred to the Baltimore Conference.

We recommend the approval of the licenses of the following deaconesses:

Minnie Brown, Ethel Butts, Alice Denno, Mary Curnick, Ethel Gilkey, Alma Swanson, Helen Schacht, Dollie LaDuke, Elizabeth Jones, Edith Bird, Mary Stevenson, Elizabeth Black, Frankie York, Stella Alexander.

Miss Stella Alexander was not able to comply with the request of the Board last year because of physical disability and asks now for an honorable discharge, which we heartily recommend.

We recommend for indefinite leave of absence Mary Curnick. That one year leave of absence be granted Edith Bird, to attend school. That Miss Alma Swanson be granted a year leave of absence to care for parents. Frankie York and Elizabeth Black, one year leave of absence because of poor health. Mrs. Jeannette M. Sigerson has been granted a license and recommended for consecration.

We recommend the following Trustees of the Marie Beard Deaconess Association:

Dist. Supt. of Spokane District.
M. J. Perdue
Chas. MacCaughey.

And W. E. Armfield, Trustee for the Central Washington Deaconess Association.

We recommend the following for the three-year term on the Deaconess Board: J. K. Cecil, M. J. Perdue, Mrs. Nina Blake.

We recommend that the Central Washington Deaconess Association be approved by this Annual Conference and recommended to the General Deaconess Board.

We recommend that a committee composed of the District Superintendent of the Dalles District, the Pastor at Hood River and the Chairman of the Conference Deaconess Board be appointed to consider a hospital proposition at Hood River.

We recommend that no Deaconess Institution be established within the bounds of the Columbia River Conference without the consent of the Conference Deaconess Board.

We desire to express our appreciation of the very valuable and efficient work of the Field Secretary, the Rev. Charles MacCaughey, who during the last four years has brought to the attention of this entire Conference a real knowledge of our Deaconess work which makes it possible for the very extensive work that we are beginning.

Whereas, Our hospital in Spokane has been an invaluable asset to the Methodism of this Conference, and

Whereas, Said hospital for the past four years has been crowded beyond the limits of its normal capacity and has been compelled to turn away hundreds of needy people, who were thereby lost to the influence of our Church; therefore,

Resolved, First, that we approve the following action of the Board of Trustees: "That we at once proceed to raise a fund of $250,000 for hospital purposes in the city of Spokane, $100,000 of which shall be set aside as a permanent endowment and the remaining $150,000 for building and equipment.

Second: That all matters relative to the management of this campaign be delegated to the Board of Trustees.

REPORT OF THE SPECIAL COMMISSION ON THE COUNTRY CHURCH

The Special Commission on the Country Church appointed at the last Conference reports the beginning of a work that needs to be continued. The relative importance of this work is evident from the fact that over one-half of the church members of this Conference belong to the country church. We commend and express our appreciation of the special courses on rural church work offered by the Washington State College and by the State University and State Normal School, jointly, of Idaho, to our preachers in preparation for constructive rural leadership.

As a tentative program we suggest doing certain definite things:

1. Emphasizing the importance of the work of the rural preacher.
2. Concentration of effort to build up a few churches along modern lines and principles for the sake of inspiration as well as direct results.
3. Holding Country Life Institutes.
4. The Larger Parish plan.

We nominate the following to constitute the commission for next year: J. W. Caughlan, A. A. Callender, J. D. Lewellen, John G. Law and J. O. Johnson.

Memoirs

WILLIAM A. HALL

William A. Hall, the son of William and Lucy (Atkinson) Hall, was born in Lancashire, England, February 15, 1847.

In 1851, the family came to Walworth County, Wisconsin, where soon the father died.

When his step-father, William H. Ambler, went to defend the Union the family responsibilities rested upon him. These burdens crowded out his educational privileges. He was, however, supremely ambitious and after the war he began study under private tutors. His studious habits and earnest application made him a very accomplished man.

Brother Hall had a natural bend for law and this he studied, reaching a commendable degree of efficiency therein.

In 1886 he came west to Montana and there farmed and taught school.

He was given a license to preach in the Methodist Episcopal Church in 1870 and entered upon his ministerial work. He held charges in Beaver Head and Bannock Counties, Montana, and Salmon City, Idaho.

In 1872, he went to Michigan for special study, at the conclusion of which he returned to Idaho and resumed his church activities.

The Columbia River Conference Academy, located at Grangeville, Idaho, was in need of a guiling hand, so in 1879, Brother Hall was prevailed upon to assume its management, which he did for eight years.

During these years Mr. Hall was still pursuing the study of law. He was admitted to the bar in 1884 and began practice at Grangeville. He continued this work to the day of his fatal illness, and was the oldest practitioner in Idaho County.

He has held the office of Justice of the Peace, Probate Judge, and County School Superintendent, both in Montana and Idaho. He was also for four years United States Commissioner.

Judge Hall served in the Indian War of 1877, being Orderly Sergeant in a "Volunteer Company" in Montana.

In 1902 he received the honorary degree of Doctor of Law.

Possibly no one man has given such varied and continuous, efficient service to the changing population of this big territory as did Judge Hall.

When preaching was needed, and ministers were scarce, Brother Hall always shouldered the work and preached with fervency and effect.

As an Educator, Lawyer and Preacher this faithful man of God has served us well. As we cherish his memory may we be true to the enriched heritage which he has made possible to the people of this community.

The funeral services were held in the Methodist Episcopal Church, where as Pastor and layman, he had given liberally of his time, talents and means.

Members of the Bar acted as pall-bearers; the I. O. O. F. as escorts, and the Rev. R. E. Gornall officiated.

J. S. ANDERSON, D. D.

J. S. Anderson was born near Canton, Illinois, May 8, 1838, and died at Sunnyside, Washington, Sept. 11, 1915. The funeral sermon was preached at Waitsburg, Wash., by the Rev. Paul Little, A. M., where interment took place Sept. 14, 1915.

Dr. Anderson was converted in his seventeenth year, and two years later was licensed as an Exhorter in the Church, while just two months after his twentieth birthday he was admitted into the Minnesota Conference on trial, having gone into its bounds in response to the call of a Presiding Elder for young men to man the circuits of his District.

In November of that year, 1858, he was married to Miss Mary D. Rouse of Maiden Rock, Wisconsin, of whom he says, in an autobiographical statement found in his dairy: "In 1899, Feby. 28th, my wife, who had been for more than forty years my faithful companion and uncomplaining assistant in the work of my calling, fell asleep in Jesus." Just four years before this, as recorded in the same place they had followed to the grave the remains of their daughter Hattie. In

February, 1900, Dr. Anderson was married a second time to Mrs. Florence Wilson of Waitsburg, Wash., and again found himself greatly helped in the later years of his ministry by a sympathetic companion, who survives him.

He received his first appointment from Bishop O. C. Baker, and was ordained Deacon by Bishop Levi Scott.

His record is about as follows: In the years 1858-9 Prescott and Eau Claire, in the Minnesota Conference; 1860-65, Mondovia, Leon, Tomah, Black River Falls, and La Crosse, in the Northwest Wisconsin Conference; 1866-1879, Fayette, Waverly, De Witt, Davenport Fifth St., Davenport District, Iowa City, and Charles City, in the Upper Iowa Conference.

In 1880, on account of poor health, he was permitted to locate. In 1883 he moved to Oregon, and later, on account of his wife's sickness, to California. During this period he served as Supply at John Day, and Biggs, Oregon; and at North San Juan, in California, and was for three years in the service of the Government.

He became again a Conference member by admission on his certificate of Location to the Idaho Conference in 1890, Bishop Vincent presiding. During the years 1890-1896 he served in that Conference at Caldwell, Union and the Oregon District. He says in his statement already quoted: "In 1896 the General Conference transferred a large portion of the Oregon District from the Idaho to the Columbia River Conference and myself with it. At the session of the Columbia River Conference in 1896 I requested that the remnant of the Oregon District be placed in the Walla Walla and The Dalles Districts, and that I be released from the Presiding Eldership, which Bishop Earl Cranston complied with."

During the years 1896-1908 he served La Grande, Waitsburg, Grangeville, Asotin, and Dayton in this Conference. At his own request he was placed on the retired list at the Conference of 1908.

Dr. Anderson was a man of great intellectual force and retained remarkable control of his mental powers down to the last, in spite of much feebleness of body.

He was a strong believer in the adaptation of Church machinery to humanity's changing needs, and down to his latest years took a keen interest in the current discussion of all phases of religion. Ripe in years, in the soul of him he continued to grow.

Himself a thoughtful preacher of the Word, he was an appreciative listener under the pastorate of men who used the Study as well as the opportunity of pastoral oversight.

He will be missed from our counsel boards, and from the circles of admiring friends.

MRS. LONGBRAKE.

Life dawned to Sarah Belle Barto September 16, 1872, in the little city of Colfax, Illinois. Cradled and nurtured in a Christian home, confessing Christ early in life, an indelible imprint upon her character was made in the plastic period of adolescence. Educated in the public school, the State Normal School, and Abingdon College, she prepared herself for teaching, and for nearly eight years was a successful teacher in the primary schools.

Miss Barto become the wife of Rev. Elijah Hull Longbrake in June, 1901. Five years later their home was gladdened by the birth of a daughter who was christened Esther Louise.

Mrs. Longbrake was a true helpmeet to her preacher husband. With abiding convictions and ideals of the ministry, she was at one with him in whatever of sacrifice it demanded, and became his trusted counsellor and adviser.

In the years when she was well and strong Mrs. Longbrake accepted full responsibility with her husband in his pastoral labors. As a leader of Women's activities as the helper and friend of girls, she was chosen and efficient. Through personal effort she led many into fellowship with the Master.

When Brother Longbrake began his ministry in this church two years ago Mrs. Longbrake resumed some of the activities of other years. An attack of lagrippe was followed by a return of an old trouble. Convelescent after several weeks illness, confidence and hope was restored. The end came very suddenly on the afternoon of February 5th. With scarce time for a farewell, or even a backward look, she passed to "where beyond these voices there is rest."

Memorial services, attended by a large concourse of friends, were held in Lewiston, Idaho, M. E. Church on Sunday, February 6th, 1916. The precious dust, accompanied by the stricken husband and daughter, was conveyed to the old home in Illinois, and laid to rest in the family burial plot.

FOR

...A Business Training School...

To command the respect of business men, there are three prime requisites:

It must be Permanently Established;

It must present facilities in the nature of adequate Building and Equipment;

It must present a Faculty of trained men and women, not as figure-heads, but as actual teachers in the school.

As a natural consequence of these, **it must produce results.**

A pre-requisite demanded by parents and guardians is a wholesome moral atmosphere.

In all these, the Northwestern stands peerless. Visit us; make inquiry of the best business houses; do not make a mistake. You may as well get what you pay for.

Our diploma is authorized by the State of Washington.

Reports

REPORT OF COEUR d' ALENE DISTRICT

Dear Bishop and Brethren of the Columbia River Conference:

Six years have come and gone since my appointment as a District Superintendent and no man can recall them. The record has been made and we must say with oue of old "what I have written I have written." During this period I have traveled between thrity-five or forty thousand miles, by land and by water, on railway trail and steamboat, by auto car and hand car, in every sort of horse vehicle and on foot. I have been in perils by land and by water and by fire, having been turned back by a forest fire on Sunday, August 26th. I have passed thrugh all of these experiences without accident or injury and desire to make this public acknowledgment of my gratitude to God for his loving kindness and tender mercy through it all.

"Thus far the Lord hath led me on,
Thus far his power prolongs my days,
And every evening has made known
Some fresh memorial of His grace."

The record of the past five years indicates some very substantial increases in every department of our work. That the Church has kept ahead of the development of the country is quite remarkable when we consider that the period covered by this report has been one of great financial depression. The paralysis of the lumber industry, the failure of the fruit crops, the depreciation of real estate values, the high cost of living and the increasing demands of the great World War has made the financial burdens of our people very heavy. The following figures taken from the Conference Statistics for five years from 1911 to 1916, inclusive, will indicate in a measure the progress that has been made. In 1911 the amount paid for pastoral support was $27,754.00; in 1916, $32,187.00, an increase of $4,433.00. The membership in 1911 was 2,875, including non-resident members; in 1916, is was 4,325, an increase of 1,360. The grand total of benovolences reported in 1911 was $3,945.00; in 1916, $8,248.00, an increase of $4,303.00. In 1911 the value of church property was $147,500, and of parsonages, $28,950.00, and in 1916, the churches of the District were valued at $157,184.00 and the parsonages, $40,200.00, an increase of $9,684.00 and $11,250.00, respectively. The total enrolment in the Sunday School in 1911 was 4,806; in 1916 it was 6,827, an increase of 2,201. The number of members in the Epworth League in 1911 was 778; in 1916, 894, an increase of 71. We have built 10 new churches and six new parsonages at a cost of about $40,000.00.

While the records of the present year are not available, we feel certain from the reports received from the field that the good record of past years will be maintained.

A new church has been built at Cabinet, Idaho, located two miles from the Montana state line. This is a new church organized by Rob-

ert Thompson, pastor at Hope and Clarksfork, and becomes a part of that circuit. The church was dedicated last July by Rev. Charles MacCaughey of Sandpoint. This is a promising field and opens up a large territory unoccupied by any other denomination.

The new church at Plummer, Idaho, was dedicated on March 4th. In the absence of the District Superintendent, Rev. N. M. Jones conducted the dedicatory service. The church was built at a cost of $1,500, and was dedicated free of debt.

Last month we completed arrangements for the purchase of the Free Methodist church building at Clarksfork, Idaho. By this deal we gained title to church property worth $1250, free from all encumbrance. The purchase price was $300.

The chief building enterprise of the year is at Kellogg, Idaho, where Rev. E. C. Corn is leading in the building o f a fine modern church, to cost when completed approximately $8000.00.

The building is to be of brick veneer with a seating capacity of from 500 to 700. The basement is already completed and we expect that the building will be ready for occupancy before the snow flies. Kellogg is fast becoming the metropolis of the great Coeur d'Alene mining district and is one of our finest opportunities.

$3500.00 has been paid on old indebtedness. Rathdrum, Greenacres and Moscow have paid all their indebtedness to the Church Extension Society, Greenacres and Rathdrum having joined the ever increasing number of churches who report no indebtedness of any kind.

Improvements on church and parsonage property have been made this year to the amount of $2500.

The benovolences have occupied a large place in the year's program. In spite of the extra appeals for money from the Red Cross, Y. M. C. A., and the cry of a hungry world for bread, our people have shown a fine spirit of generosity and loyalty to the benevolent enterprihes of the Kingdom, and I think that our contributions to the benovolences will not fall below last year's report and we hope they will be in excess of that.

The Intensive Campaign inaugurated by the Commission on Finance and carried out on the District in April was a great factor in stimulating the Churches and bringing to them valuable information which was on impetus to greater financial activity. All of the churches have a finer sense of their obligation to the ministerial support than ever before. They have come to look upon the pastor's salary as a just debt, to be paid like any other obligation, and a more persistent and determined effort is being made by the church officials to meet this in full. I believe the records will show a gradual increase in ministerial support and a corresponding decrease in the deficiency column. Let us hope that the time will soon come when we have no further use for a deficiency column in our statistics.

While we have been looking after the finances, we have not for-

gotten the spiritual interests. Many helpful revivals have been held this year, the preachers for the most part being their own evangelist.

The Epworth Leagues, Sunday Schools and Women's Missionary Societies have all done good work. The Sunday Schools have made a good increase in their enrolment and were never so well organized or efficient as now. Their greatest need is a little more emphasis along spiritual lines. A splendid Epworth League institute was held at Coeur d'Alene in July. About 200 youg people were registered. While we were sorry that Dr. Sheridan could not be there, we had Dr. Doney and Dr. Benj. Young and their inspiring sermons and addresses will not soon be forgotten.

The Ladies' Aid Societies are still rendering splendid service. Some of these societies are phenomenal in the extent and character of their work. The society at Coeur d'Alene carried away the banner this year on the District if not in the whole conference for the amount of money raised, reporting at the Fourth Quarterly Conference, $1-207.93. Most of the other societies raised from $200 to $500 ofr church purposes.

Seventy preachers have followed my leadership on the district in the six years that I have been superintendent. What a splendid company of men they are. To have been called to the leadership of such a fine body of preachers is an honor of which any one might be proud. To their loyalty and self-sacrificing service for the church is due whatever success that has come to the work. You may think it mere sentiment but I speak from my heart when I declare to you that I love this great country which has been the field of my labors for six years. The best years of my ministry have been spent here. I love her hills and mountains, her winding streams, her broad rivers and beautiful lakes, her fertile fields and sunny skies and best of all her splendid people. To have known these people, to have shared their friendship and to have enjoyed their fellowship, is a compensation worth while. No matter where I shall go or to what field the church shall assign me my heart will be in the Coeur d'Alenes. And to all the preachers and laymen whose wise councils have helped solve the hard problems, whose words of appreciation and encouragement have made the burdens seem lighter and whose kind hospitalities have made the way easier I will now say so far as our official relations are concerned, "Good bye and God bless you."

Respectfully submitted,

B E KOONTZ.

RECOMMENDATION

We call attention to the fact that there are now only two departments for gifts to our Retired Minister Funds, **"Permanent Endowment"** and **"Conference Ministerial Support."** There is no column in the Conference Treasurer's report blanks for **"Connectional Fund."** Hence the money for our "Connectional Fund" will be taken out of the total amount raised for Conference Claimants under **"Ministerial Support."**

We, therefore, recommend that the one per cent formerly raised as a benevolence be added to the "Conference Ministrial Support" as follows:

An amount equal to 3½ per cent of pastor's cash salary (exclusive of house rent and missionary money) where that is less than $1,000. Beginning at $1,000 an amount equal to 4½ per cent on all

below $1,500. Beginning at $1,500 the amount shall equal 6 per cent of the cash salary.

Submitted by the Conference Board of Stewards.

Whitehouse, leaving $1,063.56 in the bank, which includes a balance, from field, Field Secretary; also that the Rev. J. K. Cecil, the Rev. U. F. last year, of $4.91.

We would recommend the re-appointment of the Rev. W. E. Arm-Hawk, B. L. Jenkins, D. S. Prescott and the Rev. W. E. Armfield, shall be the Executive Committee.

President Executive Committee.
J. K. CECIL,

Whereas, The Methodist Episcopal Church is now committed to an intensive campaign to provide through the various Annual Confer-

ences an adequate Endowment for Conference Claimants, and inasmuch as the last General Conference authorized and urged the Board of Conference Claimants to continue the campaign in both its intensive and extensive features during the present quadrennium, and recommended that Field Agents, District Superintendents, Pastors and Churches STAND STEADY TO THE TASK UNTIL IT IS COMPLETED; therefore, your Endowment Association makes the following motion: That as a Conference, we hereby pledge ourselves to a full and loyal co-operation with this church-wide program, and that we empower and urge the Endowment Association to inaugurate a suitable Publicity and Educational Campaign, looking forward to the securing of an adequate endowment.

W. E. ARMFIELD,
Field Secretary.

METHODIST UNIFICATION

Resolved, That we heartily endorse the resolutions of our sister Methodist Church of the South, in reference to Church Unification, as officially expressed at the recent session of the Columbia Conference held at Spokane. That we as a Conference reciprocate their sentiments and will cultivate the spirit of fraternity and brotherly love and will encourage all constructive endeavors to bring about a speedy consummation of the union of these two Methodisms which hold so much in common.

(Signed) J. W. McDOUGALL,
CHAS. MacCAUGHEY,
O. W. MINTZER.

BOOKS AND PERIODICALS

We realize the tremendous importance of the printed page today, for good and evil, and we know that the church press is the most potent weapon against the hosts of evil books and periodicals.

We welcome the reports of the book concern in general and more especially our own depository at Portland, which, for three years, has made a very fine growth in her business.

The Pacific Christian Advocate, our official organ, for this territory, has maintained its high standard through the years and we urge the pastors to recommend it to their respective congregations, and to endeavor to place a copy in every Methodist home.

We commend our Sunday School magazine which should be in the hands of all teachers using the graded lessons.

T. H. FERTIG, President,
THOMAS LAWSON, Secretary.

FREEDMEN'S AID AND SOUTHERN EDUCATION

Your Committee on the Freedmen's Aid and Southern Education Society submit the following report:

We rejoice in the work and achievements of the Freedmen's Aid and Southern Education Society. It is gratifying to hear that large numbers of youn people of African descent realize the value of a Christian education, and are attending the schools of the society to receive the benefits of the same. Whereas our Church is furnishing Christian training to thousands of pupils who are attending the institutions of the Society, therefore,

Be It Resolved, that this Conference heartily endorses the work of said Society and requeste the proper observance of Lincoln Sunday by our churches and urge all our congregations to contribute liberally to this department of the Educational Work of our Church.

We desire to thank Rev. J. R. Sasnett for his presence at the session of the Conference and for his instructive presentation of the work of the Society.

CHAS. MacCAUGHEY,
J. E. GARVER,
W. C. REUTER.

EPISCOPAL FUND

In looking into the accounts of the Episcopal Fund we find that for the year ending at this conference the Wenatchee district was apportioned $501, and paid $484; the Coeur d'Alene district was apportioned $577 and paid $544; the Dalles district was apportioned $559 and paid $398; the Spokane district was apportioned $532 and paid $481 and the Walla Walla district was apportioned $446 and paid $443.

This makes a total paid of $2,350 against an apportionment of $2,615.

Respectfully submitted,
COMMITTEE.

STATE OF THE CHURCH

The Church faces an hour of such moment as calls for consideration of such sanity, clarity and fearless courage with expectant hope as never characterized any hour of its history.

The ideals, the ethics, and character of not only our church but of all churches are being thrust into such a fiery furnace of testing as shall demand the keenest minds for leadership, moved by the greatest passion for God and man that has yet burned into the hearts of men.

The church, the moulding force of life, national, as well as social, religious and individual must face seriously and yet hopefully the task of caring for the soul of the nation in this hour of crisis and at the same time prepare for the momentous task which shall confront the country at the return of peace to our land and not only aid in making the world safe for democracy, but shall make that democracy the embodiment of the spirit and life of the kingdom of God. To this end the leadership and rank and file of the church must give attention that the great fundamental truths shall be so presented that with real potency they shall be translated into character and life.

The adherence to the great vital doctrines of life that has inspired and led the church, moving the whole like an army marching will certain tread will carry the message and mission of Jesus Christ until the whole world shall have become the Kind Kingdom of our Lord and His Christ.

ELIJAH HULL LONGBRAKE.
For the Committee.

REPORT OF THE COMMITTEE OF EPWORTH LEAGUE

We rejoice in the fact that the Epworth League membership is approaching the million mark, and we pray that a deeper spiritual life might permeate each and every member, for out of the Epworth League must come the life of the church tomorrow. May the world's great need drive the membership to their knees in deeper consecration, both of heart and life.

Many of our young men are enlisting at their country's call to give their life for world democracy. Their places will be hard to fill, and they will be sorely missed, and we urge for a greater awakening among those that remain with us.

We recognize in the Columbia River Epworth League Institute held at Coeur d'Alene and the Chelan Institute held at Chelan, two great forces for the development of the Christian life and activities of young people, and recommend the hearty support of these Institutes this coming year by all District Superintendents, pastors and churches.

We recommend the course of study outlined by the Epworth League, which is the same as mentioned in last year's report, and we hope that all Leagues in this Conference will find a place for this in their work.

REPORT OF THE WOMEN'S FOREIGN MISSIONARY SOCIETY

One of the most important factors in our church is the W. F. M. S.

Whereas, This great factor is facing the greatest crisis in the history of its organiationz, namely: The need of supplying of missionaries to take care of the thousands that are coming to our church in foreign lands, in helping to finance the great undertakings of Church, and the distribution of literature, therefore,

We, the Committee, recommend that a greater interest be urged in all our charges, that we offer our pulpits to those in authority to organize societies, and ask the prayers of the church for the success of all the work of the W. F. M. S.

BENEFICIARY
CENTENARY AGREEMENT
BETWEEN THE BOARD OF HOME MISSIONS AND CHURCH EXTENSION OF THE METHODIST EPISCOPAL CHURCH AND COLUMBIA RIVER

THIS AGREEMENT, made between THE BOARD OF HOME MISSIONS AND CHURCH EXTENSION OF THE METHODIST EPISCOPAL CHURCH, hereinafter called Board, by its Corresponding Secretary, and COLUMBIA RIVER CONFERENCE, hereinafter called Conference.

The Board hereby agrees that if the total receipts from all Conferences for the regular work of the Board, after deducting the sixty per cent to be returned and the expenses incurred in the Centenary movement, in the years 1918 and 1919, respectively, shall equal the receipts by the Board for regular work in the year 1917, and in case the above named Conference shall remit to the Board for such work as much in the years 1918 and 1919, respectively, as in 1917, it will appropriate to the above named Conference not less than the same sum of money in the years 1918 and 1919, respectively, as it appropriates to it in the year 1917.

The Board further agrees to appropriate to the above named Conference in the years 1918 and 1919, respectively (in addition to the foregoing appropriation), sixty per cent of its increase in remittances to the Board for regular work in said years, respectively, above its remittances in the year 1917, which increases shall be applied to the support of enterprises in said Conference agreed upon by the said Board and the Conference Board of the above named Conference.

It is understood between the parties hereto that the settlement upon which the Board shall make its appropriations in 1918 and 1919 shall be on the basis of the Board's records in Philadelphia and not on the basis of the minutes of the said Conference.

This agreement will not be binding until the Board in its annual meeting in November, 1917, approves it.

The remittances shall be computed for the Conference years ending in 1918 and 1919, respectively, and appropriations shall be for the years immediately succeeding.

TEMPERANCE REPORT

We rejoice in the magnificent advances which the causes of temperance is making in our day and we note with gratification and laudable pride the genuine contribution which the Methodist Episcopal Church through our Board of Temperance, Prohibition and Public Morals, and through earnest co-operation with all other temperance agencies is making. The establishing of our Board at the Nation's capitol was a strategic and statesmanlike move the wisdom of which is abundantly justified by results already achieved.

The nation was never so near to national prohibition as at this hour, while the war prohibition measure passed by the Congress was not all that we believe the exigencies of this crucial time demand, yet

we are thankful that no backward step has been taken and we will not cease our prayers and efforts until the goal of complete national prohibition has been reached.

While we wilingly respond to every patriotic call of the nation, yet, because the amount of grain now consumed in this country in making beer and whiskey is sufficient to supply fifteen million familes with a loaf of bread every day for a year, we protest that it is not fair to insist on self-denial of food and necessities of life while the brewers and distillers are permitted to continue this wanton waste of any of the country's grain in the manufacture of alcoholic beverages.

We join the last General Conference in declaring that "In unity of purpose and in solidarity of action we go forward, resolved, God helping us, that the liquor traffic shall die in this nation and die in our generation."

We unqualifiedly commend the persistent, constructive work of the W. C. T. U. and promise our hearty and prompt co-operation in all its splendid program.

We congratulate and thank the Anti-Saloon League for its bulldog grip upon the saloon and liquor business in this commonwealth which, after nearly twenty years of vicious fighting, has played such a large part in dragging that hellish business beyond the bounds of our state.

We caution all temperance forces to be on their guard on every side against this insidious foe ever getting back into our dry state.

We assure our Board of Temperance of our confidence and pledge them our co-operation in every possible way for furthering the cause of Temperance and Public Morals.

In presenting the cause of Temperance to our congregations for their contributions we will advise them of these plans and needs and urge them to deliver contributions to this work.

ROBERT WARNER, Chairman.
CHARLES A. BOWEN, Secretary.

REPORT OF THE COMMITTEE ON EDUCATION

Your Committee on Education begs to submit the following report:

The three demoninational Institutions supported by this Conference call for specific mention as follows:

Willamette University

Willamette University is glorious in her past and is equally splendid today. She has been potent in developing the Northwest, her strong alumni everywhere transmitting to their generation the high character of their alma mater; and it is our careful judgment that this historic institution was never so well prepared to serve our youth as at the present time.

The faculty is able and Christian. The equipment in buildings, libraries, and laboratories offer excellent facilities. The student body is a credit to a christian college. In the midst of our national and world crisis about 50 students have volunteered for service in defense of

human freedom. We recommend J. W. McDougall and H. C. Kohr as conference visieors.

College of Puget Sound

Whereas, The College of Puget Sound reports an increase in college attendance and a better academic standing with the public, with schools, and with young people,

And Whereas, It announces its purpose of raising within the next Religion for the purpose of introducing Bible Study and allied subjects, with the same academic quality and equipment of other departments,

And Whereas, It announces its purpose o fraising within the next year $20,000.00 for the endowment of that Department,

And Whereas, The Methodist Episcopal Church has its educational opportunity in Washington in the College of Puget Sound rarely, if ever, equaled,

And Whereas, Under the administration of President Edward H. Todd, it has a leadership proving to be equal to the task,

Now Therefore, Be It Resolved, That the Columbia River Conference welcome the President or any other representative of the College of Puget Sound to the pulpits of this Conference, in the interest of the College; and that we will encourage our young people to attend the College.

Nominations for Trustees

Your Committee would nominate for election at Trustees for the three-year term, Rev. Ulysses F. Hawk, Logan H. Roberts of Yakima, Rufus Woods of Wenatchee, to fill vacancy occasioned by resignation of B. F. Kumler.

Nominations for Visitors

For visitors your Committee would nominate the pastors at Yakima and the pastor at Toppenish and Wenatchee.

Kimball College of Theology

We believe that each considerable section of our country should, for the most part, be expected to supply the candidates for our ministry.

The location of a Theological School in the Pacific Northwest greatly promotes the preparation of our young ministers for their responsible vocation.

Kimball School of Theology has the official recognition of our Board of Bishops; the endorsement of our Board of Educatoin; is accredited to the public by being listed among the Theological schools of the Church.

We endorse the Kimball School of Theology and commend it to our ministers and people as worthy of their interest and contributions.

We recommend the election of U. F. Hawk and A. B. Lee as Trustees for one year, and J. K. Cecil as Conference visitors.

We record our appreciation of the efficient administration of Dr. Talbot, the President of Kimball School of Theology, and we recom-

mend the appointment of two commissioners representing this Conference, who shall be ready to confer upon the interests and wider usefulness of this school with like two commissioners from the other Conferences of this Episcopal Area should they be appointed. We suggest for these Commissioners F. B. Short and Gabriel Sykes.

We also urge upon all pastors to see that Sunday School offering is sent for the John Flynn Fund until every Sunday School in the Conference has participated.

Board of Education

Whereas, The last General Conference gave the Board of Education its rightful place as one of the Benevolences of the Church and the Apportionment Secretary makes the apportionment.

And Whereas, The Children's Day Fund for the assistance of students who are attending our colleges is still maintained as one of the stimulating influences to encourage young people to secure an education,

Therefore, Be It Resolved, That the Columbia River Annual Conference urge each pastor to bring the interests of the Board of Education before the laity of the Church, since this new relation is not clearly understood;

And Be It Further Resolved, That we will use our best endeavors to bring up the public education apportionment in full, and that in harmony with the Discipline the following division shall be made of this apportionment: 20 per cent to the Board of Education and 16 per cent to Kimball College, the remainder of all that is raised from charges north of the Oregon line, shall be paid to the College of Puget Sound and that from the charges in Oregon shall be paid to Willamette University.

We also wish to call atention to the large number of our young people who are attending our State Schools, and feel that a greater effort should be made to hold them to our church.

We commend the Board of Education for their foresight in making an appropriation for this work and call attention to the fact that assistance from this fund would prove very effective within the bounds of the Conference.

Resolved, that we endorse the advice of the President of the United States, viz., that young people ready for college should not permit the great world crisis to interfere with their educational preparaation for life unless the interests of home and country make this impossible.

We would urge them to restrain the spirit of adventure and restlessness and yield only to necessity in these very serious times.

GABRIEL SYKES, Secretary.

REPORT OF THE COMMITTEE OF WOMEN'S HOME MISSIONARY SOCIETY

In view of the splendid work of this society we desire to call attention of the members of this conference of the importance of having a society on all the charges to co-operate with those who represent

this department of Missionary activity, and who are rendering such needed help to the preachers on this frontier who are often in sore distress. We wish to call your attention to the fact that Mrs. Nina G. Blake, our Conference organizer, has a very interesting and educational set of slides on the work. And we recommend that the Pastors open their churches to the representatives of this Society for the purpose of organization and education. We also recommend the study book of the Society, "Missionary Milestones" and that it be used on every charge as a part of the Missionary program.

Respectfully submitted by the Committee.

METHODIST BROTHERHOOD

We, the members of the Columbia River Conference, believe the movement among men which is expressing itself through the organization of Methodist Brotherhoods is an evidence of increased power in the life of the Church. Opportunities for Evangelistic and social service and the promotion of civic righteousness are being met through this organization. We, therefore, urge the pastors to in every way possible to enlarge the membership of the Brotherhood and increase its efficiency.

J. C. HARVEY.

COMMISSION ON SOCIAL SERVICE

The Columbia River Conference, composed of ministers representing more than 21,000 members, invoke the blessing of Almighty God upon President Wilson, and his counsellors, upon our soldier lads, and on all who would sacrifice in the industries and the homes of our land for the common good. We call upon all men to put aside artificial inequalities of society, so that brotherhood and democracy may prevail. We commend the government in the attempts that have been made to give opportunity for all the people to help in the great undertaking which confronts our nation. Through the control of food and coal prices opportunity is given to all citizens to do their share in production, and the temptation is removed from any class to make excessive profits in this time of national danger. We hope that every American will aid in case it is found that there are still industries in which such control should be extended. May all feel the disgrace of excessive profits at such a time.

We also commend the government in the steps that have been taken, through the Income and Inheritance taxes to give the holders of larger wealth a commensurate opportunity to serve. At the same time this should mightily make for equality. We call upon all men to a larger ideal of citizenship. The holders of great wealth should have fair treatment, and should desire no more. The great mass of men must sacrifice for the national cause, and this sacrifice should be evaded by none. Laboring people must not be asked to bear the suffering of toil at less than living wages, while great profits are made by owners of industries. War must not be used as an excuse to tear down the safeguards and standards of labor.

Finally, we call all citizen to the exercise of the greatest self-restraint. Great advances have been made in social reform in our

nation; many important questions are still unsetled. But in time of danger of defeat, which might sweep away all, let us move at home, slowly and with great self-control, while giving our loyalty unto the death to the common cause.

J. G. LAW, Chairman.

COMMITTEE ON RESOLUTIONS

It is with great thankfulness that we record our appreciation of the North Yakima church and its effort to entertain this, the 44th session of the Columbia River Conference, and to Dr. Keeler and his assistants for the splendid music.

It is with pleasure that we record our thanks to the members of the church which has been host to this conference for the fine and delightful manner in which they have entertained te Conference.

We record our tanks to the Chamber of Commerce for the entertainment afforded the Conference through their courtesy in furnishing cars for the ride through the valley.

We desire to express our appreciation of the brotherly spirit manifested by the various churches and the Y. M. C. A. for the use of their buildings for the various works of the Conference and to the N. P. R. R. for special cars furnished.

The presence, inspiring, suggestive and illuminating addresses of Dr. Lynn Harold Hough have placed the Conference in debt to him in such a manner that we can only hope he will come again and do for us at some future time what he has done now; namely, given us new visions of old truths; new faith in the ancient doctrines and fresh courage to preach the old gospel for the new age and we feel that we owe the program committee a vote of thanks for bringing Dr. Hough to us this year.

We are profoundly thankful to God that He has restored to his old time vigor our presiding Bishop Hughes. We go on record as having enjoyed his presence, his presidency of this Conference, his genial brotherly spirit, his encouraging and helpful addresses, his out-spoken determination to raise the standard of Methodism in the Northwest. We also pledge him our hearty and unanimous support and co-operation in the forwarding of that sort of program which will make Methodism better known and better loved all through this section of the country.

W. B. YOUNG,
W. B. EAKIN,
M. J. PERDUE.
F. N. NORTON.
H. F. PEMBERTON,

In view of the following facts: 1st, That Christian civilization cannot exist apart from the Christian church;

2nd, That the Christian Church cannot prosper without a Christian Sabbath;

3rd, That because of the exceedingly inadequate and unfair Sunday

law in the State of Washington, the church is handicapped in her mission, many laboring men are being robbed of their due right of one day's rest in seven and hundreds of stores, pool joints, bowling alleys, moving picture shows, etc., are now operated on the Sabbath;

4th, That in this day of national peril the time has fully arrived when as a patriotic duty as well as a religious duty a great forward movement should be undertaken for the strengthening and preservation of the Christian Sabbath;

Therefore, Be It Resolved by the Columbia River Conference assembled in its 44th Annual Session that we earnestly request our Bishop M. S. Hughes to lead in a movement for the convening of one or more great pro-Sabbath conventions early in the year of 1918 at some suitable place or places in Washington to which may be invited representatives from various Christian denominations, in saving the Sabbath of rest and worship from the greed of Mammon, one great object of said meeting or meetings to be the drafting of a measure to be introduced into the next legislature giving Washington a Sabbath law constitutional, enforceable, thoroughly effective.

Resolved, That the month of April, 1918, be selected during which, as local circumstances permit, sermons in support of a Christian Sabbath shall be preached.

Lastly, Be It Resolved, that our Secretary be instructed to forward a copy of these resolutions to the Secretary of the Puget Sound Conference soon to convene, requesting him if in order to present these resolutions to said conference for their earnest co-operation with us.

O. E. FAULKNER,
FRED E. WHITE,
H. C. KOHR,
O. W. MINTZER.

To his Excellency, the Honorable Woodrow Wilson, President of the United States:

We, the members of the Columbia River Conference of the Methodist Episcopal Church, now in session at North Yakima, Washington, recognizing the great power rested in you, as our president and leader in this awful world crisis through which we are passing, do hereby pledge our loyalty and support. We, however, urge that you use the authority rested in you, as President, to eliminate the waste of food stuffs, in the manufacture of beer and wine.

MISSIONARY AGREEMENT

Moved, That we endorse the movement inaugurated by our Board of Home Missions to furnish religious facilities to our soldier boys in the various cantonments and training camps and that we take the special offering as nearly as possible on September 16th.

Resolved, That we appreciate the action of our Board of Home Missions in providing for an adequate celebration of the Centenary of the Missionary Society of the Methodist Episcopal Church and that we enter into the proposed agreement as to the distribution of increases in collections resulting therefrom 60 per cent local and 40 per cent to the Board at Philadelphia.

By O. W. MINTZER.

Whereas, The Disciplinary Plan of Finance has been tested under practically all conditions, and has so thoroughly demonstrated its efficiency wherever it has been faithfully carried out that it received the approval of the General Conference, which embodied it in the law of the Church, giving it a claim upon our judgment as men who are open minded to the testimony of experts and the evidence of facts and a claim upon our loyalty as men who accept and endeavor loyally to obey the law of the Church; therefore,

Resolved, That we commend the Disciplinary Plan of Finance to the attention of all our Official Boards and recommend that it be adopted and put in operation in all our Churches.

Resolved, That we urge all our pastors to exercise special care to see that the Plan is not rendered ineffective by the omission or feeble presentation of the Benevolent claims, or of any other essential part of the Plan, but to put forth every effort to secure a suitable educational campaign, a proper observance of the special days in the interest of the several Benevolent Boards, a personal canvass of every member of the Church giving proper recognition to the Benevolent claims, and an earnest use of the spiritual opportunities of the Plan.

Resolved, That we call the attention of our people to the fact that the Apportionments for the several Benevolent Boards are simply the minimum requirements, and not the full measure of responsibility, that the General Conference has fixed as the true ideal of benevolent giving, the standard of the Golden Rule, "As much for others as for ourselves," we therefore recommend that each Church endeavor to measure up to this ideal, at the same time accepting the Apportionments for Benevolences, as the minimum standard below which it must not and will not fall.

ROBT. BRUMBLAY,
B. E. KOONTZ,
ULYSSES F. HAWK,
H. O. PERRY.

Resolved, That we request our Presiding Bishop of the session of 1918 to arrange for the presence of a strong and sane evangelist, to conduct revival services during the session of that Conference.

MEMOIRS

WILLIAM J. WHITE

William J. White, known to us as Father White, was born in Philadelphia, Pennsylvania, on November twenty-fifth, 1825, and died in Spokane, Washington, July twenty-first, 1917, at the Deaconess Old People's Home. "In 1847 Father White started west, making the journey to New Orleans by rail and from there to Panama by boat. He traveled by river craft to the head of navigation on the Chagres River, portaged to Colon on the Atlantic side and landed in California in 1849 at the beginning of the gold rush. For two years he made his living as a blacksmith in the mining camps.

Father White began his career as a minister in August, 1861, when he was given license to preach. He was ordained at Carson City, Nevada, in 1865 by Bishop Kingsley and two years later he was ordained Elder by Bishop Thompson.

In 1880 he came to the Walla Walla country and joined the Columbia River Conference, the same year. He worked chiefly among the miners of Northern Idaho, where he was known in those days as the 'Elijah of the Coeur d'Alenes' because of his flowing beard, patriarchal appearance and sturdy manhood. He served the following charges: Palouse, Coeur d'Alene, Colton, Pullman, Waterville, Wardner, and Alba. He was made supernumerary in 1895, and was placed on the retired list in 1901."

The funeral service was held in the Vincent Methodist Episcopal Church. The following took part: Dr. Ulysses F. Hawk delivered the sermon. Father Turner and Bro. J. C. Kirkman each paid tribute and Bro. Thos. Lawson, as the pastor of Father White, told of his influence in the Church. Dr. Henry Brown offered prayer. Father Turner gave a worthy tribute, which in part was: "Wm. J. White, though not a college man, was a well read man in the history of the United States and well versed in the history of Methodism both in England and in America. As a preacher at times he was singularly impressive. Father White was a fine type of Christian gentleman and yet as courageous as the prophet Elijah on occasion." We will miss Father White at this Conference, for he has been present at every session for more than thirty-five years. His fearless utterances in the cause of right have been a mighty force in establishing the Kingdom of God in the Pacific Northwest. Though he be dead, yet he speaketh.

CLIFFORD W. WILLIAMS

Clifford W. Williams was born in Mitchell, Ontario, Canada, November 18, 1875. When he was seven years old he came with his parents to Aberdeen, South Dakota, which was the family home until their re-

moval to the west. He was converted at the age of seventeen and united with the Methodist Episcopal Church. Two years later he entered Dakota Wesleyan. After his graduation he went at once to Madison, N. J., where he entered Drew Theological Seminary, graduating in 1907. While a student at Drew he supplied Rockway Valley Charge, N. J.

Brother Williams entered the Newark Conference in 1907 and was stationed at Patterson, N. J. In the fall of that year at the earnest solicitation of his widowed mother, he transferred to the Columbia River Conference, serving the following charges: '08, Palouse; '09, Wallace; '10, Lewiston; '12, Hillyard; '13, Garfield; '14, Ritzville.

In 1905 Brother Williams was married to Miss Jennie Avery of Mitchell, South Dakota, who has been a true helpmate and loving wife. To this union were born five children, four girls and one boy, who, thus early in life are bereft of a father's care. The mother, Mrs. Anna Williams, one brother, Byron, and two sisters, Mrs. Ezra R. Whitla and Mrs. Ed Taylor, reside in Coeur d'Alene. One sister, Mrs. John Young, lives in Aberdeen, South Dakota.

Brother Williams was stricken on Sabbath morning, January 7, while conducting the morning service. His malady proved to be cerebral hemorrhage. He lingered for six weeks, his friends having only slight hopes for his recovery. He was brought to his mother's home in Coeur d'Alene, Idaho, in the hope that the change would be of benefit to him. All that loving hands, aided by skill and science could do, was done for him. The Chariot of God swung low, on the eve of February 21, 1917, and found him ready with a smile on his face to meet his Master, whom he had served so faithfully. His triumphal ministry on earth has been crowned in Heaven.

"Life's race well run,
Life's work well done,
Life's victory won,
Now cometh rest.

Sorrows are o'er,
Trials no more,
Ship reacheth shore,
Now cometh rest.

Faith yields to sight,
Day follows night,
Jesus gives light,
Now cometh rest.

We awhile wait,
But soon or late
Death ope's the gate,
Then cometh rest."

The funeral services were held in the First Methodist Episcopal Church at Coeur d'Alene, Idaho, at whose altars he was ordained Elder by Bishop Smith. The services were in charge of the writer. Addresses were delivered by Dr. U. F. Hawk, Superintendent of the Spokane District, the Rev. Robert Brumblay, Superintendent of the Wenatchee District, and the Rev. H. C. Kohr of Cheney, Wash., classmate of the deceased. A large number of his brother ministers were present. He was laid to rest in Forest Cemetery, Coeur d'Alene. An earnest, loving soul living near his Lord he sleeps, "until the day breaks and shadows flee away."

RICHARD BARRETT

Richard Barrett was born in Kamberen, England, June 27, 1834, and died at Emmett, Idaho, November 21, 1916, aged 82 years, 4 months, and 24 days.

When he was two and a half years old, he was brought by his parents to America. They settled in Linden, Wisconsin, and here Richard grew to manhood.

He was converted at the age of fourteen, and licensed to preach when he was eighteen.

He was united in marriage to Susan D. Overton, at Plattsville, Wisconsin, August 21, 1862.

The same week he enlisted in the Union Army where he served faithfully till honorably discharged three years and four months later.

In 1877 he, with his family, came west, and in eSptember joined the Columbia River Conference.

He served the following charges: Boise Valley, Summerville, Yakima, Alder Creek, Mitchell, Wasco, Pilot Rock, and Asotin. On account of failing health he took a supernumerary relation in 1889, and three years later retired. He is survived by his faithful wife, four children, and five grandchildren.

MRS. LENA GERTRUDE GAILEY

Mrs. Lena Gertrude Gailey, wife of Rev. R. A. Gailey, pastor of Vashon, Washington, died in the city of Seattle, June 9, 1917. She was stricken suddenly and all medical assistance was of no avail. To her family and the community in which she lived, her death was a great shock. Although having lived in Vashon less than a year, she was regarded by the people there as a true friend and as a sister beloved. When but a child she became a member of the Methodist Episcopal church. On the 9th of May, 1891, she was married to Ralph A. Gailey. Six children blessed their home: Grace, James, Eleanor, Ralph, Eunice and Lois. Sister Gailey will ever be remembered for the beautiful Christian spirit which she maintained in her home and for the untiring service she gave to her Church. The Vashon Methodist Episcopal Church was beautifully decorated by floral offerings from the many friends. The service of the funeral was conducted by Rev. Robert J. Reid, pastor of Mason Methodist Episcopal church, Tacoma. To Brother Gailey and the children, the Columbia River Conference gives heartfelt and sincerest sympathy.

The American Standard Bible

Authorized and Edited by the American Revision Committee

Easiest to Understand—Because it gives in plain English the exact thought and meaning of the inspired men who first wrote the Bible in Hebrew and Greek.

The Most Accurate—Because it is translated from the oldest and most complete authentic copies of the original Sacred Scriptures.

Every Bible in Use To-day is a translation and revision because there was no modern language when the Divine message was given to man.

Therefore **The American Standard Bible** is used by all leading Colleges, Seminaries, Bible Training Schools and leading scholars and Ministers. It is also the Text used in all the Graded Series of Sunday School Lessons and the basis for all the International Sunday School Lessons.

Made in all sizes of type and over 200 styles of binding, on fine, white Bible paper and Nelson's India paper; including Bibles and Testaments suitable for every want and every occasion. Prices from 45c up.

LIFE ANNUITY BONDS

You can secure a life income above prevailing rates, and at the same time help the Kingdom of God, by purchasing a Life Annuity Bond from the Board of Conference Claimants of the M. E. Church

A GUARANTEED LIFE INCOME

Christians with money are prayerfully asking: "What can I do to make sure of an income for life, and at the same time make my money eternally useful?" It can be done. The Board of Conference Claimants can help you realize this, and will co-operate with you to make your money fulfill a double purpose: To provide a safe income for life, and to help a good cause.

ANNUITY BONDS ARE PERFECTLY SAFE

Because the principal remains intact. Only the income is used, while you live, to pay your annuity either annually, semi-annually, or quarterly. Every dollar paid for Annuities is safely invested in a permanent Fund, and will bring a perpetual income for the aged ministers.

UNIQUE AND PERPETUAL INVESTMENTS

The program of the Board adapts itself to the Life Annuity plan better than most organizations, because the permanent Funds of the Board are a perpetual investment. The money is not invested in properties, but only in the most approved securities. This makes the money absolutely secure, and very few organizations invest the money committed to them in perpetual investments.

YOUR MONEY BECOMES IMMORTAL

Life Annuity Bonds pay high rates and serve the double purpose of helping the giver and the Veterans of the Cross, widows and orphans. The money thus invested is like a living stream. The overflow will enrich your life while on earth, and when you are in Heaven, the overflow will constantly quench the thirst of the Veterans. By purchasing Life Annuity Bonds from the Board of Conference Claimants of the Methodist Episcopal Church, you help yourself and your money becomes immortal. This is a Christ-like act.

A GUARANTEED INCOME

Can be secured for either yourself, your family, or some friend.

FOR A BUSINESS TRAINING SCHOOL

To command the respect *of* business men, there are three prime requisites:

It must be Permanently Established;

It must present facilities in the nature of adequate Building and Equipment.

It must present a Faculty of trained men and women, not as figure-heads, but as actual teachers in the school.

A pre-requisite demanded by parents and guardians is a wholesome moral atmosphere.

In all these, the Northwestern stands peerless. Visit us; make inquiry *of* the best business houses; do not make a mistake. You may as well get what you pay for.

ON W. H. M. S.

Recognizing the value and importance of the work of the Woman's Home Missionary Society, not only in bringing much needed help to many frontier pastors and their families, but also as an educational and evangelistic institution, we earnestly commend it to the attention and helpful co-operation of all our pastors and people.

N. S. HAWK, Secretary

STATE OF THE CHURCH

The church has never faced such a crisis as the present, and her character is being so tested as to demand the keenest minds, purified by the love of God, for leadership.

The church must lead in the preservation of the nation's life, and, at the return of peace, share in the political, industrial and social reconstruction of the governments, in such a manner as to contain the spirit and life of the Kingdom of God.

We therefore recommend the adherence to the great vital doctrines of the church, which are essential to life and righteousness.

BIBLE CAUSE

We unqualifiedly indorse the work of the American Bible Society, and urge upon each church that the regular apportionment for said society be fully met year by year. And, further, we recognize the tremendous responsibility that exists in the special appeal that comes to this society for the supply of the Scriptures to the boys in the nation's service, and pledge our hearty support and co-operation in this enterprise.

E. C. NEWHAM, Chairman.
C. A. BURRIS, Secretary.

REPORT OF SUNDAY SCHOOL BOARD

We, the Conference Board of Sunday Schools, recommend the following:

That the Bishop be requested to appoint a man from this Conference to be Superintendent of Sunday School Work in this Conference, who shall give his entire time to this work; provided support can be secured for him, either from the Board of Sunday Schools or from the conference, and in case this support cannot be secured he will give such portion of his time as his pastoral duties will allow.

Furthermore, this Superintendent of Sunday School Work shall select such assistants as will be necessary to carry on his work through the entire conference.

(Signed) T. H. FERTIG, Chairman.
HENRY T. GREENE, Secretary.

METHODIST BROTHERHOOD

There are less than half a dozen societies of the Methodist Brotherhood within the bounds of the Columbia River Conference, and reports indicate that they are doing meritorious work in their respective fields. It is our belief that there is a mission for these societies on nearly every charge. The world is calling for men to do social work, and no branch of the church is so admirably adapted to do such work as are the men of Methodism. We have the men and the means. All we lack is organization. We therefore earnestly urge our ministers to put the men of their respective churches at work through the Methodist Brotherhood.

REPORT OF COMMITTEE OF FREEDMEN'S AID

The work of this society has been carried on for over fifty years. The General Conference authorized and directed each pastor to observe the Lincoln Day Anniversary in February. Discipline of 1916, Par. 455, Page 302.

As a result of the work of the society we have 350,000 colored members, 3500 churches and over 2000 ministers. Our schools supply these churches with pastors and intelligent Christian leaders. For this purpose the 21 schools of the Freedmen's Aid Society with their 334 teachers and 3864 students must be maintained.

A War Call

On account of the increased cost of food supplies, fuel and everything that goes into the expenses of the schools, the Freedmen's Aid Society needs at least a 50 per cent increase over last year in its collections.

Its students and graduates are drilling in the cantonments, and soon will "be doing their bit somewhere in France."

Back of the cantonments are the schools, where others are being prepared to take the vacant places of those who fall in the trenches. Help the schools, and help them now, when their need is great.

They are making America safe for democracy, by providing a Christian leadership for ten million American citizens and patriots of the negro race. The presidents and teachers in these schools are doing a noble and heroic service. Give them a lift. Encourage them. Their work is vital to the future welfare of the nation.

We recommend, therefore, that each pastor observe Lincoln Day and that in addition to raising the full apportionment for the work of the society, an effort be made to secure a 50 per cent increase, to cover the additional expense on account of war prices.

We further recommend that the program and literature prepared by the society be distributed in our Sunday Schools and public congregations. This literature can be secured without cost by sending to the office of the society at 420 Plum Street, Cincinnati, Ohio, a postal card request.

Respectfully submitted,

ROBERT H. ALLEN.
CAL. H. BRYAN.

AUDITING COMMITTEE

We, the Auditing Committee, have carefully examined the accounts of the District Superintendents, Conference Claimants, and the Endowment Association, and found them to be correct. The accounts of the Treasurer and the Board of Home Missions and Church Extension were not presented to the committee and will be audited and included in the report next year.

In order that the business of the church may be transacted in a more business like way and all the accounts audited properly and accurately, we, the auditing committee, present the following resolutions:

Resolved, That the Conference elect at this session an auditor and a treasurer for next year's session and that hereafter at each session of the Conference the auditor and treasurer be elected for the succeeding session.

Resolved, That within ninety days after the adjournment of this session of the Conference, the treasurer submit to the auditor his report as presented to the Conference, together with his receipts from the benevolent boards for the sum due them severally and a statement of the funds remaining in his hands, if any. The auditor shall thereupon audit the Report and Receipts, and if they are found to be correct he shall deliver the accounts and funds (if any) to the Treasurer elect.

Resolved, That Pastors be required to see that their reports for the Conference Treasurer be placed in his hands properly made out not later than the first day of the Conference session.

Resolved, That the Treasurer give bond as required by the Discipline in the sum of.....Dollars. The amount to be fixed by this Conference.

Resolved, That no causes be reported under the head of Other Collections, except such as have been duly approved by the **Annual Conference Commission on Finance.**

Resolved, That the reports of the Pastors as presented to the Treasurer shall be correct in the following particulars:

1. They shall be presented on TIME.

2. Properly designated—showing in proper places the name of the Conference, the District, the Charge and the Pastor.

3. The figures shall be clear and legible.

4. They shall be correctly entered. The correct amounts shall be entered in their proper places, and the figures shall be in the proper digit column.

5. They shall be in agreement. The amounts as entered in A shall agree with the sum of the cash and vouchers as entered in B.

6. They shall be accompanied by proper official vouchers, and where they are in duplicate must not be torn apart.

7. They must contain no matter not contained in the Treasurer's report.

Resolved, That the Auditor be instructed to report the names of all pastors making a correct report in every particular, and that these names be published in the Conference Minutes.

Resolved, That the Annual Conference Commission of Finance be instructed to devise a system of accounting for all Accounts to come before the Auditor.

Respectfully submitted,

CHAS. L. CREESY, Chairman.
U. S. CROWDER.
J. D. LEWELLEN.

WOMAN'S FOREIGN MISSIONARY SOCIETY

No society in the church has any more far reaching results than the Woman's Foreign Missionary Society. Its workers go the world around. We would suggest that every pastor do his utmost in securing the organization of a local auxiliary in his church, if one does not already exist. We believe that the greater the outward vision and interestedness the greater the stimulus for home work.

Whereas, The W. F. M. S. is endeavoring to meet the new and added demands which are being heaped upon it by the new and abnormal conditions brought about by the world catyclasm, therefore we would recommend that a greater interest be urged upon all our charges, especially in assisting in the Jubilee movement, since this is in perfect harmony with the great Centenary movement. The Gospel for all the world is the goal toward which we aim. In our Conference only 25 per cent of the charges are doing anything for the Woman's Foreign Missionary Society.

This year one of our own young women, our own Conference girl, Miss Ruth Warner, will enter the service. Therefore

Be It Resolved, That we esteem it a high privilege to assist in her support with our prayers and our money. And to stimulate the keenest interest, Woman's Foreign Missionary literature should be widely used.

Signed by the Committee,

M. J. PERDUE, President.
W. C. STEWART, Secretary.

CHARITIES AND REFORMS

We commend the Children's Home Finding Societies of Oregon, Washington and Idaho to the interest and support of our congregations.

We recommend the appointment of M. J. Perdue as delegate to the State Conference of Charities and Corrections of Washington.

We recommend the appointment of a legislative committee consisting of the following: M. A. Covington, W. B. Young and Andrew Warner, and that to the limit of $25.00 this Conference will reimburse the committee for expenses incurred.

We express our enthusiasm and support for the government of the United States in its endeavor to stamp out the social evil through registration of disease, education and through the aggressive demand for the protection of life; and pledge our support in educational campaigns to that end.

Our Master taught us the true charity, the true democracy. The world must look for greatness not in wealth or power, but in service. We must direct the condemnation of man and God toward the strong who use their strength to grasp instead of to serve. We must herald as a most real possibility and as the world's greatest necessity the cessation of poverty, of slums of strutting pomp and idleness. We must turn the hearts of youth from the achievements of the mart and of the forum as ends in themselves to the greater achievements of the Saviours and servants of men.

We heartily commend our government in the steps taken toward financial democracy through inheritance taxes, through taxes on excess profits and through the development of information and regulations of the costs of production. We hope that this will proceed until the curse of riches and the curse of poverty will be removed. In the meantime we pledge ourselves to the most untiring efforts to develop the idealism in the hearts of our citizens that will make further steps possible.

We pledge our undivided and enthusiastic support for the Red Cross and the Y. M. C. A. as absolutely necessary contributions to the comfort of our men.

In all good will many organizations are undertaking to do war work with the result that there may be serious embarrassment to the government from demands for entrance of such organizations into the army and multiplied demands upon the people for financial help. While other denominations may have smaller work for specific ends, we suggest that each denomination provide its own funds for its denominational work and direct the attention of our people to our own overwhelming opportunities through our boards.

We request the Cabinet to appoint a member to represent the Conference in communicating with the National Committee of the Methodist Church which has the task of securing chaplains, with the Federal Council of Churches and with the Y. M. C. A. so that they may know a way in which to secure the support of our Conference as an organized body. Its duty also shall be to inform us through the Advocate of the needs for laymen and ministers in chaplaincy and Y. M. C. A. work.

THE EPWORTH LEAGUE

We recognize that in these transitional days there is greater need than ever for trained Christian leadership. The Epworth League has a large opportunity and responsibility in training such leadership. We believe that this important work should be given greater stress and encouragement in order that it become increasingly efficient and effective.

The Centenary plan affords our young people a challenging opportunity for service and achievement. We are confident that when these plans are placed before them they will respond with an eagerness and spirit that shall carry them beyond the goals set.

We believe that the present crisis enhances the importance and place of the Central Office Institutes in the lives of our young people. No other agency is so effective in recruiting young men and women to the world program of the church. Now, as never before, consecrated lives are needed. The Chelan and Coeur d'Alene Institutes deserve and should receive the unstinted encouragement and support of all our pastors, J. Edgar Purdy, Stanley G. Logan.

REPORT OF CONFERENCE DEACONESS BOARD

We, the Conference Deaconess Board, wish to make the following recommendations:

For renewal of license, Ethel H. Butts, Minnie M. Brown, Ethel L. Guilkey, Elizabeth N. Jones, Dollie La Duke, Maude Carter, Edith Bird, Alice Denno, Sadie Smith, Theressa Brown, Elizabeth Black, Mary Curnick, Mary Stevenson, Jeanette Sigerson, Helen M. Schacht, Winnifred Smith.

For acceptance of transfer, Miss Sadie Smith, from the Oregon Conference, and Miss Maude Carter, from the Rock River Conference.

That the Conference grant an honorable discharge to Miss Frankie York.

That leave of absence for one year be granted to Dollie La Duke and Mary Curnick.

That Helen Atwood, Dora Steiger and Genevieve Waller be continued on probation.

That Elizabeth Black be urged to enter into an active relation or ask for an honorable discharge, and that the Secretary inform her of this action.

We nominate for the Annual Conference Deaconess Board the following: To fill the one-year vacancy, J. W. McDougall; for the three-year term, M. J. Perdue, Mrs. Robert Brumblay and Fred E. White.

For the Board of Trustees of the Maria Beard Deaconess Association for three years, Geo. A. Phillips, Robert Brumblay, J. A. Murbach; and for the Board of Trustees of the Central Washington Deaconess Hospital, J. O. Hawk.

The efficient Central Washington Deaconess Hospital at Wenatchee is winning the support and commendation of the people in this community. During the past year the receipts from all sources have amounted to $20,060.30. The current expenses have amounted to $17,506.56. They have cared for 573 patients during the year. We have three licensed Deaconesses in our work at Wenatchee.

Our old People's Home at Spokane is doing a most excellent work, but there is no provision made for its support. The Committee recommends that an amount equal to one per cent of the pastor's salary be raised by each charge and forwarded to that institution. This will be reported in the Hospital column.

We wish to recommend that a committee be appointed by the Conference consisting of M. M. Higley, Robert Brumblay and Miss Ethel Butts, to reorganize the business management of the Central Washington Deaconess Hospital Association on an efficient basis and that this committee have power to add to their number.

We also recommend that the territory covered by the Central Washington Deaconess Hospital Association be left as it has been heretofore, north and west of Ephrata, and that Mr. A. V. Bradrick be loaned to the Central Washington Deaconess Hospital Association at such time and for such length of time as the board members shall mutually agree upon.

We recommend that the Columbia River Conference heartily and enthusiastically endorse the Seattle Deaconess Training School and give it our support in recognition of the world need for trained workers.

We recommend the following approval of those in charge of our Deaconess work:

That we commend heartily and enthusiastically Miss Ethel Butts and Mrs. J. M. Sigerson and their assistants.

The Conference realizes that in Mr. A. V. Bradrick we have a leader who will bring to a successful issue the splendid plans for the erection of the Hospital in Spokane. We rejoice in the success which has attended his efforts and recommend that he be retained.

The Deaconess Hospital at Spokane cared for 1798 patients during the past year, giving a total of 24,370 days of service. It is interesting to note that the cost per day per patient has been reduced from $2.92 of last year to $2.46 per day per patient this year. During the past year a property at 720 Fifth Ave. has been purchased for $6,500.00. Since May 1st $3,000.00 has been paid on this from the earnings of the Hospital. Last year our total subscriptions amounted to $36,375.66. This year they have increased to $70,263.25. This does not include the Epworth League subscriptions in Spokane amounting to about $2,500.00, of which over $500.00 in cash is in their local treasury. We are happy to announce that the work of excavating for the enlarged Deaconess Hospital is well under way.

REPORT OF COMMITTEE ON EDUCATION

1. To our schools and colleges through counsel and co-operation in matters of educational policy, in organization of personal religious work, in financial campaigns, in publicity which informs the church and promotes student attendance, in the solution of the perplexing problems produced by the great war—in all these and in less obvious ways—the Board of Education renders an unassuming but increasingly significant service. Recognizing that Christian education is the dynamo of the church for supplying trained manpower for all departments of its varied activities. We pledge our loyal support to the program presented to us by the Board for the coming year.

2. New and trying conditions confront education at this time. The government is asking institutions of higher learning to assume the duty of training high school graduates between the ages of 18 and 21, preparatory to assignment to officers' and other training camps. The Centenary Movement is creating many new demands for specially trained Christian workers. The College of Puget Sound for Washington and Northern Idaho, and Willamette University for Oregon, are representatives in this Conference in answering these calls.

3. The College of Puget Sound, at Tacoma, has made advancement academically and has held its own during this first year of the war. It has increased by $12,000 the endowment of the Chair of Religion. It is enlisting the 100 young men necessary to meet the call of the government to establish the Student's Army Training Corps. Its President, Dr. E. H. Todd, has been called by the Washington State Liberty Loan Committee to organize the State International Bureau for the Fourth Liberty Loan drive. We believe he should render this service, and that the pastors of the State of Washington should stand behind him and his school while he does it.

We nominate Rev. N. M. Jones and Hon. D. H. Cox for trustees for the College of Puget Sound for the term of three years, and Rev. Charles MacCaughey, the pastor of Central Church, Spokane, and the pastor at Wenatchee visitors to the College.

4. Willamette University: Despite the conditions incident to the war, Willamette University closed the seventy-fourth year with abundant reason for gratification, and the work accomplished is the best. The University offered its material and instructional resources to the government and the War Department has accepted them for the instruction of a Students' Army Training Corps. This will require somewhat radical adjustments out of which will come a new program of education.

The urgent need for a new dormitory for women causes the institution to present its appeal for this building in spite of the many other calls. The University gave President Doney to the Y. M. C. A. for six months' lecture work overseas, and he has returned with a message and outlook which bespeak a loyal relationship between the school and the nation.

To be trustees from the Columbia River Conference we recommend the election of the following:

Rev. J. W. McDougall for term ending in 1920.
Rev. R. E. Gornall for term ending in 1921.
Mr. William Shearer, Toppenish, for term ending 1919.
Conference Visitors—Rev. N. M. Jones, Rev. H. T. Greene.

5. Kimball College of Theology does a work which is not undertaken by any other institution of our church in the Pacific Northwest. It is accredited to our people by the Board of Bishops, the Board of Education, and is officially listed among the Theological Seminaries of the Church. We commend this institution to our young men who are entering the ministry or contemplating doing so, and to the good-will and help of our people.

We recommend the continuance of Rev. U. F. Hawk and Mr. A. B. Lee on the Board of Trustees; and we recommend the election of Rev. Robert Brumblay as Conference visitor.

6. The Conference Educational Collection should be divided the same as last year, viz., 20 per cent to the Board of Education, 16 per cent to the Kimball College of Theology, and of the remainder all raised by the charges north of the southern boundary of Washington to the College of Puget Sound, and all raised by charges south of that line to Willamette University.

7. It behooves the members and the laymen of this Conference to make special effort to enlist the young men of 18 to 20 who are high school graduates in the Students' Army Training Corps in our schools, that they and this Conference may perform the service asked by the government.

8. Realizing that greater care and oversight should be given to the large and ever increasing number of young people who attend our state institutions, we ask the endorsement of a program such as would include, eventually, the building of dormitormies at the Washington State College and the University of Idaho and in conjunction with the College of Puget Sound, the establishing of such professorships at said institutions as seem advisable.

CENTENARY PROGRAM

Praise God for the Centenary Program! The heart of the world turns to Christ! Without Him human greed and sin may turn God's fair world into shambles of sorrow and heartbreak.

The two Mission Boards, the Boards of Sunday Schools and Epworth League, are calling us through this movement to really preach the redemption of the world and act as if we meant it desperately. In attempting to raise a fund of $80,000,000.00 we are beginning plans for real sacrifice and accomplishment that will really appeal to our people as Christlike.

When we honestly face the fact that one-half of the world has neither schools nor hospitals, that democracy is absolutely impossible there, we are driven to prayer. Thank God for prayer! We welcome the league of the fellowship of intercession!

We realize that the man who withholds his stewardship of time

and money is a sinner like the liar and blasphemer. We call the church and all men everywhere to repent of sin. In dead earnest we will preach stewardship!

The Hun horror has driven men to realize that only Christ can save, not a worldly church or a worldly pleasure mad social life. We must dedicate our social life, our fraternal personal pull to save a world from hell, here and beyond. On with the evangelistic drive!

As we see the awful disaster of a world that knows not Jesus Christ, we call our families to dedicate their finest treasures to the world's greatest task, the preaching and teaching of Christ. We must burn this into the hearts of our people.

The fact is that the world was losing the distinction between the Christian and the man of the world. The world was not dying for what many of us had and now the Christian way shall mean sacifice and glory, scars of suffering and beauty; we shall be a separated and holy people. May this prospect make our spiritual life to burn and cause our noblest youth in desperate haste to prepare as the best trained workers in the world for the wonderful task.

May God bless the leaders and convict of sin the indifferent and the greedy.

We welcome the Area Council organization with Dr. C. A. Bowen as executive secretary, and desire to assure him and Bishop Hughes of our determination to co-operate in every way possible. In order to complete this area organization, so far as our Conference is concerned, we will ask the Bishop to appoint the following representatives for the Annual Conference Council:

Ministers: J. G. Law, Robert Warner, S. G. Logan, W. H. H. Forsyth, Andrew Warner.

Laymen: Moscow District—E. J. Schuldt, Colfax; W. H. Littebridge, Moscow; F. D. Webb, Lewiston.

Wenatchee District—Fred B. Kemp, Wenatchee; Day Imus, Ritzville; H. H. Fellmy, Oroville.

Spokane District—M. M. Higley, Spokane; Arthur D. Lee, Spokane; W. W. Smith, Wallace.

Dalles District—S. E. Notson, Heppner; W. C. Kech, Hood River; C. F. Averell, Pendleton.

Walla Walla District—J. L. Hughes, N. Yakima; R. F. Hanke, Kennewick; D. H. Cox, Walla Walla.

THE CHURCH AND THE WAR

Two thousand years ago the times were fraught with destiny. The world was anxious and expectant. The sun, moon, and stars of the old order were about to fall, and the new age was to be ushered in. Its advent was proclaimed by the fiery prophet of God preaching righteousness and saying, "I am the voice of one crying in the wilderness; prepare ye the way of the Lord.

Once more the times are fraught with destiny. Once more the order changeth. Once more the world is anxious, troubled, expectant, and longing to hear the prophetic voice interpreting this world tragedy. The church of Christ must be that voice. To be the voice of the true prophet she must understand the duality of Christ and of life. The distance we can go east is equalled by the distance we can go west. The height of the highest mountain is equalled by the greatest depth of the sea. Our capacity for love equals our capacity for hate. Christ was not only the Lamb of God, but also the Lion of the tribe of Juda; not only the Prince of Peace, but the One who came to send a sword on earth. Not only does He love all that is good and true with an infinite love, but with equal degree does the wrath of his righteous indignation blaze forth against all that is evil and that maketh a lie.

By the very nature of things there can be no worthy and legitimate attitude except that of warfare between light and darkness; right or wrong, justice and injustice, the principle that might makes right, and its opposite that right makes right. And by this very truth there can be no other attitude except that of warfare between the principles of the allied nations as proclaimed from time by the President of the United States and the principles proclaimed and practiced by the Imperial German Government.

On the stage of the world's activity, we are witnessing the death grapple of the giants—the contest between two principles of life diametrically opposite. In this titantic struggle, 1275 millions of the 1600 millions of the earth are engaged in a greater or lesser degree on the side of the allies. In a much fuller sense than we had dared to hope, and in a larger sense than Kipling had ever dreamed, are being fulfilled today those lines:

Oh! east is east, and west is west, and never the twain shall meet,
Till earth and sky stand presently at God's great judgment seat;
But there is neither east nor west, border, nor breed, nor birth,
When two strong men stand face to face tho they come from the ends of the earth.

Not only are strong men from the ends of the earth standing face to face today, but they are standing face to face under the most fiery trial, severest suffering, and on behalf of the greatest cause for which man ever fought or died. And as thus they stand all accidents of nation, birth or race are rendered oblivious and we behold an example of brotherhood unparalleled. As we behold this second Gethsemane and Calvary and with the eye of faith see something of its significance, we are led to exclaim, "He hath done exceeding abundantly above all that we ask or think." For this tragedy is nothing less than the re-birth of civilization, the unfolding of the Kingdom of God.

As a division of the Christian Church, militant Methodism as represented by the Columbia River Annual Conference desires to be a voice proclaiming that this world war is a struggle between righteousness and unrighteousness and that the only place for those who rightly understand the teachings and spirit of Christ is loyally supporting the government.

2. As a church and as individuals we re-emphasize the high moral

aims of the nation and of the allies as proclaimed from time to time by His Excellency, the President of the United States.

3. We commend the Red Cross, Y. M. C. A., Y. W. C. A., the Salvation Army and kindred organizations, for the manner in which they have manifested the spirit of Christ in their programs of service.

4. Like pioneers our soldiers and sailors are blazing the trail over which the future generations will travel. They are truly a voice reiterating the message long proclaimed by the church and now exemplified in the midst of the Old World that the greatest and most efficient army in all the world is the one socially clean, temperate, and inspired by the loftiest ideals.

5. With all the power of the siren upon the midnight air, we wish to raise our voice in warning against a premature peace—a peace that would end the war before the very roots of the world tragedy have been destroyed.

6. The voice of the historian who looks back upon this world war which began in 1914, one thousand years hence will declare: The front line trenches in that great struggle were not all in Europe, but everywhere throughout the allied nations. A large part of them were held by the Christian forces that supplied the moral and spiritual dynamic; that kept faith strong and hope bright; that maintained the morale of the people at home without which the morale of the people 3000 miles away would have failed.

We would be the voice of the prophet and proclaim not only the holding and advancing of the front line trenches in France and Belgium, but also those in all the allied countries as represented by the church of Christ.

RECOMMENDATION

We call attention to the fact that for the past two years we have been able to pay only five dollars per year for each year of service. That $14,344 is needed to meet the Annuity claims and $1,938 to meet the needs of Necessitous cases.

Therefore we recommend the following: That forty cents (40c) or each full member reported at the session of 1918 be raised by each charge for this fund. The recommendation was unanimously adopted.

REPORT OF THE CONFERENCE ENDOWMENT

Association Executive Committee:

Your Association had had a very good year as may be seen by the Treasurer's report, and by the report of our Corresponding Secretary, the Rev. W. E. Armfield.

We are very happy over the speedy recovery of Brother Armfield, and it would seem that his work will be more easily done than has been possible for a number of years. We heartily recommend him to be reappointed to the position of Corresponding Secretary.

We further recommend the following to be members of the Executive Committee and Trustees of the Endowment Association: the Rev. J. W. McDougall, the Rev. U. F. Hawk, Mr. B. L. Jenkins, Mr. D. S. Prescott and the Rev. Robert Brumblay.

The work of raising and collecting the $300,000 for an endowment will go on vigorously and we ask for the hearty co-operation of every member of our Conference.

Respectfully submitted,

J. K. CECIL, President.
D. S. PRESCOTT, Secretary.
B. L. JENKINS, Treasurer.

RESOLUTIONS ADOPTED BY THE CONFERENCE

From the Moscow District Ministerial Association:

Resolved, That we inaugurate a campaign covering the coming year setting 5,000 tithers as a definite goal for the Conference.

From Robert Warner, Robert Brumblay, W. B. Eakin and Ulysses F. Hawk:

Resolved, That our Conference memorialize the General Conference of 1920 to recommit the whole matter of selecting the Course of Study for preachers, local preachers, class leaders and deaconesses to the Board of Bishops who have made the Conference Course of Study one of the greatest schools of the prophets the world ever saw:

From a Special Committee:

Resolved, That we, the Columbia River Annual Conference, request the Board of Home Missions and Church Extension to deduct from our church extension credit and apply on the account of the Lewiston church debt, the sum of $1,500 for the year 1918-1919, and $1,000 for the year 1919-1920.

This Resolution was unanimously passed.

From the Committee on Resolutions:

The members of the Columbia River Conference cannot refrain from expressing their deep and abundant gratitude to the Methodist people and Pastor of Pendleton for the generous manner in which the forty-fifth session of the Annual Conference has been entertained.

No trip through the city and country brought more of delight and pleasure than did the one made possible by the Pendleton Commercial Club. We wish to express our thanks in this way and at this time.

We also desire to express our appreciation for the kind thought and welcome extended by other churches. We are sure that this feeling of fraternity and love has done much to make our stay in the city pleasant. In this connection we desire to express thanks to Judge Lowell whose welcome address was so thoughtfully prepared and so ably delivered.

We were welcomed also by our publishing interests. Our Pacific Christian Advocate was here, as well as its editor, to greet us. We shall look forward with gladness to the leadership of this paper in the Centenary movement.

The presence, inspiring addresses and helpful suggestions made by Drs. Brummitt, Dean, Farmer, Van Cleve, McLaughlin, Wilson and Fry were filled with a new kind of enthusiasm which we shall carry home with us and out into the new Conference Year.

Drs. Todd, Talbott and Doney are really unique. We all love them; they are ours, and each and all welcome at any time in our Conference. But we wish to say that Dr. Doney's addresses to this Conference and city—addresses which connected the activities and conditions of our boys at the front with our own hearts—leave us under a debt of gratitude to him.

Bishop Stuntz brings his "wisdom from afar." His fruitful labors and rich experiences which have been gathered from the whole wide

world enabled him to come to this Conference with inspiring thought at a time when we needed most the fire of enthusiasm and zeal for the great Centenary program just opening. We wish to record our deep appreciation of his intelligent and brotherly administration, helpful addresses and unselfish devotion to the Master's work throughout the week.

Memoirs

FRANCES ELEANOR STARRING

Frances Eleanor Starring was the seventh child in a family of eight born to Henry and Martha Starring. She was born at Clarkston, Mich., March 18, 1862. She graduated from the Clarkston public schools and spent several years teaching. At fourteen years of age she was converted and never wavered in her consecration for a single moment. She was married December 28, 1892, to Henry A. Sheldon, a probationer in the Detroit Annual Conference. With him she served several charges within the bounds of the Detroit Conference. In 1906 transferred to the Columbia River Conference and served charges at Davenport, Colville and Union Park, Spokane. At the latter place Sheldon broke down and was compelled to retire from the active ministry. The family returned to Michigan and located at Ann Arbor seven years ago. Here the remaining years of her life were spent.

One child, Olive Belle, who graduated from the University of Michigan, in June of this year.

She was a quiet, unassuming soul who spoke but little in words but who exemplified a splendid doctrine in her life. She loved the truth and touched many lives and inspired all everywhere to do and be their best.

MEMOIR OF SISTER ROBERTSON

Ada Dayton was born in Lansing, Mich., November 30, 1880. When nine years of age she came west with her parents and settled in Salem, Oregon. As a graduate of Willamette University, she taught for several years in the schools of Salem. On May 10, 1916, she was married to Rev. John Robertson while the latter was stationed at Moro. Their mutual felicity reached its crowning joy when on August 12, 1918, a baby boy was given to them. Such noon-tide happiness was overshadowed, however, when, after brief suffering, Sister Robertson passed away on August 26.

Having transpired so recently, there has been little opportunity for formulating a suitable memoir. But still we realize that no amount of eloquence, and no degree of preparation, could ever adequately express the sentiments that we feel at this hour. Our hearts go out to Brother Robertson in deep, living, throbbing sympathy, yet we feel that in her he was richly blessed in a way that he can never be impoverished. Theirs was an ideal home. Never seeking after

prominence, she quietly and constantly administered, with queenly grace. All who knew her felt the influence of her sweet, splendid, womanly virtues.

She could never recall the time when she did not know the Lord, and grew up in grace and wisdom and the love of God. During her sickness, Sister Robertson was wont to ask her husband to close the door and lead in devotions, after which she would say, "That's what I like." Hers was no death, but a blessed transition. Her experience was deep; her faith was strong. Her last testimony was radiant indeed. Whilst we mourn with those that mourn, we thank God that her life was such a blessing to her husband and to the church, and to all who knew her Heaven itself has been enriched by her splendid soul.

E. CLIFFORD NEWHAM.

THOMAS C. HODGSON

Thomas C. Hodgson was born in New London, Conn., October 4, 1845. He died at his home near Coeur d'Alene, Idaho, January 7, 1918. In 1887 he and his family came from the east, settling in The Dalles, Oregon. In 1892 he united with the Columbia River Conference and has served the following charges: 1891-2, Prineville, Ore.; 1893, Hood River; 1894, Ritzville, Wash.; 1895, Coeur d'Alene, Idaho; 1904, Harrison, Ilaho. In 1905 he took the retired relation, and has since made his home near Coeur d'Alene.

His wife and two children, Mrs. Frank Weeks of Coeur d'Alene and Thomas G. of Spokane, Wash., and four grandchildren are left to mourn.

Brother Hodgson was the son of a Wesleyan local preacher in England. Those who knew him, whether as pastor, neighbor or friend, characterize him as a man of intense devotion and untiring energy. He gave himself unsparingly to every task, whether on the ranch in the foothills or in the regular work of the ministry. Both old and young alike who knew him felt the touch of his dynamic life. Every worthy cause met with his support. He was ever a defender of the principles of right and justice.

His message from the pulpit was impassioned scriptural, earnestly urgent that men should serve the living God.

Brother Hodgson lived in the Coeur d'Alene country for more than twenty years. Many lonely homes, far removed from the main thoroughfares of life, were gladdened by his cheerful presence. Until the time of his death, he was frequently called upon to officiate at the special services and to perform the ceremonies of the church. Many in all walks of life feel keenly through his death the loss of a friend and brother.

Optimism and courage were his characteristic traits. With him it was always "better farther on."

Funeral services were held in the Methodist Episcopal Church in Coeur d'Alene, Idaho, in charge of the pastor, the Rev. B. E. Koontz, assisted by the Rev. F. R. Spaulding, who was his first presiding elder, and Dr. U. F. Hawk, Superintendent of the Spokane District.

He was laid to rest in Forest cemetery, Coeur d'Alene, "Till the day dawns and the shadows flee away."

MEMOIR OF MINER C. NEWELL

Miner C. Newell was born at De Tour, Mich., January 27, 1872. Here he spent his boyhood which was saddened by the death of his mother. Later the family moved to Sault Ste. Marie, Mich., where he became a member of the Presbyterian Church.

At the early age of fifteen he felt the call to preach, and upon leaving high school made his plans to study for the ministry as his life work. The death of his father, however, laid upon him financial burdens, causing him to relinquish his ambition. He became identified with the lumbering interests of Northern Michigan until 1906 when he came West to Athol, Idaho, and entered the employ of the Athol Lumber Co.

While here Brother Newell was deeply stirred during a revival service and renewed his covenant. He felt again the call to preach. He was never in doubt as to his call and felt that he could say with the Apostle, "Woe is me if I preach not the Gospel." Others agreed that this should be his life work and we soon find him in charge of the church at Usk, Wash.

While at Usk, on July 5, 1910, Brother Newell was united in marriage with Agnes L. Danskin of Sault Ste. Marie, Mich., who was a true companion and a helpmate in his chosen work. That same year he was transferred to the Mabton Charge and built the new Methodist church there.

Brother Newell supplied as a local preacher at Usk and Mabton, Washington, and at Cascade Locks, Oregon. At the Conference of 1914 he was received into the Conference on trial and stationed at Gifford, Idaho. In 1915, he was stationed at Endicott and Winona, where he served for two years. While here he was instrumental in building the new parsonage at Endicott. In 1917 he was received into full connection in the Conference and stationed at Albion and Onecho. Here he quickly made a place for himself in the community life and was beloved of his people.

During the winter of 1917-18 Brother Newell had several severe attacks of appendicitis and his physician urged an operation. This was performed at the Deaconess Hospital in Spokane. At first he rallied, but complications setting in, he died suddenly on June 15, 1918.

Brother Newell is survived by his widow, an adopted daughter, Ruth Danskin Newell, his stepmother, Mrs. K. S. Newell of Spokane, besides a sister, Mrs. James Jones of Ione, Wash., a half sister and two half brothers.

Brother Newell was a large man, large of body and great of heart. His work ever held the foremost place in his life and nothing was allowed to interfere with it. He was especially interested in the work of the Sunday School and was active in the State and County Sunday School Conventions.

Brother Newell always gave the impression of abounding vitality and the news of his death was a distinct shock. It so happened that the writer met him in Spokane on the Tuesday before his death, which occurred on Saturday. He spoke of his coming operation without fear and was full of the plans of the work he would do upon his return home. He did indeed return home very soon, to the home from which there is no returning. Again we are reminded that man proposes but God disposes.

The funeral service was held in the St. Paul's Methodist Episcopal Church of Spokane, the Rev. Dr. J. W. McDougal officiating, assisted by the Rev. Dr. Sherman L. Divine of the First Presbyterian Church, Brothers Lawson, Beightol and Wells of Spokane. The members and friends of his pastorate showed their love and sympathy by attending the service in large numbers. A quartet of young men from Onecho sang several appropriate selections.

Another Brother has passed on before us. A year ago his presence was felt among us; today he answers not to his name and his place knows him no more. Yet he answers today to the roll call of that Conference where the Apostles and Saints of all ages join in communion and fellowship with our Supreme Bishop, and we shall join him there at last in the new song with the loved ones who have gone before.

JOSEPH O. JOHNSON

Joseph O. Johnson departed this life at Cedar Falls, Iowa, ceasing from his labors while still in the prime of his years.

For perhaps a year he had been in declining health. In midsummer he had given up his work at Pomeroy and had returned to his people in the East, fearing lest his increasing paralysis would prevent a return later.

In the home set up there his strength was rapidly spent until his death.

After J. O. Johnson secured his college education in Iowa, he launched a successful printing business. But he felt the call to

preach, so he sold out and went to Garrett. There he graduated with the degree of B. D. A year later he received the degree of Master of Philosophy from the University of Chicago.

During the latter years of his course he served as student pastor at North Judson, Indiana, winning there, as in all his charges, the real affection of his people.

Transferring to the Columbia River Conference, he began and developed the Epworth charge in Spokane. Because of his executive and organizing ability and his spirit of service, he was one of Spokane's most useful citizens. Later he served at Toppenish two years, and was stricken while at Pomeroy.

As a man Brother Johnson was without moral or physical fear. On the other hand, he was as true as steel, unselfish and pure, chivalrous and generous. Without exaggeration, his was a soul singular amongst us for its Christlikeness.

His work was characterized by an untiring interest and zeal for young people, by a singularly tender care for his flock and by the burning evangelism of his passion for souls.

Mrs. Johnson has established her home at Cedar Falls with the two beautiful children. There she is proving herself a noble Christian soul, worthy of his name.

Thanks be to God who has enriched our lives by giving us the fellowship and inspiration of so brave, so pure, so white a soul as Brother Johnson.

Rules of Order

I. The Conference shall open its sessions at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it, and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.

VI. No person shall speak more than twice on the same question, nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference Claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

VIII. No person shall be admitted on trial in the Conference or by credentials from other churches who is past thirty-five years of age and who cannot furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

IX. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

X. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

XI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the District, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.

XIII. Each District Superintendent at the close of his term shall prepare a report of his district, not to exceed one thousand words, for publication in the minutes.

XIV. It shall require two-thirds of those present and voting to change or suspend any of these rules.

XV: Memorial Service shall be held on the first day of the Conference session each year, immediately following the administration of the sacrament of the Lord's Supper. At each session of the Conference a standing committee on memoirs shall be appointed by the Bishop, to be in charge of the Memorial Service at the succeeding Conference session. The chairman of this committee shall be responsible for the preparation of a brief memoir of each member of the Conference, or wife of a member of Conference, deceased during the year, which memoir shall be read at the Memorial Service. At each session the Bishop shall appoint a member of the Conference to prepare a suitable Memorial Address of not more than fifteen minutes in length, to be delivered at the Memorial Service of the following session.

XVI. All members of the Conference in the effective relation, and all ministers who are changing their relation to effective, and taking appointments, all superannuates, all preachers on trial, all candidates for admission on trial, and all supplies, who attend the session of the Columbia River Annual Conference must file with the Secretary on or before noon of the second day of the session a statement showing the name of the person, the name of the charge from which he came, the fare paid each railroad, stage or other conveyance within the bounds of the conference in coming to the seat of the Annual Conference, on a blank provided for that purpose.

The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay the Secretary an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the Secretary shall pay to those who have paid more than the average fare an amount equal to the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the Conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

XVII. The Conference shall consider in executive session all personal matters regarding the character of its members, or the character of any who are proposed for membership.

XVIII. Roberts' Rules of Order shall be standard of parliamentary usage.

XIX. The Conference Deaconess Board shall nominate the Trustees for the Maria Beard Deaconess Hospital Association of the Methodist Episcopal Church, and also three Trustees for the Central Washington Deaconess Hospital, in the manner prescribed by the Articles of Incorporation of the said Association.

REPORTS

EPISCOPAL COMMITTEE REPORT

The claim for the Episcopal Fund is 2,535 dollars. The amount paid is 2,481 dollars, leaving a balance due of 54 dollars.

Last year the deficit was 70 dollars. Let us finish the job in 1920.

DOW DE LONG,
F. L. MOORE.
H. L. BEIGHTOL,
H. R. STONE,
Committee.

AUDITING COMMITTEE

We have carefully examined the accounts of the District Superintendents, Secretary Endowment Association, Treasurer Conference Claimants and the Conference Board of Home Missions and Church Extension and found them to be correct.

In harmony with the action of last year we checked the cash and vouchers of the pastors' reports to the Treasurer and made the proper notation on the envelopes.

ROBERT H. ALLEN, Chairman,
HENRY GREENE,
HUBERT VINCENT.

THE WOMAN'S HOME MISSIONARY SOCIETY

The Women's Home Missionary Society has demonstrated in the finest way its great usefulness in helping to solve the religious problems of the Northwest and is fitted to be a useful agency in overcoming the difficulties of assisting the foreigners in our land to adjust themselves to American Life.

We therefore urge upon our pastors the importance of having an auxiliary of this society in all our churches.

W. H. H. FORSYTH, Chairman.

Adopted.

THE WOMAN'S FOREIGN MISSIONARY SOCIETY

We recognize in the Woman's Foreign Missionary Society an educational force, which is bringing to our members, especially the women and children, a knowledge of the needs of the non-Christian World and a redemption force which makes for the advancement of Christ's Kingdom on earth by carrying to non-Christian lands the knowledge of one God, the Father of all mankind, and one Savior, our Lord Jesus Christ.

We most heartily commend the work of these women "who labor with us in the Gospel" and urge all pastors to assist them in effecting organizations on all the charges in this Conference.

We believe that an auxiliary of the Woman's Foreign Missionary Society in any charge will greatly strengthen, by its educational influence, the Centenary Movement, and add to the spiritual power of its members.

We therefore suggest that all pastors give to this Society their most hearty co-operation.

Respectfully submitted,

LOUIS THOMAS, Chairman.
THOMAS LAWSON, Secretary.

THE EPWORTH LEAGUE

The Conference rejoices in the unusual success of the Central Office Epworth League Institutes held at Richland and Lake Chelan. These Institutes attracted a combined attendance of more than three hundred, were instrumental in leading eighty-three young people to definite decisions for Life Work, and, under the leadership of unusually strong faculties, afforded programs of instruction that were exceedingly worth while.

We commend these Institutes to our preachers and young people as deserving our heartiest support and endorsement, and urge that next year we assist them in exceeding even the splendid achievements of the past summer.

We regret the temporary cancellation of the Coeur d'Alene Institute and trust that another season will see it resumed to its former flourishing state of usefulness.

As we contemplate the State of the League over the Conference we note a falling off in membership and efficiency that should stir us to renewed effort and interest in the work among our young people. No organization can quite take the place of the Epworth League in the lives of our youth. We are confident that concerted effort will result in increased membership and at the same time enhance the efficiency and usefulness of our Leagues.

The movement in the Church for a "Million Souls before General Conference" affords the Epworth League an opportunity to serve the Church at the same time that it strengthens itself. Observance of "Win My Chum" week, and a continuous program of evangelism is highly to be desired in the Epworth League the coming year.

REPORT OF THE CONFERENCE BOARD

We, the Conference Deaconess Board, wish to make the following recommendations:

For Renewal of Licenses—Ethel H. Butts, Minnie M. Brown, Elizabeth N. Jones, Ethel L. Guilkey, Alice R. Denno, Sadie Smith, Mrs.

Theressa Brown, Mary Stevenson, Mary Curnick, Maud Carter, Helen Schacht, Mrs. Jeanette Sigerson, Winifred Smith.

We recommend that Miss Edith Bird be transferred to the Oregon Conference and Miss Maud Carter to the Montana Conference.

That Miss Mary Curnick be retired by the General Deaconess Board.

That honorable discharge be given Miss Dollie La Duke.

That a leave of absence for one year be granted Miss Helen Schacht.

That Miss Helen Atwood, probationer, be transferred to the Puget Sound Conference.

That Miss Dora Steiger, probationer, be transferred to the Ohio German Conference.

That Miss Genevieve Waller, probationer, be discontinued.

We further recommend that U. F. Hawk, Chas. MacCaughey, M. J. Perdue be elected to the Board of Trustees of the Maria Beard Deaconess Association for the period of three years. J. M. Walters for the period of two years, and J. W. Caughlan for the period of one year.

We recommend the election of J. W. McDougall, John G. Law, Elizabeth N. Jones for a three year term and Mrs. J. W. Caughlan for one year term, as members of the Annual Conference Deaconess Board.

We recommend as members of the Board of Trustees of the Central Washington Deaconess Hospital Association: Rev. O. Hawk, term expiring 1920; W. E. Armfield, term expiring 1921; Wm. Hoskins, term expiring 1922.

The number of patients cared for by the Spokane Deaconess Hospital during the year was 1831. The amount received for care of patients and by donations, $58,351.

The number of patients cared for by the Central Washington Deaconess Hospital Association during the year was 599. The receipts from donations and patients, $19,991. Free work done, $1,350.

Hospital Improvements—We rejoice in the beginning that has been made toward the enlargement of our Spokane Deaconess Hospital and urge the most speedy completion of the same. The loss in revenue to the hospital should be recognized by all concerned, for with the elimination of eighteen rooms there is a weekly reduction of income amounting to about $500.00.

We recommend that the Conference shall renew its action of last year allowing the Trustees of the Deaconess Hospital to borrow necessary funds in order to assist in the building of the new addition.

We also rejoice in the advancement being made by the hospital at Wenatchee. At the beginning of the year it was almost hopelessly in debt and during the year $30,000 has been pledged to this institution, $18,000 of which is to be applied on the debt and $12,000 toward the new $50,000 unit, which is greatly needed at the present time.

We deeply lament the death of Asa V. Bradrick, financial agent of the Deaconess Hospital.

We commend the Superintendents, Miss Ethel Butts and Mrs. Jeanette Sigerson, for their faithful and efficient labors, also Rev. J. S. Bell and Dr. Robert Warner for the success they have achieved in raising funds for these institutions. Especially do we appreciate the fact that Brother Warner has done this work in addition to caring for his regular work as pastor.

We also wish to recommend the personnel of our deaconesses who

have been associated with our hospitals. We are proud of the efficiency which has been attained by our hospitals and rejoice in the splendid spirit and warm religious tone which pervades the hospitals and Deaconess Home. We feel that as Methodists we should increase our loyalty to these institutions.

We also wish to recommend to the earnest consideration of the Conference our Old People's Home and commend the faithfulness of Mrs. Mildred Williams, its Superintendent, during the past year in caring for the old people entrusted to her care, and we would recommend that the action of last year be renewed for this year, viz., the giving of one per cent of the pastors' cash salary to this institution.

We recommend that the Columbia River Conference heartily endorse the Seattle Deaconess Training School and give it our support, in recognition of the great need for trained workers.

We further recommend that the pastors enthusiastically support these worthy institutions and inform the people of their needs and their opportunities for real Christian service.

Respectfully submitted,

M. J. PERDUE, Chairman.
JOHN G. LAW, Secretary.

REPORT OF COMMITTEE OF FREEDMEN'S AID

The Methodist Episcopal Church should rejoice that it has a place in its economy for the Freedmen's Aid Society. The progress of world events has recently been such as to emphasize not only the responsibility, but also the high opportunity of our Church in the education and the industrial training of the negro. The conduct of our negro troops on the battle fields of the world war has opened the eyes of the world to the high possibilities of this lowly race, and opportunity for their development should be given them by the training of their young men and young women for leadership in the industrial and social development.

The great economic disturbances in our country has been seriously affecting the geographical distribution of the negro, thereby bringing him in large numbers to communities little prepared for his reception and bringing the membership of our Church into closer proximity with the race problem of the country. The position of the negro, as forming the great obstacle to the unification of the two Methodisms and our relation to him as such makes it all the more imperative that we discharge to the fullest our high and time-honored obligation to him.

Our obligations to him cannot faithfully be discharged only as we give this Aid Society our heartiest support in every way and as we put forth a campaign of education that will teach our people to support by their prayers and their means the efforts of this society in the uplift of our brother in black.

Therefore, be it resolved, that this Conference to that end pledge this Society our fullest support.

F. R. JACKSON, Chairman.
E. T. REID, Secretary.

REPORT OF COMMITTEE ON EDUCATION

We, your committee, wish to present the following report:

I. We are glad to express our appreciation of the work done by our General Board of Education, both for Institutions and Students, and especially urge that the Children's Day Fund shall have our loyal support.

II. We call your attention to the following statements concerning our own Institutions:

(1) COLLEGE OF PUGET SOUND.

The College of Puget Sound sent its men to the field, and gave its equipment for th etraining of a company of the Students' Army Training Corps. War, post-war and Centenary conditions have laid new and heavy demands upon the College. Its Board of Trustees have risen to the emergency, providing the Department of Business Administration, a new gymnasium and well trained men to fill these positions. It has also adopted a program which is worthy the Methodism of the State of Washington. This provides for moving to a larger campus, when a proper location can be secured: raising over One Million Dollars to be spent in building, increasing the endowment and providing for the immediate necessities of the College.

Your committee recommends, that, this Conference congratulate the Trustees of the College on the adoption of this larger program, and pledge its moral and financial support to the Trustees and the President, Edward H. Todd, until the task is accomplished.

We nominate for trustees for the term of three years, Rev. H. O. Perry and Mr. Frank Babcock; for visitors, Rev. Chas. MacCaughey, Rev. T. M. Walters, and the pastor at Yakima.

(2) WILLAMETTE UNIVERSITY.

Methodism honors herself in having established the first institution for higher learning west of the Mississippi River, and in having maintained it contnuously for more than seventy-five years. Endowment and student enrolment are growing because of the excellence of the school. It centers effort upon the College of Liberal Arts, the College of Law, and the School of Music, doing thoroughly the work of a real college. Combination courses are offered this year which lead to the professions of Law, Medicine, Journalism, Civil and Chemical Engineering, and a department of Home Economics has been opened.

We commend Willamette University for its strength and integrity o9f scholarship and for the consistent exaltation of Christian character. Pres. Carl G. Doney and the faculty emphasize these ideals and the people appreciate a college in which their sons and daughters, with safety to their religious life, may pursue their higher education.

A fund of $40,000 is available for the erection of the new dormitory for women. The building will cost about $70,000, and it is hoped that sufficient additional money will be given to permit construction this year. During the past twelve months the other resources of the School have been increased approximately $60,000.

The necessity for meeting increased expenses is upon the Institution and in the proposed campaign for additional endowment, we pledge support.

We nominate the following for Trustees:

William Shearer, Toppenish.....1920
J. W. Caughlan, Spokane.....1922

(3) KIMBALL SCHOOL OF THEOLOGY.

We believe the time has come when the Church calls for well-trained men for her ministry. We recommend all of our theological seminaries as worthy of our confidence. We particularly commend the Kimball School of Theology, founded by a member of our own Conference, and located in the Northwest, as meeting a great need in our region.

We recommend to the young men coming into our ministry that they secure a college education, and a specific training for their life work in such Institution.

We recommend the appointment of Rev. J. W. McDougall as Conference visitor.

III. We invite special attention to the following proposals:

1. We recommend that the Public Educational Offering for the Conference year 1919-1920 shall be divided as follows:

Board of Education	20%
College of Puget Sound	45%
Willamette University	10%
Kimball School of Theology	13%

And for the purpose of helping the work among students at Moscow and Pullman 6% to each of these charges.

2. **Boys' School for the Pacific Northwest.**

Whereas, the value of childhood is nowhere so well recognized as in our Christian teaching, and whereas, hundreds of children within this episcopal area are deprived of parental care and suitable environ-this Episcopal area are deprived of parental care and suitdble environment for Christian training—and the Influenza epidemic has caused a large increase of such cases;

Whereas, Protestantism has no adequate provision for meeting this need, so that unless room can be found under Roman Catholic care, hundreds of boys become delinquents and criminals, and are sent to our State Correction Institutions, which so far have failed to prove a saving power;

Whereas, our own Boys' School in Quincy, Illinois, has had such phenomenal success in meeting this need—developing fine Christian young men out of its pupils—that last year it could care for only one-fifth of those seeking admission—applications being received even from our distant area;

Whereas, this is a most worthy form of Christian evangelism, for which there are people ready to make voluntary contributions for the purpose of establishing a Protestant Boys' School in this Northwest;

Therefore, We, the Columbia River Conference Board of Education, deeply conscious of this imperative need and the peril of neglect, beg to submit to the Conference the following resolutions, viz.:

1. That a Commission, to be known as the Commission on Methodist Boys' School of the Pacific Northwest, be chosen in this Conference, to be composed of two Ministers and one Layman elected for a period of three years, one-third being elected annually. The members

to be nominated by the Columbia River Conference Board of Education.

2. That the Puget Sound and the Oregon Conference be invited to raise similar Commissions, which shall act with ours, in order that whatever may be planned will be done as an act of the Area, at the proper time, and on an adequate scale.

3. That the following shall constitute our Commission: Judge W. A. Huneke for 1 year; J. W. McDougall for two years, and M. J. Perdue for three years, who shall be Chairman.

4. That the Chairman of this Commission shall present the matter to the other Conferences of the Area for action.

5. The joint Commission to meet in Portland, Ore., on the Tuesday following the Oregon Conference.

H. C. KOHR, Chairman.
GABRIEL SYKES, Secretary.

JOINT MEETING OF THE BOARD OF EDUCATION

Resolved that, (1), the Conference request the resident Bishop, Bishop Hughes, to call a joint meeting of the Boards of Education of the Columbia River, the Puget Sound and the Oregon Conferences, at the time and place most convenient. This meeting is to consider the educational interests of the Portland Area, with the purpose of making recommendation to the Conferences involved and the Board of Education and the Home Missionary Societies of the Methodist Episcopal Church. (2) That the Chairman of our Conference Board of Education shall call a meeting of the Board prior to this joint meeting for the purpose of considering the program.

H. J. WOOD,
H. O. PERRY,
A. A. CALLENDER.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS

We, your Committee on Books and Periodicals, present the following report:

The worthfulness of attractive publicity has finally dawned upon the Church. The avalanche of pamphlets, released news items, posters and Advocate articles simply propelled our people intelligently to support the initial phase of the Centenary program. We therefore commend the Methodist Book Concern as our chief means of publicity. Further, we are gratified by the gain of this year over last year, the greatest of its history, sales totalling $3,327,809.

During the first seven months of this year there was a gain over last year of $20,000 per month. From the profits of the business $250,000 last year was set aside for the retired ministers and their dependents. Our Conference has a draft for $1,468, which is a slight increase over last year.

This is OUR book concern, and our veterans share in the fruits of its success. We therefore urge the universal use of the products of the Methodist Book Concern.

The Portland salesroom is for the service of Northwest Methodism. Its growth is evidence of the wisdom of its establishment. The sales have increased each year, until it now rivals the business done at the Boston depository. The sales this year show an increase of over $7,000 over the first seven months of last year. This, without decreasing the business at San Francisco, amply justifies this branch of our book concern. We earnestly request that it be made one of the regular depositories of the Methodist Book Concern.

Believing the Pacific Christian Advocate to be the most effective medium of information for our people, with the proposed evangelistic program in mind, we therefore urge that, wherever possible, a specific sum be added to the regular budget, sufficient to place an Advocate in every family.

Respectfully submitted,

R. E. GORNALL,
JOHN A. HOFFMAN,
T. H. FERTIG,
THOMAS LAWSON,
G. R. MOORHEAD.

REPORT OF THE COMMITTEE ON RESOLUTIONS

Your committee feels that resolutions may become so thoroughly formal that their continual use may be mere verbal chatter.

We are living in a day of conventions and conferences and for that reason we wish to record our appreciation and gratitude in no uncertain sounds and phrases.

That the Forty-sixth Session of the Columbia River Conference has been royally welcomed and generously entertained by the Spokane churches needs no further demonstration than we have had during our stay in this city the past week. The pastors and people of Spokane Methodism have our heartfelt interest and love.

We have been honored by the presence of leaders in church and state. We were glad when Drs. Doney, Todd, Seaton, Crowther, Greenfield, Gilbert, Clarence True Wilson, Troy and Barton came among us for exchange of greeting and experience.

His Excellency, the Governor of one of the greatest states in the Union, brought honor by his presence with the laymen and ministers in St. Paul's Church.

The splendid body of laymen who have attended our Conference sessions will be thought of throughout this Inland Empire, as those who can be depended upon to carry the increased responsibilities of the full program now before the Church.

We would express appreciation of the services of the men of this Conference who gave themselves as chaplains, Y. M. C. A. secretaries or any other form of service rendered by ministers and laymen in behalf of our army and humanity.

Also we would express our deep appreciation of the courtesy shown the Conference by the newspapers of the city.

We are not unmindful of the fraternal spirit shown by our Masonic brethren of this city who, in language beautiful and symbol suggestive, laid the corner stone of the Deaconess Hospital.

The spirit of fraternity was manifested in splendid fashion by

the sister churches of the city in the gathering in the armory on Sunday evening in the interest of our hospital.

And what shall we say of Bishop Hughes? What shall we say of him who has presided over this Conference with such wisdom and Christian Spirit and who has so stirringly led us out on to the heights and pointed the way to evangelism? We would take note of the fact that the Conference Sermon on Sunday morning was very fitting and worthy of our Bishop and of the occasion.

To all who have made our stay in this beautiful city a pleasant memory, we would offer our deep appreciation and love in the hope that the next twelve months shall be the best in our homes, our churches, our state and America.

MEMOIRS

P. C. MONEY

Israel was not the only Nation, nor was Jerusalem the only City which could lay claim to "the sweet singer of Israel." Every Methodist Conference may truthfully designate one or more of its number, the sweet singer.

That Brother Parke Condius Money was born in Cleveland August 7th, 1859, is a matter of record, but that within his Soul there were also born elements of genius which required education and experience in the Pastorate to bring out, is a part of our joy as a Conference to know.

In the development of this splendid Minister, two living Personalities had a share: Jesus Christ the Saviour of the World, who shed His tender Grace in the Heart of our departed Brother; and Miss Elizabeth Flanders, an Iowa School teacher, who became his wife. The writer spent a whole week in the home of Brother and Sister Money and can testify to the presence of the fine spirit which prevailed there. Brother Money's three sons, two of whom survive their father, will rise up and call him blessed.

We say, in the poverty of language: "Brother Money is dead"; of course, while busy about his Father's business in Farmington on October 22nd his body ceased to function, but is he dead? To this question the whole Conference will say "No." We hear his voice even now as he and his colleagues sang twelve months ago and twenty-four months ago: "Get a transfer." I hold within my possession nineteen poems; all of them of very high order, many of them of special worthwhile, two of them received honored recognition. Among these poems I find nine texts of Scripture set to the music of poetry. There were times when his soul like liquid ran out to all who heard him recite, sing or preach. For thirty years he preached and sang the Gospel. It seemed more natural for him to sing the Gospel truth than to present it in any other form.

And what shall I say of Brother Money as a man among men and a minister among his brethren? The answer is found in one of the Psalms: "Thou hast set my feet in a large room" and when he spoke or sang or preached all who knew him felt that "Deep calleth unto Deep." He was a manly man, a brother beloved and a true Minister of Jesus Christ.

We would commend Sister Money; the two sons, Fred Bixby and Lawrence Parke, and all relatives to the loving care of our Heavenly Father and if they listen to the Holy Spirit they will hear Him say: "Earth has no sorrow that Heaven cannot heal." And to one and all who knew our departed Brother, would say:

"The letter fails, the systems fall,
And every symbol wanes;
The Spirit overbrooding all,
Eternal Love remains."

WILLIAM CLYDE STEWART

In the going of William Clyde Stewart the Columbia River Conference and the entire Church has suffered the distinct loss of the services of one of God's noblemen.

Brother Stewart was one of our finest young men. He came to us three years ago from the Oregon Conference and has been our pastor at Bend, Oregon, until the early summer of this year when he gave up his work in order that, if possible, his physical strength might return. Not long after leaving Bend the shocking news of his sudden death was flashed to us.

Clyde Stewart went out in his early manhood, just when he seemed able to do his very best for God. His work was always characterized by such an intense zeal that it is not surprising that his physical being could not keep pace with it.

The Oregon Conference, which produced him, may well be proud of her distinguished son. Here he grew to manhood; here he was educated, being a student in Willamette University and Kimball College of Theology; here he was admitted to the Conference on Trial; here he received Holy Orders; and here, worn and tired with the heat of the day he passed out.

Brother Stewart rendered the Church good service. He always reached the young men and boys; he was a "boy's man." Churches grew under his ministry. Jason Lee Memorial Church in the Capital City of Oregon stands a monument to his untiring effort. Away out in the little rural center of Roy, Oregon, stands a little white church building, erected under his direction when he was a student.

The Columbia River Conference is to be congratulated, for it has had three years of the life and service of this earnest man of God, who was called to preach the Gospel. Here he labored just as earnestly as he sid in his early ministry.

We bow our heads this morning in the presence of his fine memory and pray God that something of his fervor and zeal may be communicated to us. Our hearts go out to the little home circle which has been broken. Our tears of sympathy and our hearts' sincerest prayers are for the widowed mother and for the orphans who mourn the going of a husband and father.

HENRY T. GREENE.

CLAY RAYMOND EAKIN

Clay Raymond Eakin, son of Rev. and Mrs. W. B. Eakin, was born June 30, 1895. He died in the Service of his country May 19, 1919. He was a member of the 107th Ammunition Train, 32nd Division, and was in action on the Western Front in France. He is the first of "The Sons of the Parsonage in Service" from the Columbia River Conference to pass into the great beyond. Clay was a kind and loving son and brother, and faithful Soldier. He will be missed from his home and large circles of friends who knew him but to love him and who sympathize with the family in their sorrow.

MRS. HENRY BROWN

Three score and ten years ago, in Mount Morris, Illinois, Lucy A. Miles was born. She was educated in the public school of that town and in the Rock River Seminary where she met a young student, Henry Brown, whose wife she became in 1870. The following year she moved with her husband to Des Moines Conference, where she commenced her work as a Methodist minister's wife.

Dr. Brown, by the division of that Conference, became a member of the Northwest Iowa Conference, from which he transferred in 1885 to Columbia River Conference.

Probably no woman was better known to the members of this Conference than was Mrs. Brown. Through all their years in the ministry Mrs. Brown was her husband's faithful helper, being deeply interested in every department of Church work. The cause, however, dearest to her heart was that of the Woman's Foreign Missionary Society. For twenty-five years she served that society as Secretary of this Conference, having held the position of Conference Secretary in her earlier years in Iowa. Sh was one of the three women who, in 1892, issued a call to the auxiliaries in Washington, Oregon, Idaho and Montana to send delegates to Portland to organize the Columbia River Branch of the Woman's Foreign Missionary Society.

Three young women who lived in her home for short periods were led to dedicate their lives to foreign work.

Her interest never abated even when failing health compelled her to give up her office. Through nearly a year of illness, the last five months of which she was confined to her bed, and even when suffering great pain, she planned and prayed and gave to the cause she so much loved. She sold her best china that she might make a substantial gift to the Tientsin hospital, where a room had been named in her honor by her sisters in the Branch. It was her joy a few months before her death to give to the society an annuity gift, for which she had been saving money for a long time, and only a few hours before her loving heart ceased to beat she called her husband to her bedside and asked him to pay the dues of an old friend, and reminded him of something which might be sold to help the work.

Twenty-five years ago, when her younger daughter, a girl of eleven, died, she named a girl in China for the dear little Ethel who had gone, and educated this Chinese girl to do work for her people in that land. When the girl had graduated and gone out to her life work Mrs. Brown took another child in the same school and at the time she passed to her reward she was educating her fifth Chinese student.

Mrs. Brown was the mother of two children, Ethel, who died at the age of eleven, and Jennie, wife of J. K. Riorden, who preceded her mother to the heavenly home fifteen years ago.

Her own great sorrow made her most tender toward those who mourned, and many can testify to her helpfulness in times of grief. Only a few minutes before her departure she smiled at her husband as he bent tenderly over her, and though she could not speak we who watched seemed to understand that she wanted to tell him that joy and peace were hers and we glimpsed just a little of the glory that was hers as she quietly slipped from us, and we dare believe that on the other shore she was met, not only by her loved ones of this land but by sisters from India and China and great dark Africa and the islands of the sea, who had been taught to know the way of life through her labor and sacrifice.

Her body rests in the cemetery at Walla Walla, beside her two daughters. Dr. Brown is not alone in his sorrow. Hundreds of friends, some of them in non-Christian lands, mourn for the mother, sister, friend, who gave herself so unsparingly to make this world a better place in which to live, but even as they mourn they thank God for the great privilege of having known a life so unselfish, so gentle, so Christ like. Her work goes on, the example of her life still lives and Eternity alone can tell what Mrs. Brown, frail in physical strength but strong in faith and in the power of the Father's love accomplished.

WILLMA ROUSE KEENE.

J. F. REID

Rev. J. F. Reid came to us from the East two years ago. He was appointed to Newport, where he had a successful pastorate for one year, and then was sent to Opportunity and Dishman. He was enter-

ing into his work with most commendable zeal and was winning his way into the hearts of the people when he was stricken down with the prevalent "Flu." That developed into pneumonia, of which he died last winter, leaving to mourn his loss a young wife who had entered heartily in all plans for the work of the kingdom. He was a man of good parts and impressed the people with the truth as he preached.

—L. P.

F. G. BOYLAN

I wish to speak a word for our deceased brother, F. G. Boylan, a retired minister of this Conference and who was a victim of the "Flu" epidemic. Brother Boylan was a resident of Wallace, Idaho, and in the employ of the Northern Pacific R. R. Co. He was a most brotherly and unselfish Christian. Brother Boylan was a member of this Conference for years, but owing to the illness of his wife, took a supernumerary relation that he might take her back to her childhood home. She never recovered her health and after her death Brother Boylan took a retired relation, feeling that he could no longer do effective work as a pastor. Until last year he never put in a claim for annuity, which was justly due him, feeling, as he told me, that there were brethren who had families dependent upon them, who needed it more than he. Knowing his financial straits and that he was compelled to work too hard for a man of his age, I insisted that he allow me to present his claim to the Board of Stewards. I haven't the date of his death, but he was at the parsonage and spent all the morning of the Friday before he was taken to the hospital on Sunday. I did not learn of his illness until a week later. The hospital attendant failed to reach me by phone. His physician came to the parsonage at midnight and told me of the brother's condition and that he wanted to see me. I hastened to his bedside, but he was too far gone to talk, other than to assure me that all was well and in a few minutes his spirit passed out to meet his companion and his Maker, both of whom he loved with an intense devotion. At the request of a sister, who lives in Glendive, Montana, the remains, after a brief funeral service, were shipped to that city for burial.

D. M. HELMICK.

SOLOMON MYERS NICKLE

Solomon Meyers Nickle was born at Nickleville, Pa., November 11, 1863, and died at Freewater, Oregon, June 29, 1919. On October 5, 1882, he was married to Miss Susan Catharine Fye. To them were 5, 1882, he was married to Miss Susan Catherine Fye. To them were born five children, two of which, Mrs. Ruth Morton of Freewater, Ore., and Earl Vincent of Portland, together with Mrs. Nickle are left to mourn the loss.

Brother Nickle was educated in the schools of Pennsylvania, graduating from the Edinboro State Normal. When only sixteen he began teaching and was a very successful teacher.

At the age of fifteen he was genuinely converted and united with the Methodist Episcopal Church. In 1884 he entered the ministry of that church in the Erie Conference, of which he remained a member for 18 years. Here he served a number of important chargs. He then transferred to the Oklahoma Conference and in 1906 to the Oregon Conference. In 1910 he came to the Columbia River Conference. Here he served the following charges: Freewater, Oregon; Clarkston, Wash.; Fowler Memorial Church, Spokane; the Mission to the Yakima Indians and a second pastorate at Freewater, Oregon.

Brother Nickle was one of our strong preachers. He was a clear thinker, a convincing speaker, clearly and forcefully presenting the Word which he loved. He was evangelistic in spirit and method. The multitude which has been led to God through his ministry will rise up and call him blessed.

He was one of God's true men, a man of fervent piety, great devotion to the things of God, a great faith in God and the Church. The writer of these lines knew him intimately when he was passing through the valley of the shadow, when affliction and sorrow like sea billows roll. However, Brother Nickle's faith did not fail him for one minute. He was always confident that all things would work together for good to those who love God and he and all who knew him knew he was one of these.

It was an inspiration to come into close fellowship with this man of God. His faith in God and man became contagious. To know him and to work with him made life richer and sweeter. He now rests from his labors and his works do follow him. No more shall he respond to the roll call of the Annual Conference but he enjoys the fellowship of the saints who have endured hardness as good soldiers of Jesus Christ, who wear the crown of righteousness and glory.
